TRAGEDY ON NEW JERSEY TURNPIKE. The arm of one of the three dead New Jersey state troopers hangs from the patrol car crushed under the wheels of a bus on the New Jersey Turnpike Monday. State police said the troopers' cruiser, its red light flashing, was accompanying a truck laden with dirt off a bridge when the truck driver thought a tire was going flat. The truck and cruiser were moving about 20 miles an hour when a bus came around a curve and hit a car, then rolled onto the cruiser and slammed it into the dump truck. (UPI Telephoto)

High Altitude Blast Late This Week

Soviet Sends 4th Vessel To Spy On U.S. A-Tests

WASHINGTON (AP) — The Soviet Union has sent a fourth ship bristling with scientific instruments to spy on U.S. nuclear tests in the Pacific.

This addition to the Russian snooper patrol was disclosed today as the United States prepared for a second try at firing a nuclear device at a high altitude over Johnston Island.

Informed sources indicated the shot—biggest of the U.S. test series—is likely late this week. The Federal Aviation Agency said Monday the shot more than 500 miles over the Johnston Island test area is expected to blot out instantly all high frequency radio communications in the Pacific. Some of the disruption will last 32 hours or longer, the FAA said.

The first high-altitude test shot ended disastrously June 4 when a Thor missile carrying the warhead aloft was purposely destroyed after the rocket tracking system developed trouble.

The presence of three Soviet instrument ships within 10 to 15 miles of the Pacific test area was announced by the Defense Department 18 days ago. It said they were obviously on a large-scale military intelligence collection mission.

It appeared the Soviet research ships may have collected data from Sunday's plane-dropped nuclear device which exploded over Christmas Island and released the equivalent of from one to several million tons of TNT. This was the 17th—and one of the biggest—announced shots in the current U.S. test series.

The new Soviet ship was identified as the A. I. Voyeykov, a sister ship of the Shokal'skiy, the largest of the three research vessels which took up stations during May.

This means the Voyeykov displaces about 3,600 tons and is equipped with extensive scientific instrumentation.

Although the Pentagon gave no details, it was obvious the Navy has been keeping a watchful eye on the Soviet snooper fleet. Because the Russians are in international waters, there is nothing this country can do to shoo them away.

Among other things, the Voyeykov is understood to be fitted with a pad for launching meteorological rockets to study the effects of nuclear explosions on the upper atmosphere.

The Defense Department has said radio-chemical analysis by the Shokal'skiy's 16 laboratories could provide information on bomb design, yield, and similar data "which have significant military implications."

Indications are the Soviet fleet will have another shot to monitor before the big atmospheric blast. Joint Task Force 8 on Monday ordered the danger area around Christmas Island closed to pilots and navigators.

Despite Laos Agreement

U.S. Will Keep Forces In Thailand For Present

To Protect Against Red Infiltration

New Laos Regime Too Weak Now To Halt Red Threat

WASHINGTON (AP) — The United States will keep military forces in Thailand for the time being despite the agreement of neighboring Laos' three political princes to form a coalition government.

High U.S. officials, in disclosing this today, said they believe the threat of a Communist-dominated Laos has been averted, at least for the present.

However, the new Laotian government is expected to be too weak at the outset to halt the threat of Red infiltration from neighboring North Viet Nam.

U.S. troops in Thailand, which now number about 4,800, are being retained there as a protection against Communist infiltration into that U.S.-allied country.

The United States is concerned, too, about the infiltration of Communist guerrillas into pro-Western South Viet Nam via a corridor through southern Laos. This flow is expected to continue.

U.S. officials are hopeful that the 14-nation Geneva conference on Laos can meet by the first week of July, or possibly sooner, to put into effect the agreements which will naturalize Laos and remove it from the cold war arena.

Prince Souvanna Phouma, premier-designate of the new coalition government, is expected to head the Laotian delegation at Geneva.

There is still a blank spot in the Geneva agreement which remains to be negotiated. This is a declaration by Laos of the neutrality it expects to maintain under its new government of national union.

American authorities are now going on the assumption that the military dispute that divided the little Southeast Asian kingdom can be shifted to the political arena.

The United States has held up budgetary assistance amounting to $3 million a month since February.

Driver Fined In Crash Then Hospitalized

Station Wagon Hits Car, Forcing It Into Garage On Dresden

A 45-year-old Shadyside man, whose car rammed a parked auto, knocking it into a garage on California Hollow Monday afternoon, was fined $200 and costs and given a jail term this morning in Municipal Court, then was admitted to City Hospital for possible injuries received in the crash.

James G. Graham is in "fairly good" condition with possible internal injuries suffered when his 1961 station wagon veered off an uphill curve and struck a 1956 station wagon owned by Richard Moffett of Dresden Ave. Ext.

Moffett's station wagon was then knocked into a frame garage owned by him and into a 1953 sedan, also owned by Moffett. Moffett's car was rammed by another station wagon operated by a Lisbon man in a similar mishap Friday night, the Ohio Highway Patrol at Lisbon said.

Graham, charged with driving while intoxicated, was fined this morning by Judge Samuel Chertoff, sentenced to 10 days in the County Jail and was given a six-month suspension of his driver's license.

He was later taken to City Hospital. The patrol said his station wagon and that of Moffett's were demolished. This mishap was timed at 2:55 p. m.

Jules A. Arian of Pittsburgh was fined $5 and costs by Judge Chertoff as a result of a collision between his car and a halted auto on Route 30 at a traffic signal in use at the freeway construction site.

Officers said a sedan operated by Lena A. Nulph, 45, of R. D. 3 had halted for the signal, and

At President's Request

Top Executives Eye Gold Study

WASHINGTON (AP)— A group of top ranking businessmen has agreed to examine the Kennedy administration's steps to halt the balance of payments deficit and to make recommendations on how to stop the resulting flow of U.S. gold abroad.

The businessmen, headed by U.S. Steel Corp. Chairman Roger M. Blough, conferred with President Kenndey for an hour Monday night. Afterward, White House press secretary Pierre Salinger said they had agreed to make the balance of payments study.

The meeting followed Kennedy's appeal Monday in a Yale University commencement speech for cooperation between the government and all segments of the economy.

Salinger said of the meeting: "The President feels that this kind of cooperation is most important and is the kind of cooperation that can be most helpful between business and the government."

In his speech earlier in the day Kennedy had declared:

"The solid ground of mutual confidence is the necessary partnership of government with all sectors of our society in the steady quest for economic progress."

The President also said those who blame his administration for the sharp decline in stock prices are raising a false issue.

Two of his most frequent Republican critics—Senate Minority Leader Everett M. Dirksen of Illinois and House Minority Leader Charles Halleck of Indiana—hammered away again Monday on the subject of the economy at a news conference.

"It has become clear that the Kennedy administration has got America moving again—but in the wrong direction," Dirksen said. "The stock market's crash has supplied the evidence."

Halleck said of Kennedy's proposal to cut income taxes next year: "Evidently this means that Mr. Kennedy intends to cut taxes and spend at the same time. We say the two are contradictory so far as promoting confidence is concerned and can only produce intolerable deficits that will further depress the economy."

The White House conference on Monday night was a late addition

Primary Plan Slated For 3 More Schools

Beaver Board Also Lets Contracts For Building Addition

Introduction of the ungraded primary system for three more Beaver Local elementary schools was approved by the Board of Education Monday night, when contracts were also awarded for an addition at the Public School.

The board authorized extension of the ungraded primary system, in effect at the Elkton School the past year, to the Calcutta, West Point School and Rogers Schools.

The system will apply to the some 227 first graders entering all four centers in September, including the second grade at Elkton, and is tentatively planned to continue to the third grades at the schools.

Instead of general grouping of the students in the conventional classes as at present, they will study at their own individual capacities, completing eight levels of study in the three-year program.

The system, which has been in effect at some Leetonia, Wellsville and Chseter schools, is designed to permit faster learners to achieve more work and slower learners to master their studies.

The board authorized contracts to the low bidders on the Public School addition. They included the Riley Construction Co. of Alliance for general construction, $67,647 Sayre Electric of East Liverpool, electric contract, $8,252.

R. M. Jones & Co. Youngstown, heating and ventilating, $18,295, and also plumbing, $4,695; Durable Flooring of Youngstown, tile floors, $1,384.

The Kyser Equipment Co. of Warren was granted a $2,895 contract for 450 bleacher seats at the Public School gym, and the Canton Hardware Co. was granted a $4,812 contract for a dishwasher

Compromise Plan Sought On Medicare

WASHINGTON (AP)—President Kennedy's lieutenants and his legislative supporters are off on a new and crucial quest—a compromise version of his health care plan which the House Ways and Means Comittee might accept.

As the comittee renewed consideration of the proposal the White House showed signs Monday of giving ground. Secretary of Welfare Abraham Ribicoff's proposals to the panel in a closed session apparently signaled administration acceptance of two propositions:

1. Unless it is substantially changed, the proposal has no chance of obtaining approval by the powerful tax-writing comittee which has had it on the table more than a year.

2. Unless the committee approves it, the measure has only a minute chance of enactment before Congress adjourns and the

Midland Sets Faculty Raise

$714,793 Budget Given Final Action

The Midland Board of Education Monday night increased teachers' salaries for the 1962-63 term and gave final approval to a budget of $714,793 based on a tax rate of 33 mills.

Members of the faculty at the top of the salary schedule and with a bachelor degree will receive $170 more a year, those with a master degree $250 and all others $210, as required by law, receiving in addition amounts from $20 to $80.

The starting salary was raised to $4,200 for a 190-day school year. It had been $4,010.

Final adoption of the budget was voted on the motion of Maurice Newman, finance chairman.

It is $65,207 lower than last year's but the tax rate was raised 4 mills to compensate for loss of $1 million in assessed property due to removal of the machinery tax from Crucible and because of the loss of $141,000 in tuition when 325 students begin attending their own Western Beaver County High School in September.

Patrolman Wounded In Gun Battle Dies

TOLEDO, Ohio (AP) — Patrolman Donald Brown, shot in a gun battle with a berserk gunman Saturday, died today in St. Vincent's Hospital.

The 32-year-old officer had been in critical condition since a blast from Oliver Nickerson's shotgun struck him in the face.

Nickerson was wounded in the exchange of fire, as were Patrolmen Frank Hays, 39, and William Boyle, 31. The policemen are recovering in St. Vincent's Hospital. Nickerson is being held under guard at Mercy Hospital.

Captive Yank Assails U.S., Reds Claim

SAIGON, South Viet Nam (AP) — Vietnamese Communists have broadcast what they claimed to be a captive American soldier's statement denouncing "the criminal maneuvers of U.S. imperialism" in South Viet Nam.

The soldier was identified as Spec. 4 George F. Fryett Jr., 26, whose parents live in California. He is the only U.S. serviceman listed as missing among the 6,500 U.S. troops stationed in South Viet Nam to help President Ngo Dinh Diem's government fight the Communist Viet Cong guerrillas.

Fryett, a clerk in the U.S. Military Assistance and Advisory Group in Saigon, disappeared last Dec. 24. He reportedly went by bicycle to a village in Bien Hoa Province, north of Saigon, and apparently was captured by the Viet Cong.

The Communist "Liberation Radio," believed to be in North Viet Nam, broadcast Fryett's purported statement Saturday. It was picked up by U.S. Embassy monitors in Saigon and a translation was made available today.

According to the broadcast Fryett appealed to the Communists for leniency and asked to be returned to "my compatriots' community" where "I want to be able to do something good for your people, such as by informing the American people of the presence of and illegal acts by the U.S. troops in South Viet Nam."

U.S. Embassy officials stressed that there was no confirmation that Fryett had made the statement.

U.S. officials noted that the Communists claimed to have obtained similar statements from two other American soldiers captured and released in May, but that the soldiers insisted they signed nothing.

Deaths Mount To 43 In Bus, Train Crash

BUENOS AIRES, Argentina (AP) — Leading Argentine surgeons labored today to save many youngsters gravely injured when a commuter train rammed a school bus jammed with more than 100 school children Monday.

Two among the injured died Monday night, raising the death toll in the crash at a fog-shrouded railroad crossing to 43. Eighty-one persons, most of them children under 10, were on the injured list.

Some of the mangled youngsters died when plasma and blood transfusion supplies ran out at the four hospitals to which the injured were taken from the crash scene in the marshy shantytown area of Buenos Aires.

Emergency calls for blood transfusions brought 1,500 responses within two hours, police reported. Some of Argentina's leading surgeons were among the 250 doctors who rushed to help.

Police arrested the grade crossing attendant and held the train's engineer and a fireman for questioning. The attendant told police he had lifted the crossing barriers for a truck and, believing the track was still clear, motioned the bus across.

The train roared out of the fog and hit the bus squarely, scattering bodies, seats and books 30 feet up the track. The bus driver and a teacher were among the dead.

Hearings Set For 2 In Minor Beer Sales

Hearings are slated Friday at 11 a. m. before Squire John D. Herron of New Cumberland for two Chester men arrested by the Hancock County sheriff's office on charges of selling beer to minors.

Mike Milenissis of George's Restaurant on Carolina Ave., posted $500 bond for the hearing when arraigned this morning before Squire Herron.

James Dennis, 19, was charged by sheriff's deputies with selling non-intoxicating beer to minors at the Laurel Hill Tavern. Licensee of the Laurel Hill tavern is his father, Earl Dennis.

The younger Dennis was lodged in County Jail in New Cumberland this morning in lieu of $500 bond.

Sen. Blake Lists $631 Expense On Campaign

State Sen. Arthur Blake of Martins Ferry R. D. 1 spent $631 in his unsuccessful bid for renomination on the Democratic ticket in the 20th-22nd District in the May 8 primaries, according to his sworn statement of campaign expenditures on file today with the County Election Board.

With the number of district seats out to one in the next term because of periodic reapportionment, Sen. Blake was defeated for the party nomination by the other Democratic incumbent, Sen. Edmund A. Sargus of St. Clairsville.

Meanwhile, the Salem Democratic Central Committee reported it spent $120 on the campaign. The report was filed by Lloyd D. Morrison, treasurer. June 22 at 4 p. m. is the deadline for the expense statements.

Diagreement On Nixon

Rockefeller Seen Holding No. 1 Spot On GOP Ticket

SEATTLE, Wash. (AP) — The quiet assumption among most Republicans attending national committee meetings here appears to be that Gov. Nelson A. Rockefeller of New York will be their 1964 presidential nominee.

Behind all the hoopla of optimistic declarations that their party is going to win control of the House and add several governorships in the November election, there is soft-pedaled hotel room talk about the choice of the next man to oppose President Kennedy.

In this talk there is a strong disagreement on whether former Vice President Richard M. Nixon can or can't be counted out of the 1964 running if he wins the governorship of California.

There is a lively interest in what will happen if George Romney wins the governorship of Michigan. There is talk that William Scranton would make an attractive presidential candidate if he can take over the statehouse in Pennsylvania.

Scranton, now a congressman, will oppose Democrat Richardson Dilworth, former mayor of Philadelphia, in the November election. Scranton is a 44-year-old millionaire.

There is solid support for the idea that Sen. Barry Goldwater of Arizona deserves at least second place on the 1964 ticket as spokesman for the party's conservatives.

All of this seems to shake down to the belief that, at this stage, Rockefeller is the man most likely to arrive at the top of the ticket—providing he does not stumble over some now unforeseen obstacles in his bid for re-election with a resounding majority.

In these circumstances National Committeeman George L. Hinman of New York is playing it cool. Hinman says—and this is con-

'Lost' Rail Car Found; City Obtains Chemical

A tankcar full of calcium chloride which had been "lost" somewhere in the thousands of miles of railway track in the U. S. turned up safely on a siding in East Liverpool Monday afternoon, allowing the street department to go ahead with its application of the dust-laying chemical on unpaved streets and alleys.

Pittsburgh Plate Glass Co.'s Barberton office, the supplier, put a "tracer" on the car, which was scheduled to arrive last week. The carload contains 10,000 gallons.

Safety-Service Director Robert Owen said another railcar of the chemical is due soon and another probably will be ordered shortly to complete the street program. Two tankcar loads were applied previously.

Some of the mangled youngsters died when plasma and blood transfusion supplies ran out at the four hospitals to which the injured were taken from the crash scene in the marshy shantytown area of Buenos Aires.

Emergency calls for blood transfusions brought 1,500 responses within two hours, police reported. Some of Argentina's leading surgeons were among the 250 doctors who rushed to help.

Police arrested the grade crossing attendant and held the train's engineer and a fireman for questioning. The attendant told police he had lifted the crossing barriers for a truck and, believing the track was still clear, motioned the bus across.

The train roared out of the fog and hit the bus squarely, scattering bodies, seats and books 30 feet up the track. The bus driver and a teacher were among the dead.

Hearings Set For 2 In Minor Beer Sales

Hearings are slated Friday at 11 a. m. before Squire John D. Herron of New Cumberland for two Chester men arrested by the Hancock County sheriff's office on charges of selling beer to minors.

Mike Milenissis of George's Restaurant on Carolina Ave., posted $500 bond for the hearing when arraigned this morning before Squire Herron.

James Dennis, 19, was charged by sheriff's deputies with selling non-intoxicating beer to minors at the Laurel Hill Tavern. Licensee of the Laurel Hill tavern is his father, Earl Dennis.

The younger Dennis was lodged in County Jail in New Cumberland this morning in lieu of $500 bond.

Patrolman Wounded In Gun Battle Dies

TOLEDO, Ohio (AP) — Patrolman Donald Brown, shot in a gun battle with a berserk gunman Saturday, died today in St. Vincent's Hospital.

The 32-year-old officer had been in critical condition since a blast from Oliver Nickerson's shotgun struck him in the face.

Nickerson was wounded in the exchange of fire, as were Patrolmen Frank Hays, 39, and William Boyle, 31. The policemen are recovering in St. Vincent's Hospital. Nickerson is being held under guard at Mercy Hospital.

Sen. Blake Lists $631 Expense On Campaign

State Sen. Arthur Blake of Martins Ferry R. D. 1 spent $631 in his unsuccessful bid for renomination on the Democratic ticket in the 20th-22nd District in the May 8 primaries, according to his sworn statement of campaign expenditures on file today with the County Election Board.

With the number of district seats out to one in the next term because of periodic reapportionment, Sen. Blake was defeated for the party nomination by the other Democratic incumbent, Sen. Edmund A. Sargus of St. Clairsville.

Meanwhile, the Salem Democratic Central Committee reported it spent $120 on the campaign. The report was filed by Lloyd D. Morrison, treasurer. June 22 at 4 p. m. is the deadline for the expense statements.

Diagreement On Nixon

Rockefeller Seen Holding No. 1 Spot On GOP Ticket

SEATTLE, Wash. (AP) — The quiet assumption among most Republicans attending national committee meetings here appears to be that Gov. Nelson A. Rockefeller of New York will be their 1964 presidential nominee.

Behind all the hoopla of optimistic declarations that their party is going to win control of the House and add several governorships in the November election, there is soft-pedaled hotel room talk about the choice of the next man to oppose President Kennedy.

In this talk there is a strong disagreement on whether former Vice President Richard M. Nixon can or can't be counted out of the 1964 running if he wins the governorship of California.

There is a lively interest in what will happen if George Romney wins the governorship of Michigan. There is talk that William Scranton would make an attractive presidential candidate if he can take over the statehouse in Pennsylvania.

Scranton, now a congressman, will oppose Democrat Richardson Dilworth, former mayor of Philadelphia, in the November election. Scranton is a 44-year-old millionaire.

There is solid support for the idea that Sen. Barry Goldwater of Arizona deserves at least second place on the 1964 ticket as spokesman for the party's conservatives.

All of this seems to shake down to the belief that, at this stage, Rockefeller is the man most likely to arrive at the top of the ticket—providing he does not stumble over some now unforeseen obstacles in his bid for reelection with a resounding majority.

In these circumstances National Committeeman George L. Hinman of New York is playing it cool. Hinman says—and this is con-

'Lost' Rail Car Found; City Obtains Chemical

A tankcar full of calcium chloride which had been "lost" somewhere in the thousands of miles of railway track in the U. S. turned up safely on a siding in East Liverpool Monday afternoon, allowing the street department to go ahead with its application of the dust-laying chemical on unpaved streets and alleys.

Pittsburgh Plate Glass Co.'s Barberton office, the supplier, put a "tracer" on the car, which was scheduled to arrive last week. The carload contains 10,000 gallons.

Safety-Service Director Robert Owen said another railcar of the chemical is due soon and another probably will be ordered shortly to complete the street program. Two tankcar loads were applied previously.

Boost For Wage Earners, Industry

Stimulative Effect Seen In Kennedy Tax Cut Plan

By STERLING F. GREEN
AP Economic Affairs Writer

WASHINGTON (AP)—The tax cut proposed by President Kennedy for next Jan. 1 would have the stimulative effect of a multi-billion dollar pay raise for wage earners and a profits boost for industry.

Kennedy's advisers are talking tentatively about a $5-billion net reduction in the tax package the President will ask Congress to approve. Some think it should be bigger, some don't want to lose that much revenue.

Top-to-bottom rate reduction in individual income and corporation taxes was part of the original Kennedy blueprint to "get the country moving forward"—a program which had been roughly sketched out within weeks after he took office.

But that was to have been a tax-reform program, not a tax reduction plan. The rate reductions were to be offset completely by loophole-closing and the trimming of deductions, exemptions and preferences now enjoyed by many groups.

That's no longer the case.

The stock market's convulsions reinforced the decision to cut as well as reform. Its symptoms of nervous distress also advanced the date on which the big tax overhaul would take effect.

Originally it was believed that Congress — which historically moves at a snail's pace on tax legislation—would take all next session and quite possibly part of the 1964 session in dealing with massive overhaul. Tax relief would have waited.

Now Kennedy has announced his willingness to cut taxes only six months and three weeks from today. The bill will be sent to the Capitol this summer.

By his announcement Thursday, Kennedy may have quashed the demands of some Congress members for an emergency, quickie tax cut while achieving virtually the same effect—assuring workers and business managers that their take-home pay will be bigger and their after-tax profits larger, only a few months from now.

Estimates of the net tax relief are running as high as $7 billion. Five billion is more frequently mentioned, as being about the minimum cut which would make enough difference in consumers' paychecks to encourage purchases of new cars, homes and major appliances.

Reductions in the top income tax rate from 91 per cent to perhaps 65 per cent has been considered. At the other end of the taxtable income scale, the basic 20 per cent might be dropped to 16 or 18 per cent.

The corporation tax rate of 52 per cent probably would be cut to something below 50 per cent. A range of 47 to 49 per cent has been under discussion.

Some bad news would accompany the good. A whole bundle of reforms is under consideration, to eliminate the patchwork of special concession and exemptions stitched onto the tax structure over the year for the benefit of special groups. But all taxpayers would come out ahead.

Such a tax reduction would mean at least one more year of budget deficit. Revenues presumably would be cut seriously in fiscal 1964, a year in which government spending is expected to rise to $95 or $96 billion. The anticipated increase of about $3 billion from this year's budgeted outlays is mainly the result of built-in increases in the space and military programs.

Despite the prospective red ink, most administration advisers are said to be convinced that strong medicine is needed to fortify—if not to rescue—Kennedy's grand strategy for American growth in a world of heightened competition.

The Kennedy strategy is two-sided.

It involves:

First, enlisting the cooperation of labor and management in keeping wage settlements and price decisions noninflationary.

Second, making it possible for business to amass the funds needed for modernization of the nation's industrial plant.

The first approach has run into grave trouble. Steelmakers rebelled at price restraint and set out to improve their profits in the traditional way — a price boost. Kennedy reacted angrily and forcefully to salvage his grand design.

The second approach is faring better. The Treasury shortly will issue liberalized tax allowances for depreciation on machinery and equipment, and Congress seems likely to enact most of Kennedy's first-phase tax revision program, built around a tax credit for big and little companies which invest in new plant equipment.

The administration is confident these measures will remove many of the financial obstacles to the cutting of costs and the improvement of efficiency. If so, they may incidentally make business less anti-Kennedy.

Cemetery Group Elects Trustees, 4 New Members

Four new members were elected to the Riverview Cemetery Association and five trustees were named at the annual meeting Monday night at the cemetery chapel. Association officers were re-elected.

Selected as members were W.A. Betz, Dr. J. A. Fraser, Paul F. Nellis and William F. Porter. They succeed the late W. T. Blake, C. M. Metsch, Frank K. Robinson and Lee C. Cooper.

Following the members' meeting, the Board of Trustees met and re-elected Richard V. Beatty, Robert E. Boyce, William H. Vodrey Jr. and A. L. White to three-year terms.

C. W. Hendershot was named to a three-year term to replace Frederick P. Lawrence, a former city resident whose term expired.

Re-elected as association officers were J. D. Thompson, president; C. W. Ashbaugh, vice president; Vodrey, secretary- treasurer, and Malcolm L. Stenger, superintendent.

The annual report for 1961 showed a net gain of $10,026.96 with income of $40,664.60 and expenses of $30,617.64. The income included the sale of 48 lots last year for $11,779. General endowments continued at $16,300.

There were 130 burials last year, the same number as in 1960, bringing the total interments since the cemetery was founded in 1883 to 12,516.

DiSalle Fires 14th Question At Rhodes

COLUMBUS, Ohio (AP) — A question dealing with care for the mentally ill is the 14th in the series being asked by Gov. Michael V. DiSalle of his Republican gubernatorial opponent, State Auditor James Rhodes.

Question No. 14, asked of Rhodes through newsmen at a news conference Monday, is:

"Will you support the needs for the care of the mentally ill at their present levels, lower levels or higher levels?"

Rhodes was unavailable for coment.

Multimillion Plant Due In West Virginia

WASHINGTON (AP) — A pilot plant for combining hydrogen with coal costing several million dollars and leading to employment for hundreds of miners may be built in Beckley, W. Va., but quite a few "ifs" are involved.

Sen. Robert C. Byrd, D-W.Va., announced the project Monday and said the plant would be built if research proves the feasibility of an electric enriching process.

The study is being conducted by the Interior Department's Office of Coal Research and has been labeled "Project Bootstrap."

The Senate was expected to approve today the interior and other agencies appropriation bill which provides for $450,000 to expedite work on the project. However, the sum must still be approved by a joint conference of the Senate and the House.

Byrd also obtained approval of an additional $1 million to the Office of Coal Research's budget for work on "Project Gasoline"—a program seeking new methods of processing coal to make synthetic oils, chemicals and other products.

"If the phase of work on "Project Bootstrap" is successful, and we should know by the end of this year, then I am advised by the Office of Coal Research that plans would go forward for design and construction of a pilot plant somewhere near Beckley because of that city's central location in the large Appalachian coal fields," Byrd said.

Free Parking Opens Along Ottawa Mall

OTTAWA (AP) — The Sparks Street Mall, three traffic-free blocks in the heart of a major shopping area in Canada's capital city, is open for business for the third summer.

One group of merchants says wiping traffic off the three blocks hurt business. Others point to economic surveys which say the mall has helped Sparks Street stores fight the competition of outlying shopping centers and discount houses. Ottawa's fire chief also was opposed but lanes have been left this year so fire apparatus can operate.

There are 76 stores along the mall.

Chester Post Has Induction

Newly-elected officers of Chester American Legion Post 121, headed by Jack Huff, commander, were installed at a meeting Monday night at the post home.

Dwight Allison of Chester, past state vice commander, was in charge.

The post approved underwriting expenses of a Boy Scout from Grant District to the national summer camp in New Mexico. The boy is to be selected by scout officials.

M. J. Sweeney, service officer, reported a post - sponsored entertainment program will be presented at the Aspinwall Veterans Hospital Sunday. The show will include the Great Scots Barbershop Quartet of Toronto, and lunch will be served by the post auxiliary.

Twelve members of the post will attend the state convention at Wheeling July 27-29. Delegates and alternates are Sweeney, Huff, John Corcoran, Allison, Morrell Yost, Jeddie Spencer, John Merriman, Jess Wedgewood, Harry Huff, Melvin Hissom, Ernest Johns and Charles Morris.

Lunch was served by the social committee. Next meeting is July 9.

Pennsylvanians Told: No Sales Tax On Flag

With the approach of Flag Day and July Fourth, the Pennsylvania Sales and Use Tax Bureau at Harrisburg today reminded residents that American flags are not subject to the state's sales and use tax.

The bureau said a 1956 legal ruling on the sales tax law held that "flags of the United States of America are not subject to the sales and use tax. All other flags and bunting are subject to the tax."

Midland Board Orders Supplies

Supplies costing $17,588 for next term were ordered Monday night by the Midland Board of Education, which also opened bids for painting projects for the summer and hired new teachers for a number of vacancies.

Purchase of various supplies for the next school year from various companies were approved after a motion by Edward Cilli, property chairman.

—:—

THEY INCLUDE workbooks and textbooks, $7,324.46; library books, magazines and professional library books, $593.88; instructional equipment, $1,884.07; industrial art supplies, $1,494; maps, charts and achievement tests, $577.76, and general supplies, $4,931.60. Bids for light bulbs were refused and will be readvertised.

The board opened 11 bids for painting work, including the high school auditorium and ceiling and the fence and light poles at the athletic field.

Bids ranged from $2,670 to $11,278 and were referred to the property committee for study and action since the board felt that several of the contractors should be contacted to clarify some figures which appeared to be out of line with the other bids.

—:—

CONTRACTORS submitting bids included Mike Keser and William Kukich, both of Midland, All-State Painting Co., James Kingas, Foundos Painting Co. and Colonial Painting Co., all four of Ambridge, A. & P. Painting Co. of Beaver Falls, Atlantic Painting Co. of Aliquippa, United Painting Co. of Pittsburgh, Arthur Painting Co. of Akron and Hollis Logue of East Liverpool.

Teachers hired for the next school year include Mrs. Grace McCarty of Ellwood City, high school, at $5,200 a year; Miss Suzanne Spisich of New Brighton, high school commercial, $4,200, and Miss Margaret Tomec of Midland and Mrs. Marjorie Carter, both for the elementary and each $4,200. They were hired after a motion by Leslie B. Roach, personnel chairman.

Henry (Hank) Kuzma, high school coach, hired last month as a playground instructor, was employed as director of the summer playground program for $73.50 a week on a motion by Frank Aloi, playground chairman. Kuzma replaces John Wilson, who was hired as elementary supervising principal.

—:—

FRANK ALOI Jr. was hired as a playground instructor for $43.75 a week on a motion of Cilli, property chairman. Aloi, the school director, did not vote.

Resignations accepted included that of Lawrence Novak, who has been head track coach the last five years but said he could not devote enough time to the sport.

The board accepted the resignation of William Lohr, a teacher at 4th St. School, and the verbal resignation of Miss Sheila Rutherford of Midland. She had been hired as a teacher.

Cilli reported on a liability inspection made in May by the North American Insurance Co., which has the schools' institutional insurance policy, concerning the junior-senior high school, 4th St. and 7th St. Schools, 1st St. playground and the athletic field.

Cilli said Supt. Ralph H. Jewell has taken care of some of the insurance company's recommendations and others will be studied by the property committee and referred to the board for action.

—:—

AFTER A motion by Cilli, the board gave a contract to the Ellis Office Equipment Co. of Beaver Falls for cleaning school typewriters at $4.75 per machine.

The board adopted a resolution supporting the Carnegie Board of Trustees in its efforts to obtain federal funds for expanding the library facilities.

The trustees hope to add a senior citizens' reading room. John Shovlin, educational chairman, moved for adoption of the resolution.

On a motion by Shovlin, the board agreed to amend a May request of the July 4th Executive Committee for use of high school facilities to include the new gymnasium building if required, all at a fee to cover janitor supervision.

Magnet City Elks Lodge 849 was granted permission to use the old gym shower room in the high school at the regular fee during a softball tournament next Saturday and June 30.

—:—

A REQUEST of Mrs. Dawn Inabnet, a teacher, for excuse of an absence in March was denied.

Supt. Jewell reported that the school board could go ahead with its plans to lay a new floor in the guidance office and said the job could be done for about $90. The board gave its approval.

Jewell was authorized to proceed with repairs on the roof over the old gymnasium as limited by the budget. He reported the 1st St. Parent - Teacher Association has donated a painting to the schools. Several organizations in the last couple months donated other paintings to the schools.

Principal William A. Walters of the high school and Samuel Rosatone, supervisor of maintenance, reported on a recommendation of Lawrence Novak that blacktop walks or runways be laid at the athletic field for use during several track events.

—:—

THE PROPERTY committee will consult with R. E. Steebner, borough engineer, about the runways.

The board approved a recommendation of Aloi for a telephone extension in Rosatone's office.

General bills in the amount of $4,680 were ordered paid along with interim orders placed last month by Jewell amounting to $459.48. Approval was given a request of the library trustees and librarian's recommendation for the purchase of books in the amount of $203.85 and magazines for the next school year in the amount of $409.82.

Cash receipts of $40,113.12, including $40,000 in tuition, were ordered placed in the proper account. Mrs. Eldamae Castelli, treasurer, reported a balance of $22,992.83 as of May 31.

—:—

THERE WAS no tax collector report but later in the meeting, on a motion of Maurice Newman, finance chairman, the board authorized the secretary to turn the 1962 tax duplicate over to Rudolph Presutti, tax collector. Taxes may be paid in four equal installments. During September, October, November and December payments will be at face value with no abatement or discount allowed.

Depositories named for 1962-1963 were the Midland branch of the Beaver Trust Co. for the general account and the First National Bank for the payroll account.

The board re-elected William I. McInerney, president of the Carnegie Board of Trustees, to a five-year term, effective July 2.

On a motion of Newman, the board authorized payment of $25,781.25 for bonds and interest due June 1 on the new gymnasium and administration building and bonds for indebtedness.

A transfer of $850 from the general account to the athletic account was approved.

Negley Man Fined $15 For Abandoning Pups

EAST PALESTINE — Raymond Woods of Negley, charged with abandoning five puppies, one of which was killed by an auto, was fined on two dog law violation counts by County Judge Herbert Arfman Monday.

Woods was cited for abandoning the pups on the Negley-Peace Valley Rd., and four of the survivors were picked up by Harold McCall, deputy county dog warden.

He was fined $15 and costs on that charge, and was given a $25 suspended fine for failure to obtain licenses for at least three dogs.

Offices are for two years, effective July 1.

Most Of Ohio Air Guardsmen Due Home By Aug. 15

WASHINGTON (AP) — Most of Ohio's air national guardsmen, on active duty since last Oct. 1, will return to civilian life Aug. 15, the Air Force says.

Units to be released at their home bases Aug. 20 include the 121st Tactical Fighter Wing, Lockbourne AFB, Columbus; the 112th Tactical Fighter Squadron, Toledo Express Airport; the 164th Tactical Fighter Squadron, Mansfield Municipal Airport, and the 162nd Tactical Fighter Squadron, Springfield Municipal Airport.

The 164th Weather Flight, whose home base is Mansfield Municipal Airport, will be released Aug. 31.

No release date was given for the 123rd Aircraft Control and Warning Squadron of Blue Ash, but the Air Force said it would be released between mid-July and early August.

The Air Guard units overseas will begin returning to the U. S. after July 15.

Wellsville Board Alters Calendar

A change in the school calendar to coincide with surrounding districts was approved and two teachers were hired at a meeting of the Wellsville Board of Education Monday night.

The 1962-63 calendar had been approved at the May session. It called for 184 working days for the teachers. This was changed to 180 days with 176 days for the pupils. Under the change, school will close May 28 instead of June 4. Commencement will be Monday, May 27, and baccalaureate will be Sunday, May 26.

Lowell B. Myers, who will assume his duties as superintendent in July, prepared the calendar. He explained the change was made to coincide with the neighboring school system.

Miss Edna Colmer of Center St., Wellsville, and Mrs. Grace Hartman of East Liverpool were hired as instructors. Miss Colmer is a former instructor at Wellsville and East Liverpool. She may teach a special education class. Mrs. Hartman is a graduate of Mt. Union College.

—:—

MYERS SAID at least six or seven more instructors are needed.

A delegation from Fairview School, headed by Wilmer Ralston, PTA president, asked that a gate be placed at the opening left in a fence surrounding a deep septic tank seepage bed at the rear of the school. He also asked for a covering.

Ralston explained children playing ball hit the ball into the bed and then climb down the side, which is about seven or eight feet deep. He said there is water in the bottom and remarked on the hazard to the children.

The board agreed to have the matter checked. Ralston said he and other men of the community will aid in enclosing the area. He was informed that a clogged drain tile has to be opened to carry away the water.

A bid of $728 was received from Roy McKinney, a representative of the Monroe Co. of Cleveland, for providing a coating of siliconized material to the roof of the Beacom Memorial gym.

—:—

McKINNEY explained that a "primer" oil would be applied to make the old roofing resilient and then the coating would be applied. He said the bid was on material and the board could provide the labor. He would serve as supervisor.

McKinney said the material is fireproof. The bid was taken under advisement.

Russell Dysert, a board member, was absent.

The board approved a request from Miss Phyllis Zimmerman, choir director, that the high school A Cappella Choir be allowed to particiiate in a Christmas music festival at Thiel College at Greenville, Pa., Dec. 1. The trip will be made by bus. The college will pay the choir $50 in expenses and provide meals.

Don Lowe, high school instructor, was authorized to construct 18 drawing tables for the draftsmanship class at a cost of $22.25 each for material and labor. The stools will be purchased by the board at $6.50 each.

—:—

THE BOARD agreed to meet informally within the next week to inspect the buildings to learn what summer work is being done and what is needed.

In answer to a question by William Ferrall, board member, Earl Bake, president, said Earl Mundy, supervisor of maintenance and custodians, has set up the work program to date.

Ferrall said a definite maintenance program should be outlined before school ends the next term. Bake said the janitors have started washing walls and painting.

He also suggested the board members consider the possibility of combining some classes or redistricting the system. He pointed out there are 41 sixth grade pupils at Garfield. This is too many for one teacher but when split, make too small classes and require two instructors. The state bases its foundation program on a classroom unit of 30 pupils.

—:—

MRS. EVELYN Jordan, home economics instructor, requested repairs to her room, asked for additional tables, some new sewing machines and a dress form. The request was filed along with others received in the past from other teachers until the entire program can be studied.

The Valley Office Equipment Co., Inc., of Wheeling was awarded a contract to clean, adjust and repair all the typewriters in the system and maintain them at a cost of $6.50 each. The firm had the contract last term. The Stevens Typewriter Service of East Liverpool bid $9.50 per machine.

The board also approved the purchase of $1,866.83 worth of teaching aids and mathematics and science equipment under Title 3 federal program. The school cost will be $933.42. The list of materials includes a new film projector for the high school.

—:—

TED KOENIG, band director, was given permission for the band to march in parades July 4 at Midland, July 20 at Newell, Aug. 3 at Chester and again in August at Glenmoor. The band also will appear Friday, Aug. 24, at the State Fair at Columbus.

It was pointed out state law allows a band to appear only in five events during the summer.

It was reported Mrs. Jean Tipton, school nurse, is hired for 10 months each year and needs help in posting the Sabin polio vaccine records this year. The board hired Miss Sondra Culp, MacDonald secretary, to help Mrs. Tipton for two weeks.

The superintendent's report was presented by William Menough, high school principal, who has been serving as superintendent until Myers assumes his duties.

Ralph Fletcher, 32, of New Cumberland R. D. was treated for abrasions and cuts of the right hand received on a lawn mower.

Jackie Coleman, 8, son of Jack Coleman, 934 Lincoln Ave., received a fractured left arm in a fall while running at home.

3 State Troopers Killed When Bus Rams Patrol Car

KEARNY, N.J. (AP) — Three state troopers were crushed to death when a bus rammed their patrol car and plowed over them on the New Jersey Turnpike Monday in an accident involving four vehicles.

The driver of the bus, Raymond E. Peters Jr., 35, Easton, Pa., told police investigators that his brakes failed. The big Royal Blue Coach Inc. vehicle struck a passenger car, careened into the police car and sent it smashing into a dump truck, then rode over the police cruiser and settled atop it.

The bus underwent a thorough check by investigators from the state police, the Public Utility Commission and the Interstate Commerce Commission.

The dead were troopers Joseph De Frino, 25, Lyndhurst, who was driving the cruiser, Milan Simcak, 36, Paramus, and Arthur J. Abagnale Jr., 26, Cliffside Park.

Contract On Blacktop Awarded In Palestine

EAST PALESTINE—The Board of Control Saturday afternoon let a contract to the Youngstown Asphalt Co. for 1,000 tons of blacktop for the annual street repair program.

The bid was $6.60 per ton picked up at the plant in city trucks, according to Safety-Service Director George McGuckin. It was the same as the bid the firm offered last year.

The work on the streets will begin within the next week, McGuckin said.

Midland Board Orders Supplies

Supplies costing $17,588 for next term were ordered Monday night by the Midland Board of Education, which also opened bids for painting projects for the summer and hired new teachers for a number of vacancies.

Purchase of various supplies for the next school year from various companies were approved after a motion by Edward Cilli, property chairman.

—:—

THEY INCLUDE workbooks and textbooks, $7,324.46; library books, magazines and professional library books, $593.88; instructional equipment, $1,884.07; industrial art supplies, $1,494; maps, charts and achievement tests, $577.76, and general supplies, $4,931.60. Bids for light bulbs were refused and will be readvertised.

The board opened 11 bids for painting work, including the high school auditorium and ceiling and the fence and light poles at the athletic field.

Bids ranged from $2,670 to $11,278 and were referred to the property committee for study and action since the board felt that several of the contractors should be contacted to clarify some figures which appeared to be out of line with the other bids.

—:—

CONTRACTORS submitting bids included Mike Keser and William Kukich, both of Midland, All-State Painting Co., James Kingas, Foundos Painting Co. and Colonial Painting Co., all four of Ambridge, A. & P. Painting Co. of Beaver Falls, Atlantic Painting Co. of Aliquippa, United Painting Co. of Pittsburgh, Arthur Painting Co. of Akron and Hollis Logue of East Liverpool.

Teachers hired for the next school year include Mrs. Grace McCarty of Ellwood City, high school, at $5,200 a year; Miss Suzanne Spisich of New Brighton, high school commercial, $4,200, and Miss Margaret Tomec of Midland and Mrs. Marjorie Carter, both for the elementary and each $4,200. They were hired after a motion by Leslie B. Roach, personnel chairman.

Henry (Hank) Kuzma, high school coach, hired last month as a playground instructor, was employed as director of the summer playground program for $73.50 a week on a motion by Frank Aloi, playground chairman. Kuzma replaces John Wilson, who was hired as elementary supervising principal.

—:—

FRANK ALOI Jr. was hired as a playground instructor for $43.75 a week on a motion of Cilli, property chairman. Aloi, the school director, did not vote.

Resignations accepted included that of Lawrence Novak, who has been head track coach the last five years but said he could not devote enough time to the sport.

The board accepted the resignation of William Lohr, a teacher at 4th St. School, and the verbal resignation of Miss Sheila Rutherford of Midland. She had been hired as a teacher.

Cilli reported on a liability inspection made in May by the North American Insurance Co., which has the schools' institutional insurance policy, concerning the junior-senior high school, 4th St. and 7th St. Schools, 1st St. playground and the athletic field.

Cilli said Supt. Ralph H. Jewell has taken care of some of the insurance company's recommendations and others will be studied by the property committee and referred to the board for action.

—:—

AFTER A motion by Cilli, the board gave a contract to the Ellis Office Equipment Co. of Beaver Falls for cleaning school typewriters at $4.75 per machine.

The board adopted a resolution supporting the Carnegie Board of Trustees in its efforts to obtain federal funds for expanding the library facilities.

The trustees hope to add a senior citizens' reading room. John Shovlin, educational chairman, moved for adoption of the resolution.

On a motion by Shovlin, the board agreed to amend a May request of the July 4th Executive Committee for use of high school facilities to include the new gymnasium building if required, all at a fee to cover janitor supervision.

Magnet City Elks Lodge 849 was granted permission to use the old gym shower room in the high school at the regular fee during a softball tournament next Saturday and June 30.

—:—

A REQUEST of Mrs. Dawn Inabnet, a teacher, for excuse of an absence in March was denied.

Supt. Jewell reported that the school board could go ahead with its plans to lay a new floor in the guidance office and said the job could be done for about $90. The board gave its approval.

Jewell was authorized to proceed with repairs on the roof over the old gymnasium as limited by the budget. He reported the 1st St. Parent - Teacher Association has donated a painting to the schools. Several organizations in the last couple months donated other paintings to the schools.

Principal William A. Walters of the high school and Samuel Rosatone, supervisor of maintenance, reported on a recommendation of Lawrence Novak that blacktop walks or runways be laid at the athletic field for use during several track events.

—:—

THE PROPERTY committee will consult with R. E. Steebner, borough engineer, about the runways.

The board approved a recommendation of Aloi for a telephone extension in Rosatone's office.

General bills in the amount of $4,680 were ordered paid along with interim orders placed last month by Jewell amounting to $459.48. Approval was given a request of the library trustees and librarian's recommendation for the purchase of books in the amount of $203.85 and magazines for the next school year in the amount of $409.82.

Cash receipts of $40,113.12, including $40,000 in tuition, were ordered placed in the proper account. Mrs. Eldamae Castelli, treasurer, reported a balance of $22,992.83 as of May 31.

—:—

THERE WAS no tax collector report but later in the meeting, on a motion of Maurice Newman, finance chairman, the board authorized the secretary to turn the 1962 tax duplicate over to Rudolph Presutti, tax collector. Taxes may be paid in four equal installments. During September, October, November and December payments will be at face value with no abatement or discount allowed.

Depositories named for 1962-1963 were the Midland branch of the Beaver Trust Co. for the general account and the First National Bank for the payroll account.

The board re-elected William I. McInerney, president of the Carnegie Board of Trustees, to a five-year term, effective July 2.

On a motion of Newman, the board authorized payment of $25,781.25 for bonds and interest due June 1 on the new gymnasium and administration building and bonds for indebtedness.

A transfer of $850 from the general account to the athletic account was approved.

Wellsville Board Alters Calendar

A change in the school calendar to coincide with surrounding districts was approved and two teachers were hired at a meeting of the Wellsville Board of Education Monday night.

The 1962-63 calendar had been approved at the May session. It called for 184 working days for the teachers. This was changed to 180 days with 176 days for the pupils. Under the change, school will close May 28 instead of June 4. Commencement will be Monday, May 27, and baccalaureate will be Sunday, May 26.

Lowell B. Myers, who will assume his duties as superintendent in July, prepared the calendar. He explained the change was made to coincide with the neighboring school system.

Miss Edna Colmer of Center St., Wellsville, and Mrs. Grace Hartman of East Liverpool were hired as instructors. Miss Colmer is a former instructor at Wellsville and East Liverpool. She may teach a special education class. Mrs. Hartman is a graduate of Mt. Union College.

Youth Hurt By Baseball

A Little League player, hit in the eye by a baseball, is in "good" condition today at City Hospital where four area residents were treated and released following Monday.

John Brandon, 11, son of Frederick Brandon, 2045 Ohio Ave., player for the Taylor, Smith & Taylor Co. Little League team, suffered a possible fracture when hit by a ball.

Ellis McBane, 30, of 929 Wood St., Wellsville, was treated at 11:15 p. m. for bruises of the scalp suffered when he walked against a projecting window which was left open over a sidewalk beside a pottery in Wellsville.

Robert Walker, 7, son of Mr. and Mrs. Amos Walker, 1226 Avondale Dr., Ohio View, suffered a fracture of the left collar bone in a fall at home.

Ralph Fletcher, 32, of New Cumberland R. D. was treated for abrasions and cuts of the right hand received on a lawn mower.

Jackie Coleman, 8, son of Jack Coleman, 934 Lincoln Ave., received a fractured left arm in a fall while running at home.

3 State Troopers Killed When Bus Rams Patrol Car

KEARNY, N.J. (AP) — Three state troopers were crushed to death when a bus rammed their patrol car and plowed over them on the New Jersey Turnpike Monday in an accident involving four vehicles.

The driver of the bus, Raymond E. Peters Jr., 35, Easton, Pa., told police investigators that his brakes failed. The big Royal Blue Coach Inc. vehicle struck a passenger car, careened into the police car and sent it smashing into a dump truck, then rode over the police cruiser and settled atop it.

The bus underwent a thorough check by investigators from the state police, the Public Utility Commission and the Interstate Commerce Commission.

The dead were troopers Joseph De Frino, 25, Lyndhurst, who was driving the cruiser, Milan Simcak, 36, Paramus, and Arthur J. Abagnale Jr., 26, Cliffside Park.

Contract On Blacktop Awarded In Palestine

EAST PALESTINE—The Board of Control Saturday afternoon let a contract to the Youngstown Asphalt Co. for 1,000 tons of blacktop for the annual street repair program.

The bid was $6.60 per ton picked up at the plant in city trucks, according to Safety-Service Director George McGuckin. It was the same as the bid the firm offered last year.

The work on the streets will begin within the next week, McGuckin said.

Fattening Up The Cattle

John N. Garner, when he was vice president of the United States during Franklin Roosevelt's first two terms, once advised his chief "to let the cattle fatten up a bit".

Mr. Garner was using cow-country talk to explain to a city boy what happens if you run the cattle too much. They lose weight and spirit. They do not thrive by being kept on the move all the time.

Mr. Roosevelt in those days had just discovered the Keynes philosophy of spending the country back into prosperity. What he was doing with it was peanuts compared with that he would do later with a national defense budget. But toward the end of his second term the national debt already had topped $40 billion for the first time and was headed for 12 digits.

Businessmen were being harassed and abused by the White House. The Department of Justice was breathing on corporate necks. Congressional investigations in unfriendly hands were giving fits to private enterprise. Mr. Roosevelt counted that press conference lost and that fireside speech wasted that did not feature some savage attack on "Tories," "princes of privilege" and "malefactors of great wealth".

HIS HOSTILITY was a cold hand clasped around the throat of private enterprise throughout the '30s. Not until businessmen were urged to let bygones be bygones and out-produce the world to make the United States the "arsenal of democracy" was political hostility abandoned. Nothing was too good for business during the war.

When Mr. Garner urged his chief to quit running the cattle so they could fatten up, he was giving homely expression to a thought that had become nearly universal among those who understand how wealth is produced. He had in mind the same things being pointed to by observers today—the importance of tax laws that encourage enterprise to expand and take chances, for instance.

He was thinking of the necessity of maintaining a climate that makes it seem logical for enterprise to conduct long-range planning — of maintaining an environment for producers of wealth that provides reasonable assurance of profit.

PRESIDENT KENNEDY is striving to restore confidence. In his commencement address at Yale University Monday he again glossed over his April outburst of hostiliy toward those units of the steel industry that did what all units know must be done if they are to make enough profit to underwrite their expansion.

The President undoubtedly is sincere in what he is trying to do, and he also is politically shrewd enough to know why his work is cut out for him. By blocking proposed price increases for steel, he raised doubts of his future reactions following price increases. It's not what he says but what he does that matters now.

If the price of government continues to rise budget by budget, if the cost of production continues to go up as both organized and unorganized workers ask for more income, enterprise must be permitted equal latitude.

Otherwise, the only cattle fattening up will be in other pastures. The business cattle will have nothing to look forward to but an endless run, to stay ahead of the politicians.

Winning Its Popularity

A curious exception must be noted in the clamor by critics of the Kennedy administration against its policies.

No one is knocking the Peace Corps. When The Los Angeles Times, the New York Herald Tribune, Sen. Barry Goldwater and that unreconstructed Democratic hardshell, Rep. Howard W. Smith of Virginia, all have good words to say about the same thing there has been a remarkable unanimity of opinion.

This June seems almost 2,200 men and women enter training for 44 projects in 28 countries. These people will be in addition to some 1,399 volunteers either at work on or in training for 32 projects in 22 countries.

When the Peace Corps was set up on a temporary basis in March 1961, the skeptics were still repeating the words they used during the 1960 presidential campaign, when the idea was first proposed—"do-gooder" and "idealistic." What was overlooked then and is still being overlooked now is that a similar program had been successful in Britain. The idea was not untried.

It caught on quickly here and was greeted enthusiastically abroad. One of the most attractive things about it was the satisfaction of knowing that so many young Americans were responding to a challenge to tackle something difficult with no hope of reward other than personal satisfaction.

At the end of June approximately 3,500 volunteers will be on the job or in training for 76 projects in 38 countries. Against the $30 million appropriated in the Kennedy administration's first budget, the Peace Corps is getting close to $64 million in the second budget.

In terms of work accomplished and good will generated, the Peace Corps may well turn out to be the best bargain the United States is getting, dollar for dollar. Its benefits are mutual—for the countries that get the benefit of the Peace Corpsmen and for the men and women who volunteered for the work.

Hercules Would Have

For the fun of it suppose Hercules, the mythological hero, should materialize and try to cope with the world's problems.

It would seem he could have everything in apple-pie order quicker than the next tax comes due but if he performed now as he did then he would be a crumb bum.

Look at the record: he knocked off kings, queens and even his own children like swatting flies.

He was a great hand with animals, eliminating them as fast as he could swing his club. Imagine the cry that would go up from modern animal lovers if he took out after stags, oxen, birds, horses and dogs. Each one of these beasts has its own society of human beings today pledged to protecting it.

This is only the beginning. Hercules cleaned the Aegean stables by diverting a couple of rivers. What a howl would go up from residents downstream.

These stables had 3,000 oxen in them and had not been cleaned for 30 years.

Take his campaign to get the girdle of Hippolyta, queen of the Amazons! "Maniac Loose in Countryside," would be the headline. Parents would keep their daughters locked in the house. Women would not be safe on the streets.

Editorials would be written. The first of the "panty raiders," would have to be stopped!

Hercules would be investigated by half a dozen justice departments, parliaments, general assemblies and security councils.

After going through various wringers with attendant detergents he would be so limp he would be only too glad to go back to being a constellation in the heavens.

Double Menace!

'Missing' Witness Turns Up

By Victor Riesel

A month ago FBI agents closed in on a short, neatly dressed graying 58-year-old, quietly hysterical man. For the FBI this wound up a national manhunt. For the little man, David Probstein, this ended seven years of moving from city to city ever fearful that a phone call, a footstep, a tap on the shoulder would mean that old teamster friends from his home city of Indianapolis had caught up with him.

Victor Riesel

In these seven years everyone, including Mrs. Probstein, who remarried in the interim, thought the Hoosier lawyer was dead—and buried in fields of Iowa corn.

When last heard from Probstein, whom Jimmy Hoffa once lent $8,000 for a stake in the taxi business, had called Mrs. Probstein from St. Louis early in June 1955. He said he was driving East with some friends. That was all. Then, just silence.

The FBI got the manhunt orders not too long ago.

PROBSTEIN was needed in a grand jury investigation of the accuracy of Hoffa's testimony before the McClellan committee back in '58. The FBI, using all its gadgetry, found Probstein, flew him into Washington, and has kept him under 24-hour guard.

Why all the mystery surrounding Probstein? The best clue to this newest probe of Hoffa comes from Sen. McClellan. On Sept. 18, 1958, the senator told his committee that:

"The committee has established substantial evidence that Mr. Hoffa did not tell the truth before the committee when he stated that his only interest in David Probstein's State Cab Co. was an $8,000 loan. He repeatedly denied that he (Hoffa) had any further financial interest in that company.

"The committee has sent to the Department of Justice the records indicating that the State Cab Co., which allegedly belonged to David Probstein, was, in fact, set up, established, and financed by Mr. Hoffa and Mr. Bert Brennan. We hope the Justice Department will pursue expeditiously this apparent willful perjury."

McCLELLAN told this to the investigating committee, in formal session, after it had heard Hoffa testify.

Under oath, Hoffa said, yes, he knew Probstein. Yes, "we" had loaned him $8,000. This money had come from the "Hobren or Test Fleet." Haulaway Co., run by the Hoff and Brennan (Jimmy H's late buddy and union partner) combine.

And from committee counsel Robert Kennedy came the following: "Did you, Mr. Hoffa, have any other financial dealings with Mr. Probstein, other than the $8,000?"

After a while, Hoffa said:

"I was not in any business with Probstein, and the only thing I had to do with Probstein was this loan that I have discussed with you."

Kennedy persisted: "But you know of no other financial transactions that you had with Mr. Probstein?"

"I don't," retorted Hoffa, "know of any of them."

UNDER OATH: That's definitive. That's what the grand jury has been probing since early this year. It's interested in two checks for $10,000 each issued to Probstein by the Hobren operation.

But that isn't the only matter in this case which has intrigued the government. There is a matter of $125,000.

On Oct. 27, 1954, Jim Hoffa directed the opening of an account in the Fidelity Bank and Trust Co. of Indianapolis.

This was done by depositing a check for $125,000, dated Oct. 21, 1954. The check was drawn on the account of Teamsters Local 299, which keeps its money in a Detroit bank. Note, please that it was a checking account which the Teamsters opened in Indianapolis. Checking accounts draw no interest. The $125,000 was kept in the Indianapolis bank for almost four years. Not a penny was touched in any way. It simply lay there for almost four years earning no interest. Hoffa said the money was there to bolster the prestige and strength of a local teamsters outfit.

The State Cab Co. of Probstein et al. borrowed heavily from this same bank. Probstein also was able to borrow from this bank.

All this intrigues the Grand Jury. Why? We'll soon know.

School Building

By Terry Ferrer

NEW YORK — School and college construction is booming. There is hardly a campus uncongested by bulldozers and cranes, scarcely a big school district that is not talking about, hoping for, planning or building a school or an addition.

In fact, educational construction in 1962 may hit an all-time peak of some $4 billion.

But there are already signs that the boom may become a slump, perhaps as early as 1963. School bond election results for 1961 are now complete, they show a drop by more than half in dollar value against 1960.

The Investment Bankers Association of America reported last week that the dollar value of approved issues dropped from $1.75 billion in 1960 to $860 million in 1961.

Inevitably the drop will be reflected sooner or later in curtailed construction.

THE ESTIMATED $4 billion in construction this year was predicted last week by the monthly educational magazine Overview. Its annual survey of 19,000 administrators in public and private schools and colleges showed that more than $3.77 billion was spent on 9,324 buildings and additions in 1961 while $375 million more went into furnishings and equipment for these buildings.

Dr. Archibald B. Shaw, editor of Overview and former superintendent of schools in Scarsdale, N. Y., was among those who predicted "a big slump" in 1963 building.

"Up to 1958," he said, "there was a steady flow upward of construction after the war. Then 1959 took a drop partly because of anticipation of Federal aid, which never came, and now we're climbing again."

Dr. Shaw pinpointed the reasons for the rejections that have been plaguing many a school district. The Investment Bankers Association survey showed that 1961 approvals were only 68 per cent of the dollars proposed, while in 1960 approvals were as high as 81 per cent of proposals.

"WE HAVE all seen the steadily increasing resistance of voters to higher taxes," Dr. Shaw said. Hence school boards and school superintendents are hesitant to propose new bond issues in large sums for fear of rejection. The IBA reported that the number of successful issues dropped from 1,189 in 1960 to 977 last year. Local districts tend to solve their space problems, in lieu of new buildings with such makeshift solutions as larger class sizes, rented classroom space and double sessions.

The second factor is that districts are on their second, third or fourth go-around in bond issues. "In the early 1950s," Dr. Shaw said, "many districts would pass issues and brag about their first new school building in 20 years. When you get around to the fourth time . . ."

Thirdly, he said some districts are reaching the limits of their bonded indebtedness.

THE IBA survey showed that elementary and secondary school bond sales increased by 15 per cent from 1960 to 1961, or from $2.2 billion to more than $2.5 billion.

Dr. Bill Zenta, IBA's director of research, also felt that the number of unsold issues might take up any threatened slack in school construction.

Threat Over Economy

By David Lawrence

Reprisals Still Hang Over Business

Small wonder that many businessmen fear that a severe crisis in our economic life may come in the next several months. The Administration evidently is determined that spending as usual by government for all manner of projects must go on, and that wage increases as usual likewise must continue. But the most important force in the economy is being prevented from operating under the rules of sound economics.

David Lawrence

Business management is still threatened with reprisals from the government if it tries to raise its prices to cover increasing wage costs and also to earn a fair profit. A free economy cannot operate very long that way.

The promise by the President of a tax cut is likely to aggravate rather than remedy the situation. Already the demagogues in Congress are articulate. They say they oppose any reduction in the confine all the benefits to the lower-income groups. It's the same old story hereabouts—politics supersedes economics all around. Similarly, there is already an antagonism in Congress among the Democrats to any reduction in the corporate tax rates, which now are at a 52 per cent level.

Mr. Kennedy promises a tax cut "across-the-board" effective next January. The bill, however, may not be passed until March or April of 1963, or even later.

It will take Congress that long to debate the highly complicated tax measure which will be forthcoming. The law isn't to be devoted just to rate changes. The gimmick now is to close loopholes and thus theoretically to increase tax revenues to offset the so-called relief to be given by the drop of a few percentage points in the rates in all income brackets.

ALREADY some of the senators on the Democratic side have pointed out that a drop of one percentage point in the upper brackets involves tens of thousands of dollars for an individual, while a drop of a point to a man of low income means only a few dollars in savings. Hence, it is argued that the whole saving should be given to the people in the lower brackets.

What is wrong with this theory, of course, is that the individuals to whom the nation looks for funds to finance industry's expansion aren't getting enough money now after taxes to help the free-enterprise system expand as it should. Nor will they be getting it under the proposed tax changes if the demagogues have their way.

Companies, moreover, which would like to earn enough surplus each year to save up for rainy days—and for brighter days when there is need for funds for expansion of plant and equipment—aren't able to do so today because of the narrow profit margin. The proposed change in the tax rate will not help them much, if at all.

What has been lost sight of is that a private-enterprise system cannot function effectively very long if the government interferes with its operation. President Kennedy has damaged severely the normal processes of the American enterprise system and shows no sign of withdrawing his threat to interfere with price-making, while refraining from any action that would keep down wage increases.

THIS SITUATION cannot drift on much longer without causing a bigger breakdown in the economy than has been witnessed. Business is not going to construe the type of tax revision promised by the administration as likely in any way to go to the heart of the problem that is today frustrating the American economy.

Job creation is essential to national growth. There's plenty of talk here about simulating national output, but no practical measures are being proposed that, in the aggregate, will bring that growth. An increase in consumer spending will not do it—though it may temporarily cause a fever of inflation. The real need, of course, is for encouragement of the heavy-goods industries, which are seriously depressed today.

The administration vaguely promises to revise the rules of tax depreciation, as if this alone would do the job. But these are highly technical changes that may take the managers of American business in various industries two or three years to absorb.

The real difficulty is that the per cent of profit to sales is not high enough and that surpluses aren't being built up to enable companies to finance a large part of their own requirements for the future.

MEANWHILE, the administration—although claiming it wishes to bring back more dividends from abroad — has proposed changes in taxing American plants overseas, which actually can cause a stoppage of the flow of dividend money to America, and hence a drop in tax revenue.

This could have an adverse affect on the balance of international payments, which is causing so much apprehension about the future gold value of the dollar.

Thus, the administration has failed to support the sound principles that permit a fair margin of profit to be earned. Unless this tide is reversed soon, the discouragement now prevalent will result in a depression—perhaps not as severe as in the 1930s but in some respects of the same intensity.

Yet President Kennedy still seems unaware of what his continued indifference to the labor-cost problem is doing to the economy.

Letters To The Editor

From newspaper reports, certain members of the Economy Committee of City Council have an intense desire to eliminate either the position of tax commissioner of the city of East Liverpool or myself from that position—which I am not sure.

Should their actions be motivated solely for reasons of economy, I would have to admire such intentions. However, I most certainly disagree with their methods.

It seems to me that a committee appointed for that purpose should make a thorough study of the need for any position or job held by any individual whose salary or wages are paid from city revenue. To date, no member of the committee which is opposed to this position has seen fit to come into this office to investigate as to the amount of work connected with the Income Tax Department or the amount of money required to operate same.

I am ready and willing at all times to appear before the Economy Committee to give facts and figures that should be helpful in its studies of this particular department. I do think that the committee owes me the courtesy of either a personal or written invitation, neither of which has been extended to date.

He was a great hand with animals, eliminating them as fast as he could swing his club. Imagine the cry that would go up from modern animal lovers if he took out after stags, oxen, birds, horses and dogs. Each one of these beasts has its own society of human beings today pledged to protecting it.

This is only the beginning. Hercules cleaned the Aegean stables by diverting a couple of rivers. What a howl would go up from residents downstream.

These stables had 3,000 oxen in them and had not been cleaned for 30 years.

Take his campaign to get the girdle of Hippolyta, queen of the Amazons! "Maniac Loose in Countryside," would be the headline. Parents would keep their daughters locked in the house. Women would not be safe on the streets.

Editorials would be written. The first of the "panty raiders," would have to be stopped!

Hercules would be investigated by half a dozen justice departments, parliaments, general assemblies and security councils.

After going through various wringers with attendant detergents he would be so limp he would be only too glad to go back to being a constellation in the heavens.

Double Menace!

'Missing' Witness Turns Up

By Victor Riesel

A month ago FBI agents closed in on a short, neatly dressed graying 58-year-old, quietly hysterical man. For the FBI this wound up a national manhunt. For the little man, David Probstein, this ended seven years of moving from city to city ever fearful that a phone call, a footstep, a tap on the shoulder would mean that old teamster friends from his home city of Indianapolis had caught up with him.

Victor Riesel

In these seven years everyone, including Mrs. Probstein, who remarried in the interim, thought the Hoosier lawyer was dead—and buried in fields of Iowa corn.

When last heard from Probstein, whom Jimmy Hoffa once lent $8,000 for a stake in the taxi business, had called Mrs. Probstein from St. Louis early in June 1955. He said he was driving East with some friends. That was all. Then, just silence.

The FBI got the manhunt orders not too long ago.

PROBSTEIN was needed in a grand jury investigation of the accuracy of Hoffa's testimony before the McClellan committee back in '58. The FBI, using all its gadgetry, found Probstein, flew him into Washington, and has kept him under 24-hour guard.

Why all the mystery surrounding Probstein? The best clue to this newest probe of Hoffa comes from Sen. McClellan. On Sept. 18, 1958, the senator told his committee that:

"The committee has established substantial evidence that Mr. Hoffa did not tell the truth before the committee when he stated that his only interest in David Probstein's State Cab Co. was an $8,000 loan. He repeatedly denied that he (Hoffa) had any further financial interest in that company.

"The committee has sent to the Department of Justice the records indicating that the State Cab Co., which allegedly belonged to David Probstein, was, in fact, set up, established, and financed by Mr. Hoffa and Mr. Bert Brennan. We hope the Justice Department will pursue expeditiously this apparent willful perjury."

McCLELLAN told this to the investigating committee, in formal session, after it had heard Hoffa testify.

Under oath, Hoffa said, yes, he knew Probstein. Yes, "we" had loaned him $8,000. This money had come from the "Hobren or Test Fleet." Haulaway Co., run by the Hoff and Brennan (Jimmy H's late buddy and union partner) combine.

And from committee counsel Robert Kennedy came the following: "Did you, Mr. Hoffa, have any other financial dealings with Mr. Probstein, other than the $8,000?"

After a while, Hoffa said:

"I was not in any business with Probstein, and the only thing I had to do with Probstein was this loan that I have discussed with you."

Kennedy persisted: "But you know of no other financial transactions that you had with Mr. Probstein?"

"I don't," retorted Hoffa, "know of any of them."

UNDER OATH: That's definitive. That's what the grand jury has been probing since early this year. It's interested in two checks for $10,000 each issued to Probstein by the Hobren operation.

But that isn't the only matter in this case which has intrigued the government. There is a matter of $125,000.

On Oct. 27, 1954, Jim Hoffa directed the opening of an account in the Fidelity Bank and Trust Co. of Indianapolis.

This was done by depositing a check for $125,000, dated Oct. 21, 1954. The check was drawn on the account of Teamsters Local 299, which keeps its money in a Detroit bank. Note, please that it was a checking account which the Teamsters opened in Indianapolis. Checking accounts draw no interest. The $125,000 was kept in the Indianapolis bank for almost four years. Not a penny was touched in any way. It simply lay there for almost four years earning no interest. Hoffa said the money was there to bolster the prestige and strength of a local teamsters outfit.

The State Cab Co. of Probstein et al. borrowed heavily from this same bank. Probstein also was able to borrow from this bank.

All this intrigues the Grand Jury. Why? We'll soon know.

School Building

By Terry Ferrer

NEW YORK — School and college construction is booming. There is hardly a campus uncongested by bulldozers and cranes, scarcely a big school district that is not talking about, hoping for, planning or building a school or an addition.

In fact, educational construction in 1962 may hit an all-time peak of some $4 billion.

But there are already signs that the boom may become a slump, perhaps as early as 1963. School bond election results for 1961 are now complete, they show a drop by more than half in dollar value against 1960.

The Investment Bankers Association of America reported last week that the dollar value of approved issues dropped from $1.75 billion in 1960 to $860 million in 1961.

Inevitably the drop will be reflected sooner or later in curtailed construction.

THE ESTIMATED $4 billion in construction this year was predicted last week by the monthly educational magazine Overview. Its annual survey of 19,000 administrators in public and private schools and colleges showed that more than $3.77 billion was spent on 9,324 buildings and additions in 1961 while $375 million more went into furnishings and equipment for these buildings.

Dr. Archibald B. Shaw, editor of Overview and former superintendent of schools in Scarsdale, N. Y., was among those who predicted "a big slump" in 1963 building.

"Up to 1958," he said, "there was a steady flow upward of construction after the war. Then 1959 took a drop partly because of anticipation of Federal aid, which never came, and now we're climbing again."

Dr. Shaw pinpointed the reasons for the rejections that have been plaguing many a school district. The Investment Bankers Association survey showed that 1961 approvals were only 68 per cent of the dollars proposed, while in 1960 approvals were as high as 81 per cent of proposals.

"WE HAVE all seen the steadily increasing resistance of voters to higher taxes," Dr. Shaw said. Hence school boards and school superintendents are hesitant to propose new bond issues in large sums for fear of rejection. The IBA reported that the number of successful issues dropped from 1,189 in 1960 to 977 last year. Local districts tend to solve their space problems, in lieu of new buildings with such makeshift solutions as larger class sizes, rented classroom space and double sessions.

The second factor is that districts are on their second, third or fourth go-around in bond issues. "In the early 1950s," Dr. Shaw said, "many districts would pass issues and brag about their first new school building in 20 years. When you get around to the fourth time . . ."

Thirdly, he said some districts are reaching the limits of their bonded indebtedness.

THE IBA survey showed that elementary and secondary school bond sales increased by 15 per cent from 1960 to 1961, or from $2.2 billion to more than $2.5 billion.

Dr. Bill Zenta, IBA's director of research, also felt that the number of unsold issues might take up any threatened slack in school construction.

Threat Over Economy

By David Lawrence

Reprisals Still Hang Over Business

Small wonder that many businessmen fear that a severe crisis in our economic life may come in the next several months. The Administration evidently is determined that spending as usual by government for all manner of projects must go on, and that wage increases as usual likewise must continue. But the most important force in the economy is being prevented from operating under the rules of sound economics.

David Lawrence

Business management is still threatened with reprisals from the government if it tries to raise its prices to cover increasing wage costs and also to earn a fair profit. A free economy cannot operate very long that way.

The promise by the President of a tax cut is likely to aggravate rather than remedy the situation. Already the demagogues in Congress are articulate. They say they oppose any reduction in the confine all the benefits to the lower-income groups. It's the same old story hereabouts—politics supersedes economics all around. Similarly, there is already an antagonism in Congress among the Democrats to any reduction in the corporate tax rates, which now are at a 52 per cent level.

Mr. Kennedy promises a tax cut "across-the-board" effective next January. The bill, however, may not be passed until March or April of 1963, or even later.

It will take Congress that long to debate the highly complicated tax measure which will be forthcoming. The law isn't to be devoted just to rate changes. The gimmick now is to close loopholes and thus theoretically to increase tax revenues to offset the so-called relief to be given by the drop of a few percentage points in the rates in all income brackets.

ALREADY some of the senators on the Democratic side have pointed out that a drop of one percentage point in the upper brackets involves tens of thousands of dollars for an individual, while a drop of a point to a man of low income means only a few dollars in savings. Hence, it is argued that the whole saving should be given to the people in the lower brackets.

What is wrong with this theory, of course, is that the individuals to whom the nation looks for funds to finance industry's expansion aren't getting enough money now after taxes to help the free-enterprise system expand as it should. Nor will they be getting it under the proposed tax changes if the demagogues have their way.

Companies, moreover, which would like to earn enough surplus each year to save up for rainy days—and for brighter days when there is need for funds for expansion of plant and equipment—aren't able to do so today because of the narrow profit margin. The proposed change in the tax rate will not help them much, if at all.

What has been lost sight of is that a private-enterprise system cannot function effectively very long if the government interferes with its operation. President Kennedy has damaged severely the normal processes of the American enterprise system and shows no sign of withdrawing his threat to interfere with price-making, while refraining from any action that would keep down wage increases.

THIS SITUATION cannot drift on much longer without causing a bigger breakdown in the economy than has been witnessed. Business is not going to construe the type of tax revision promised by the administration as likely in any way to go to the heart of the problem that is today frustrating the American economy.

Job creation is essential to national growth. There's plenty of talk here about simulating national output, but no practical measures are being proposed that, in the aggregate, will bring that growth. An increase in consumer spending will not do it—though it may temporarily cause a fever of inflation. The real need, of course, is for encouragement of the heavy-goods industries, which are seriously depressed today.

The administration vaguely promises to revise the rules of tax depreciation, as if this alone would do the job. But these are highly technical changes that may take the managers of American business in various industries two or three years to absorb.

The real difficulty is that the per cent of profit to sales is not high enough and that surpluses aren't being built up to enable companies to finance a large part of their own requirements for the future.

MEANWHILE, the administration—although claiming it wishes to bring back more dividends from abroad — has proposed changes in taxing American plants overseas, which actually can cause a stoppage of the flow of dividend money to America, and hence a drop in tax revenue.

This could have an adverse affect on the balance of international payments, which is causing so much apprehension about the future gold value of the dollar.

Thus, the administration has failed to support the sound principles that permit a fair margin of profit to be earned. Unless this tide is reversed soon, the discouragement now prevalent will result in a depression—perhaps not as severe as in the 1930s but in some respects of the same intensity.

Yet President Kennedy still seems unaware of what his continued indifference to the labor-cost problem is doing to the economy.

Letters To The Editor

From newspaper reports, certain members of the Economy Committee of City Council have an intense desire to eliminate either the position of tax commissioner of the city of East Liverpool or myself from that position—which I am not sure.

Should their actions be motivated solely for reasons of economy, I would have to admire such intentions. However, I most certainly disagree with their methods.

It seems to me that a committee appointed for that purpose should make a thorough study of the need for any position or job held by any individual whose salary or wages are paid from city revenue. To date, no member of the committee which is opposed to this position has seen fit to come into this office to investigate as to the amount of work connected with the Income Tax Department or the amount of money required to operate same.

I am ready and willing at all times to appear before the Economy Committee to give facts and figures that should be helpful in its studies of this particular department. I do think that the committee owes me the courtesy of either a personal or written invitation, neither of which has been extended to date.

Lisbon To Ask Bids On New Street Truck

LISBON — Council Monday night adopted an emergency ordinance to advertise for bids for purchase of a 1½-ton dump truck for the street department, opening offers at noon July 9 and acting at the meeting that night.

In other business, Council agreed to have Glenn Gallo oil all alleys as soon as possible. Gallo said the cost would be between $300 and $350.

Gallo's bid of 12 cents per gallon was low. The other bidder, Ohio Tar & Asphalt Co., of Canton asked 16 cents.

Pay for employes at the Sadie VanFossan Memorial Swimming pool was set by ordinance, providing $600 each for the two comanagers, $1 per hour for the head cashier, who is expected to be Chester Rutecki, and 75 cents per hour for an assistant cashier if needed.

Clerk-treasurer Ray Hempstead said that the general fund will be in the red if all the bills for this month are paid. He listed $3,927.14 due, or $900 over the amount available.

Bills were ordered paid at the discretion of the treasurer. Mayor and clerk salary, along with fire calls and ambulance calls, were ordered held up until the general fund could be boosted. Fire calls for first half of year amounted to $681 and ambulance calls $276, Hempstead said.

Enrico Baronzzi of Thomas Rd. complained that the road is only 11 feet wide because of two large holes which has caused several wrecks. The street committee was ordered to check the situation and make recommendations at once.

Council complained that the police department is not trying to enforce traffic laws as members said they have seen violations but no arrests.

Mayor Dean Stockman said the police committee, composed of Clyde Pike, Fred Steele and Joseph Dornam, will meet with police this evening at 9 to go over the situation.

Councilman Raymond Dixon questioned the practice of village fireman using the township struck for fires in the village.

Mayor Stockman said they have the right to use the township truck if needed but that in all village calls the village truck should be used.

4-H News

Fifty-five prospective members attended the Columbiana County 4-H band's first practice Thursday evening at the Lisbon Grange Hall.

Jack Shaffer of Minerva was in charge and will direct the band again this year.

Next practice will be held Thursday at the hall and membership still is open.

Officers will be elected at the next meeting, according to Don Myers, county extension agent in agriculture.

Plans for an Italian party at the next meeting June 28 were discussed by the Calcutta Golden Girls Senior 4-H Club Friday afternoon.

The party will be held at the home of Kathy Jacobs of near Calcutta, where the meeting was held.

Marilyn Smith, president, presided. Mrs. Mary Broadbent is the leader.

Projects will be discussed at a meeting of the Ohioville 4-H Club tonight at 7:30 at the Fairview Grange.

Club books were inspected when the Polaris 4-H Club of Pughtown met Thursday with Mrs. Harold Baker of State Route 2.

Susan Smith led devotions. Refreshments were served. Date of the next meeting will be announced, Arthur Harmon, reporter, said.

Six Hancock County youngsters are slated to attend Older 4-H Club Members Conference June 18-23 at Jacksons Mill.

They are Peggy Miller of Pughtown Polaris 4-H Club, Pauline Hoyt and Dianna Wright of the Cherokee club of Lawrenceville, Rhonda Hill and Tom Chorpenning of Fort Jefferson of Weirton, and Clarence Scott of Woodland Estates of Weirton.

They were chosen to attend for their outstanding club work in the county. The youngsters will also serve as councilors at annual summer 4-H camp in July at Tomlinson Run State Park.

Plans were outlined for the annual picnic July 15 at Guilford Lake when the Highlandtown Country Gentlemen 4-H Club met Monday night at the Highlandtown Grange Hall.

Members, parents and the girls 4-H Club will be invited. Glenn Stewart, president, conducted business and was in charge of the opening ceremonies.

A cookout and swimming party will be held Monday at Little Falls on Beaver Creek. Bill Carter and Bob Hayes are the advisers.

congressional election campaigns begin.

Asking not to be quoted directly, comittee supporters of the bill said in interviews that Ribicoff's comments left no doubt the administration earnestly wants a bill this year.

It was understood Ribicoff told the committee Kennedy would have no part of a measure which did not contain Social Security financing for his health program for the aged. Everything else, so these sources were given to believe, is negotiable.

At a news conference House Republican Leader Charles A. Halleck of Indiana took note of the administration's maneuvering and characterized it as a sign of defeat.

"I say they haven't got the votes to get this bill out of the Ways and Means Committee or to pass it in the House," Halleck said. "There is a growing awareness that this bill is not good."

The original administration proposal was for a schedule of hospital, nursing home and outpatient benefits — not including ordinary doctor bills—to be available to aged persons retired under Social Security and to be paid for by an increase in the payroll tax on employers and employes.

Possible areas of compromise would include the scale of benefits to be offered and the corresponding cost; provisions to take care of persons not covered by Social Security, which, according to estimates, could involve an outlay of as much as $150 million a year from the general fund of the Treasury, and devices to reassure hospitals which would fear federal domination from the contract provisions of the original bill.

Beaver Countian Hurt In Collision

An Aliquippa R. D. 2 woman is in "fairly good" condition today at Rochester General Hospital with injuries received when a car in which she was an occupant pulled into the path of a truck on Route 18 in Potter Township Monday about 12:10 p. m.

Several others in the car were examined and treated at the hospital. The accident occurred eight miles south of Rochester.

Mrs. Virginia Eakles, 23, received injuries of the head and back and was admitted. Ray Eakles, 2½; Laura Eakles, 3½, and Helen Johnston, 19, of Aliquippa R. D. 2, the driver, were examined and released.

Treated and released were Robin Eakles, six months, who received an abrasion of the forehead, and Richard Moody, 18, of New Brighton. All were in the one car.

The Chippewa barracks of the Pennsylvania State Police said the woman driver pulled out from Engle St. onto Route 18 into the path of a truck driven by Earl Campbell of Midway, Pa. He was not hurt. Total damage was estimated at $200.

Police said the driver will be charged with operating a vehicle without a driver's license and the owner will be cited for allowing her to drive.

Series Of Dances Set By Junior Fair Board

LISBON — Final plans for the first of a series of dances to be held by the Junior Fair Board at the floral hall at the County Fairgrounds were completed at a meeting Monday evening at the county extension office.

The dance will be held Friday evening from 8:30 to 11:30 p. m. with Vince Andrulis calling. Proceeds will be used by the board in its project to provide more trash barrels and benches for the fairgrounds.

Next meeting is July 16, time and place to be announced, according to Tom Rudebock, assistant county 4-H agent.

South Side Principal Gets Supervisor Post

Carl Walcott of Beaver Falls, principal at South Side elementary school near Hookstown, was hired as elementary supervisor at a meeting of the Northeastern Beaver County School District Board of Education Monday night.

He will receive a salary of $7,700 plus $300 travel allowance. It is the first time the Northeastern district has hired an elementary supervisor.

34 At Lisbon Church Group Outing At Member's Home

Thirty-four were present for the picnic of the Mariners Group and their families of the Trinity United Presbyterian Church of Lisbon at the country home of Mr. and Mrs. Bill Bergert of the Fairfield Rd. Sunday afternoon.

Swimming in the Bergert private lake, ball games and horseshoes comprised the entertainment.

A wiener roast and square dance are planned July 14 at Whinery's at Guilford Lake.

Pastor, Wife Honored

Dr. Dietrich A. Bode and Mrs. Bode of Youngstown were guests Sunday at a coverdish dinner at St. Jacob's United Church of Christ following morning service.

Dr. Bode has spent 50 years in the ministry, retiring in 1956, but has been the interim minister of St. Jacob's since Jan. 15. Some 200 attended.

A program followed with John Schnader presiding. Mrs. Bode read several selections from her poems. "I Love Life" was sung by Mrs. Schnader with Mrs. Roy Welch accompanist. Brief remarks were made by a number of members.

The Bodes' were presented a love gift, a purse to be added to their "dream fund" for a trip to the Holy Land in 1963.

Job's Daughters Meet

Job's Daughters Bethel 48 was entertained Saturday by the honored queen, Miss Suzanne Tulbure, at her home on Roller Coaster Rd.

Swimming and a wiener roast featured the afternoon and the girls were joined by boy friends for a record hop on the patio in the evening. Twenty couples attended the dance.

Mrs. Janet Baker of N. Beaver St., newly-elected guardian, attended.

Installation of new officers will be held June 25 at the Masonic Temple.

The annual picnic of the Gamma Nu Chapter of Epsilon Sigma Alpha Sorority was held Friday evening at the home of Mrs. Kenneth Mugridge of N. Market St.

Brief Business Held

Brief business followed dinner with Mrs. Harold Kepner, new president, naming committees.

Mrs. John Blocksom will be in charge of ways and means; Mrs. Jack Rutter, social; Mrs. Raymond Weaver, educational director; Mrs. Clayton Hunter, publicity, and Mrs. Frank Adomitis, jonquil girl.

Gamma Nu members will be guests of the Columbiana Gamma Eta Chapter at a 6:30 picnic supper in Pavilion 2 at Firestone Park Wednesday night.

Residents of the Columbiana County Home were entertained Sunday afternoon by the Lisbon Lionettes Group with Mrs. George Zeigler as master of ceremonies. Guest stars were Mr. and Mrs. Ben Wilson and Judy, Karen and Connie Culbertson in instrumental and vocal selections.

Mr. and Mrs. John Snyder and Mr. and Mrs. Bruce Keslar, as guests, attended the dinner meeting of the Liverpool-Calcutta Ruritan Club at the Calcutta Grange Hall Monday night.

Mr. and Mrs. Robert Wolfe of Fairborn visited over the weekend with their parents.

Salineville Job's Daughters To Hold Public Installation

A public installation will be held by the Salineville Job's Daughters Wednesday night at 7:30 at the Masonic Temple.

Miss Gwen Parsons of Bergholz, new queen, will be installed by Miss Marsha Temple, retiring honored queen.

Mrs. James Whelan and daughter, Nancy, returned Sunday from a visit with Cleveland relatives.

Miss Gladys Jewell of Cleveland was a weekend guest of her parents, Mr. and Mrs. George Jewell.

Mrs. Myrtle Goldrich of Alliance and Louis Zolckler of Willoughby are visiting Mrs. Nora Rolley of R. D.

Mrs. Albert Visintainni of Midvale visited Mr. and Mrs. Audrey Thomas of Water St. Sunday.

Michael Earich and Tracy Rae Earich, children of Pvt. and Mrs. Thomas Earich, have returned from City Hospital after suffering pneumonia. Pvt. Earich is stationed in Germany.

Mrs. Valeria Stephens and Miss Myrtle Strabley visited at Minerva Sunday.

Dr. and Mrs. C. A. McCullough returned Saturday after spending the winter in Florida.

Mr. and Mrs. Charles Maher of Alliance have concluded a visit with his parents, Mr. and Mrs. Paul Maher, of High St.

Commencement Rites At Chester Draw 800

About 800 attended commencement exercises for 71 Chester High School seniors Monday night at the school auditorium.

A reception was held by the Student Council afterward on the stage, with refreshments served in a "graduation" decorating theme. Nancy Olash and Jeanne Lafferre were co-chairmen in charge.

The class was presented by R. M. McFarland, and seniors gave discussions on the theme, "Conflict." Diplomas were presented by John W. Boyd of Chester, member of the Hancock County Board of Education.

Naval Authorities Get 2 Sailors In Car Theft

Two AWOL sailors from the Norfolk Naval Base, apprehended by Ohioville police Thursday in an allegedly stolen car and later taken to the Beaver County Jail have been turned over to Naval authorities, according to Sheriff John Hineman. They are James Alvin Roberts and Michael A. Woehrer.

A woman companion, Virginia Boydrid, 22, who denied any knowledge of the theft, was released Friday to return to Norfolk, aided by the Salvation Army, police said. The FBI also investigated the case.

Found Fatally Shot

ATLANTA (AP) — Lawrence Wood Robert III, 51, national sales representative of the Coca-Cola Co., was found fatally shot in his home Sunday. Police said there were three World War II souvenir pistols in the room. Robert, the son of L. W. (Chip) Robert Jr., former secretary of the Democratic National Committee, was reportedly despondent since the death of his wife last March.

Canton Driver Fined And Given Jail Term

LISBON — Albert J. Burke, 67, of Canton was fined $50 and costs and sentenced to three days in jail at a hearing Monday in County Judge James L. MacDonald's court on a charge of driving while intoxicated.

Another motorist was fined, a third forfeited and a woman forfeited on a charge of litering the highway.

Martin Heckathorn, 21, of Leetonia was fined $5 and costs for speeding and Maxine B. Thompson, 47, of Akron forfeited $15 for speeding.

Accused of disposing of papers and magazines on the highway, Marjorie Poole, 51, of Kensington R. D. forfeited $10. All were cited by the State Highway Patrol.

Survey Contract Let On Beaver Area Road

The Pennsylvania Department of Highways Monday awarded a contract to the Swindell - Dressler Engineering Co. of Pittsburgh to make a survey and cost estimate for the widening and resurfacing of 10.17 miles of a Beaver County district road.

The survey will concern the road from where it begins at the Ohio state line, to Five Points, to Fairview, to Blackhawk and to Saint Rest's on Route 251.

to the President's schedule, but had no emergency overtones. The business leaders met during the day with Secretary of the Treasury Douglas Dillon and other Treasury officials. The session was scheduled some time ago.

The deficit in payments last year ran to $2.5 billion, but in the first three months of this year was down to an annual rate of $1.8 billion and, Dillon said last week, may since have declined to about $1.5 billion.

Some of the steps taken by Kennedy and former President Dwight D. Eisenhower to cut the deficit included programs to increase U.S. exports; to spur travel by foreigners in the United States; a ban on travel of U.S. military dependents to Europe, later rescinded; and encouraging other nations to shoulder a large share of foreign military defense costs.

Salinger said the White House meeting stemmed from a meeting between Blough and Kennedy on April 17. That was seven days after Blough had announced U.S. Steel would raise prices $6 a ton and four days after the increase was rescinded on the heels of vigorous opposition by the Kennedy administration.

Palestine's Park Plans Fireworks Show On July 4

EAST PALESTINE — The Park Board Monday night authorized fireworks at the City Park July 4 —after a suspension of such displays for over five years — and approved renting of the park pool for private evening parties in an unprecedented move.

The board granted a contract to the Lisbon Fireworks Co. for a display of over $400 for display at dusk July 4 on the hill south of the park. The high school Key Club is soliciting money from city organizations and businessmen for half of the cost.

The board also agreed to rent the park pool from 9 to 11 p. m. to organizations or individuals wishing to hold private swim parties. The pool, which is closed to the public at 9 p. m., can be rented for $20 an hour.

The board also discussed recent vandalism at the park, and has requested the police department to increase patrols in the park area where lights have been smashed and doors of buildings kicked in in a wave of vandalism.

Band Unit Gives $25 For Stadium Project

The Wellsville Band Parents Monday night voted a $25 donation to the Nicholson Stadium Improvement Committee for construction of a new entrance to the football field. The meeting was at the Daw Junior High School.

Patsy Frontone, president, read the by laws. Changes were suggested. They will be read, discussed and voted on at the July meeting.

The group agreed to a request from Ted Koenig, band director, to have the name of the school and the Tiger emblem painted on the bass drum for the marching band.

Frontone named committee chairman for the coming year. They include Mrs. Goldie Steele and Mrs. Martha Frontone, ways and means; Mrs. Mary Clark and Mrs. Jean Frontone, social; Mrs. Gere Ferrall, telephone; Mrs. Vivian Bratt, military ball; Koenig, uniforms; Mrs. Catherine Frontz, publicity.

Tag Day donations totaled $397. It was held Saturday.

Mayor Fines 4 At Chester

Four motorists were fined for traffic violations at hearings Monday night before Mayor Ray Collins of Chester. A fifth forfeited an appearance bond.

Mrs. Barbara Thompson of Grant St., Newell, was fined $10 and costs for failure to have her vehicle under control. Mrs. Thompson was cited by Police Chief Harold Davis following a two-car collision Thursday on Carolina Ave. and Finley Rd. She pleaded guilty.

Robert B. Skinner, 312 3rd St., Midland, was fined $10 and costs for operating an unsafe vehicle and $25 and costs for driving without a valid operator's permit. He pleaded guilty to the first charge and innocent to the second.

He had resided in East Liverpool prior to moving to Midland where he drove eight months on an Ohio license. He was cited Thursday by Patrolman Clarence Lennens.

Mrs. Mildred Ade, 53, of 715 Edwards St., East Liverpool, pleaded guilty and was fined $50 and costs for leaving the scene of an accident.

She was involved in a hit-skip accident Friday at 10:30 p. m. on Carolina Ave. and was arrested by Davis.

Dale Nohe, 54, of Carolina Ave., Chester, was fined $25 and costs for improper registration. He pleaded guilty. Nohe was arrested Wednesday on Carolina Ave. by Davis.

Paul Condo, 38, of McKees Rocks, forfeited a $15 appearance bond on a charge of speeding. He was cited last Tuesday by Davis.

Ellen Rose Dailey, 48, of New Cumberland is scheduled to receive a hearing Thursday night at 7 before the mayor on a charge of driving the wrong way on 2nd St. She was cited Monday morning by Lennens.

3 In Gasoline Theft Fined And Sentenced

LISBON — Donald Lee Burson, 20, and John Paul Burson, 18, both of Rogers R. D. 1, and George Elmer Heaton, 19, of New Waterford were fined $200 each and sentenced to 90 days in the County Jail Monday afternoon by County Judge Herbert Arfman. They were charged with stealing gasoline from heavy equipment at a road improvement site on Route 46, east of New Waterford.

Judge Arfman suspended the jail sentences and all but $50 of the fines, and the youths paid and were released.

They were surprised stealing gasoline early Monday but escaped in their car. Officers were able to obtain their license number and they were picked up shortly afterwards.

Heart Attack Fatal

LUTHERVILLE, Md. (AP)— Karl S. Betts, 70, former executive director of the Civil War Centennial Commission, died Sunday of a heart attack while speaking at a ceremony commemorating the 220th anniversary of Saters Baptist church. Nigerians Thank U.S. For Peace Corps, Ask More

WASHINGTON (AP) — The top men of Nigeria's Parliament have thanked the United States for sending Peace Corps volunteers to their African nation—and asked for more.

Dennis Chuhude Osadebay, president of the Nigerian Senate, and Speaker of the House Ibrahim Jalo Waziri spoke at an African-American Institute Banquet Monday night.

Osadebay said that Nigeria is "grateful for the young men and women you have sent to us—send us more."

Peace Corps workers were threatened with expulsion from Nigeria last year because of a postcard written by an American girl who was a member of the group. The card was critical of life in Nigeria.

Waziri and Osadebay are here as leaders of a nine-man parliamentary delegation.

Youth, 18, Who Posed As Priest Being Held

CLEVELAND (AP) — An 18-year-old Alliance youth who, police said, was posing as a Franciscan priest when he was arrested Monday is being held in connection with failure to pay a $92 bill at Hotel Statler Hilton.

He was identified by police as Joseph W. Swarts. Detectives said the youth, who wore a white shirt backwards under a black suit coat claimed to be "Father Martin Andrew, O.F.C." but later admitted his true identity. Police said he had run up a $92 oill at Hotel Manager before his arrest.

Weirton Driver Injured In Crash

NEW CUMBERLAND — A 27-year-old Weirton man suffered a lacerated chin in a two-car crash Monday night at 7:45 p. m. on Kings Creek Rd. north of Weirton, Hancock County sheriff's deputies reported.

Charles D. McGown, a millworker, was driving south when his car was struck headon by another operated by Clarence D. Ritchie, 34, of R. D. 2.

Deputies said Ritchie approached from the north and was driving left of center.

McGown's 1960 model sedan received $500 damage, while Ritchie's 1955 sedan was demolished, deputies said.

McGown was taken to Weirton General Hospital in a cruiser and seven stitches were required to close the laceration.

The sheriff's office said Ritchie was charged with driving left of center.

Lisbon To Ask Bids On New Street Truck

LISBON — Council Monday night adopted an emergency ordinance to advertise for bids for purchase of a 1½-ton dump truck for the street department, opening offers at noon July 9 and acting at the meeting that night.

In other business, Council agreed to have Glenn Gallo oil all alleys as soon as possible. Gallo said the cost would be between $300 and $350.

Gallo's bid of 12 cents per gallon was low. The other bidder, Ohio Tar & Asphalt Co., of Canton asked 16 cents.

Pay for employes at the Sadie VanFossan Memorial Swimming pool was set by ordinance, providing $600 each for the two comanagers, $1 per hour for the head cashier, who is expected to be Chester Rutecki, and 75 cents per hour for an assistant cashier if needed.

Clerk-treasurer Ray Hempstead said that the general fund will be in the red if all the bills for this month are paid. He listed $3,927.14 due, or $900 over the amount available.

Bills were ordered paid at the discretion of the treasurer. Mayor and clerk salary, along with fire calls and ambulance calls, were ordered held up until the general fund could be boosted. Fire calls for first half of year amounted to $881 and ambulance calls $276, Hempstead said.

Enrico Baronzzi of Thomas Rd. complained that the road is only 11 feet wide because of two large holes which has caused several wrecks. The street committee was ordered to check the situation and make recommendations at once.

Council complained that the police department is not trying to enforce traffic laws as members said they have seen violations but no arrests.

Mayor Dean Stockman said the police committee, composed of Clyde Pike, Fred Steele and Joseph Dornam, will meet with police this evening at 9 to go over the situation.

Councilman Raymond Dixon questioned the practice of village fireman using the township struck for fires in the village.

Mayor Stockman said they have the right to use the township truck if needed but that in all village calls the village truck should be used.

4-H News

Fifty-five prospective members attended the Columbiana County 4-H band's first practice Thursday evening at the Lisbon Grange Hall.

Jack Shaffer of Minerva was in charge and will direct the band again this year.

Next practice will be held Thursday at the hall and membership still is open.

Officers will be elected at the next meeting, according to Don Myers, county extension agent in agriculture.

Plans for an Italian party at the next meeting June 28 were discussed by the Calcutta Golden Girls Senior 4-H Club Friday afternoon.

The party will be held at the home of Kathy Jacobs of near Calcutta, where the meeting was held.

Marilyn Smith, president, presided. Mrs. Mary Broadbent is the leader.

Projects will be discussed at a meeting of the Ohioville 4-H Club tonight at 7:30 at the Fairview Grange.

Club books were inspected when the Polaris 4-H Club of Pughtown met Thursday with Mrs. Harold Baker of State Route 2.

Susan Smith led devotions. Refreshments were served. Date of the next meeting will be announced, Arthur Harmon, reporter, said.

Six Hancock County youngsters are slated to attend Older 4-H Club Members Conference June 18-23 at Jacksons Mill.

They are Peggy Miller of Pughtown Polaris 4-H Club, Pauline Hoyt and Dianna Wright of the Cherokee club of Lawrenceville, Rhonda Hill and Tom Chorpenning of Fort Jefferson of Weirton, and Clarence Scott of Woodland Estates of Weirton.

They were chosen to attend for their outstanding club work in the county. The youngsters will also serve as councilors at annual summer 4-H camp in July at Tomlinson Run State Park.

Plans were outlined for the annual picnic July 15 at Guilford Lake when the Highlandtown Country Gentlemen 4-H Club met Monday night at the Highlandtown Grange Hall.

Members, parents and the girls 4-H Club will be invited. Glenn Stewart, president, conducted business and was in charge of the opening ceremonies.

A cookout and swimming party will be held Monday at Little Falls on Beaver Creek. Bill Carter and Bob Hayes are the advisers.

Medicare

congressional election campaigns begin.

Asking not to be quoted directly, comittee supporters of the bill said in interviews that Ribicoff's comments left no doubt the administration earnestly wants a bill this year.

It was understood Ribicoff told the committee Kennedy would have no part of a measure which did not contain Social Security financing for his health program for the aged. Everything else, so these sources were given to believe, is negotiable.

At a news conference House Republican Leader Charles A. Halleck of Indiana took note of the administration's maneuvering and characterized it as a sign of defeat.

"I say they haven't got the votes to get this bill out of the Ways and Means Committee or to pass it in the House," Halleck said. "There is a growing awareness that this bill is not good."

The original administration proposal was for a schedule of hospital, nursing home and outpatient benefits — not including ordinary doctor bills—to be available to aged persons retired under Social Security and to be paid for by an increase in the payroll tax on employers and employes.

Possible areas of compromise would include the scale of benefits to be offered and the corresponding cost; provisions to take care of persons not covered by Social Security, which, according to estimates, could involve an outlay of as much as $150 million a year from the general fund of the Treasury, and devices to reassure hospitals which would fear federal domination from the contract provisions of the original bill.

Beaver Countian Hurt In Collision

An Aliquippa R. D. 2 woman is in "fairly good" condition today at Rochester General Hospital with injuries received when a car in which she was an occupant pulled into the path of a truck on Route 18 in Potter Township Monday about 12:10 p. m.

Several others in the car were examined and treated at the hospital. The accident occurred eight miles south of Rochester.

Mrs. Virginia Eakles, 23, received injuries of the head and back and was admitted. Ray Eakles, 2½; Laura Eakles, 3½, and Helen Johnston, 19, of Aliquippa R. D. 2, the driver, were examined and released.

Treated and released were Robin Eakles, six months, who received an abrasion of the forehead, and Richard Moody, 18, of New Brighton. All were in the one car.

The Chippewa barracks of the Pennsylvania State Police said the woman driver pulled out from Engle St. onto Route 18 into the path of a truck driven by Earl Campbell of Midway, Pa. He was not hurt. Total damage was estimated at $200.

Police said the driver will be charged with operating a vehicle without a driver's license and the owner will be cited for allowing her to drive.

Series Of Dances Set By Junior Fair Board

LISBON — Final plans for the first of a series of dances to be held by the Junior Fair Board at the floral hall at the County Fairgrounds were completed at a meeting Monday evening at the county extension office.

The dance will be held Friday evening from 8:30 to 11:30 p. m. with Vince Andrulis calling. Proceeds will be used by the board in its project to provide more trash barrels and benches for the fairgrounds.

Next meeting is July 16, time and place to be announced, according to Tom Rudebock, assistant county 4-H agent.

South Side Principal Gets Supervisor Post

Carl Walcott of Beaver Falls, principal at South Side elementary school near Hookstown, was hired as elementary supervisor at a meeting of the Northeastern Beaver County School District Board of Education Monday night.

He will receive a salary of $7,700 plus $300 travel allowance. It is the first time the Northeastern district has hired an elementary supervisor.

Commencement Rites At Chester Draw 800

About 800 attended commencement exercises for 71 Chester High School seniors Monday night at the school auditorium.

A reception was held by the Student Council afterward on the stage, with refreshments served in a "graduation" decorating theme. Nancy Olash and Jeanne Lafferre were co-chairmen in charge.

The class was presented by R. M. McFarland, and seniors gave discussions on the theme, "Conflict." Diplomas were presented by John W. Boyd of Chester, member of the Hancock County Board of Education.

Naval Authorities Get 2 Sailors In Car Theft

Two AWOL sailors from the Norfolk Naval Base, apprehended by Ohioville police Thursday in an allegedly stolen car and later taken to the Beaver County Jail have been turned over to Naval authorities, according to Sheriff John Hineman. They are James Alvin Roberts and Michael A. Woehrer.

A woman companion, Virginia Boydrid, 22, who denied any knowledge of the theft, was released Friday to return to Norfolk, aided by the Salvation Army, police said. The FBI also investigated the case.

Found Fatally Shot

ATLANTA (AP) — Lawrence Wood Robert III, 51, national sales representative of the Coca-Cola Co., was found fatally shot in his home Sunday. Police said there were three World War II souvenir pistols in the room. Robert, the son of L. W. (Chip) Robert Jr., former secretary of the Democratic National Committee, was reportedly despondent since the death of his wife last March.

Canton Driver Fined And Given Jail Term

LISBON — Albert J. Burke, 67, of Canton was fined $50 and costs and sentenced to three days in jail at a hearing Monday in County Judge James L. MacDonald's court on a charge of driving while intoxicated.

Another motorist was fined, a third forfeited and a woman forfeited on a charge of litering the highway.

to the President's schedule, but had no emergency overtones. The business leaders met during the day with Secretary of the Treasury Douglas Dillon and other Treasury officials. The session was scheduled some time ago.

The deficit in payments last year ran to $2.5 billion, but in the first three months of this year was down to an annual rate of $1.8 billion and, Dillon said last week, may since have declined to about $1.5 billion.

Some of the steps taken by Kennedy and former President Dwight D. Eisenhower to cut the deficit included programs to increase U.S. exports; to spur travel by foreigners in the United States; a ban on travel of U.S. military dependents to Europe, later rescinded; and encouraging other nations to shoulder a large share of foreign military defense costs.

Salinger said the White House meeting stemmed from a meeting between Blough and Kennedy on April 17. That was seven days after Blough had announced U.S. Steel would raise prices $6 a ton and four days after the increase was rescinded on the heels of vigorous opposition by the Kennedy administration.

firmed by other key committee members—that he is asking no commitments for his candidate.

"All I am doing is trying to find out what the situation is in individual states," he said. "We want to know more about what is going on than we did in 1959."

Rockefeller made an abortive bid to oppose Nixon for the 1960 nomination but quit late in 1959 when he found the GOP cards were stacked for Nixon.

If Rockefeller wins re-election—and Hinman thinks he will by a big margin—things will be different in 1963. Republicans then are likely to see a duplicate of the drive Sen. John F. Kennedy put on for the Democratic nomination in 1958 and 1959. This went down to grass roots, state-by-state organization for delegates.

Trustees Get 3 Truck Bids

Bids from three firms on a heavy duty dump truck were taken under advisement by the Liverpool Township Trustees at a meeting Monday night at City Hall.

Wimmer Motor Sales offered a GMC truck for a base price of $7,622.90 and allowed a trade of $1,622.90 for a used 1957 model now owned by the township for a net price of $6,000.

The O. S. Hill Co. bid $6,942 for an International truck with a trade of $2,142 for a net total of $4,800.

Mackall Motors offered a net bid of $4,994 for a Dodge truck but did not offer a breakdown. Mackall also bid $6,044 for a Ford truck with a trade of $1,045 for a net total of $4,999.

The specifications call for a 2-ton truck or larger, suitable for work on township roads, according to Simon C. Hall, clerk.

Some road work is expected to begin next week.

Richard Sanford, a trustee, will attend the State Trustees and Clerks Association convention Thursday through Saturday at Toledo.

Notices Due Delinquents On City's Tax

The city income tax department expects to mail notices Wednesday to delinquent taxpayers who failed to file estimates of their earned income for this year and pay the first quarterly installment of at least 25 per cent, D. G. Wilkinson, comissioner, said today.

Wilkinson said he still is uncertain how many notices will be mailed.

He pointed out the delinquents now must pay a $5 penalty in addition to the tax and interest. The penalty and interest went into effect June 4. The deadline originally was May 15 but it was extended until midnight June 3.

Meanwhile, Wilkinson said notices have been mailed to about 1,650 individuals whose income is not subject to withholding, reminding them the second quarterly payment is due by June 30.

The tax comissioner said he has received many queries from taxpayers concerning the notices.

He explained the tax didn't become effective until March 2, leaving only 10 months in the year. In order to allow for quarterly payments, the first installment covered only March and April and the second payment will cover the months of May and June.

The final two quarters will end on Sept. 30 and Dec. 31, he added.

Midland Firemen To Hold Carnival

Midland volunteer fire company No. 1 met Monday evening and set up its committees for its annual carnival to be held July 1-4 at the DPC lot on Railroad Ave. between 11th and 12th Sts.

He said Heckathorne Amusements of East Liverpool will provide rides. Tickets are on advance sale and may be obtained at a savings from any fireman or at Danny's Custard Stand.

Firemen met in their quarters in the Borough Building. Next meeting is July 9.

Italy's Premier Loses Ground In Vote Test

ROME (AP) — Italy's ruling Christian Democratic party lost ground today in returns from municipal elections that provided the first major vote test of Premier Amintore Fanfani's "turn to the left."

Fanfani had appealed for victory as an endorsement of his center-left national government formed three months ago. But final results from the 34 largest cities and towns in the election—representing 2,467,099 of the total 3 million votes cast—gave the four allied parties 49.3 per cent of the vote.

Control of the Rome City Council, biggest prize in the weekend balloting in 157 cities and towns, eluded Fanfani's alliance by one seat.

firmed by other key committee members—that he is asking no commitments for his candidate.

"All I am doing is trying to find out what the situation is in individual states," he said. "We want to know more about what is going on than we did in 1959."

Rockefeller made an abortive bid to oppose Nixon for the 1960 nomination but quit late in 1959 when he found the GOP cards were stacked for Nixon.

If Rockefeller wins re-election—and Hinman thinks he will by a big margin—things will be different in 1963. Republicans then are likely to see a duplicate of the drive Sen. John F. Kennedy put on for the Democratic nomination in 1958 and 1959. This went down to grass roots, state-by-state organization for delegates.

Trustees Get 3 Truck Bids

Bids from three firms on a heavy duty dump truck were taken under advisement by the Liverpool Township Trustees at a meeting Monday night at City Hall.

Wimmer Motor Sales offered a GMC truck for a base price of $7,622.90 and allowed a trade of $1,622.90 for a used 1957 model now owned by the township for a net price of $6,000.

The O. S. Hill Co. bid $6,942 for an International truck with a trade of $2,142 for a net total of $4,800.

Mackall Motors offered a net bid of $4,994 for a Dodge truck but did not offer a breakdown. Mackall also bid $6,044 for a Ford truck with a trade of $1,045 for a net total of $4,999.

The specifications call for a 2-ton truck or larger, suitable for work on township roads, according to Simon C. Hall, clerk.

Some road work is expected to begin next week.

Richard Sanford, a trustee, will attend the State Trustees and Clerks Association convention Thursday through Saturday at Toledo.

Notices Due Delinquents On City's Tax

The city income tax department expects to mail notices Wednesday to delinquent taxpayers who failed to file estimates of their earned income for this year and pay the first quarterly installment of at least 25 per cent, D. G. Wilkinson, comissioner, said today.

Wilkinson said he still is uncertain how many notices will be mailed.

He pointed out the delinquents now must pay a $5 penalty in addition to the tax and interest. The penalty and interest went into effect June 4. The deadline originally was May 15 but it was extended until midnight June 3.

Meanwhile, Wilkinson said notices have been mailed to about 1,650 individuals whose income is not subject to withholding, reminding them the second quarterly payment is due by June 30.

The tax comissioner said he has received many queries from taxpayers concerning the notices.

He explained the tax didn't become effective until March 2, leaving only 10 months in the year. In order to allow for quarterly payments, the first installment covered only March and April and the second payment will cover the months of May and June.

The final two quarters will end on Sept. 30 and Dec. 31, he added.

Midland Firemen To Hold Carnival

Midland volunteer fire company No. 1 met Monday evening and set up its committees for its annual carnival to be held July 1-4 at the DPC lot on Railroad Ave. between 11th and 12th Sts.

He said Heckathorne Amusements of East Liverpool will provide rides. Tickets are on advance sale and may be obtained at a savings from any fireman or at Danny's Custard Stand.

Firemen met in their quarters in the Borough Building. Next meeting is July 9.

Italy's Premier Loses Ground In Vote Test

ROME (AP) — Italy's ruling Christian Democratic party lost ground today in returns from municipal elections that provided the first major vote test of Premier Amintore Fanfani's "turn to the left."

Fanfani had appealed for victory as an endorsement of his center-left national government formed three months ago. But final results from the 34 largest cities and towns in the election—representing 2,467,099 of the total 3 million votes cast—gave the four allied parties 49.3 per cent of the vote.

Control of the Rome City Council, biggest prize in the weekend balloting in 157 cities and towns, eluded Fanfani's alliance by one seat.

School Worker Hurt In Fall At Midland

Konstant Mereskevich, 72, of 54 Park Pl. E., Midland, a part-time custodian, fell from a ladder this morning about 8 at Lincoln High School and was reported in "fair" condition at Mercy Hospital at Pittsburgh.

He was admitted to emergency at Rochester General at 8:15, with a possible head injury, and was transferred to Mercy Hospital.

Supt. Ralph H. Jewell said it is not known how he happened to fall. He was working on a short ladder and fell four or five feet.

Council Sets Water Study At Salineville

SALINEVILLE — Further control over use of fire hydrants for flushing streets and filling swimming pools is to be studied by Council following complaints of effects on water pressure at a meeting Monday night.

Councilman John Beadnell reported water pressure in three hill areas is reduced when the hydrants are opened, and sediment collects in the lines and faucets in the hill homes as a result.

The recent filling of a swimming pool on Main St. — which took some 28,000 gallons in an hour and 20 minutes at a cost of about $18 — lowered pressure at the higher homes and left lines clogged, it was reported.

About 15 residents, many from the affected areas, attended the meeting. Mayor Stanley Fitch said that a planned flushing of Main St. to clear dust and dirt has been canceled because of the number of complaints.

In other action, Fitch was authorized to study ordinances to determine if there is a regulation forbidding heavy trucks from using side streets. Pete Growall, street supervisor, reported the need for metal catchbasin covers, and he and the mayor agreed to make some.

The mayor recommended the Village Hall revert to use of a coal furnace, citing the high costs —$750 a year — for the present gas conversion system. He is to obtain information on needs in connection with the plan, such as repairs to the cellar steps and installation of a coal hole.

Police Chief Roy Lewis, who resides at the Village Hall, agreed to fire the furnace.

Council also took under study proposals to finance operation of a Civil Defense rescue truck which has been turned over to the town, and is now housed with Eddie Catlett. Fire Chief Anthony Brandonisio has provided a battery for the vehicle, and Council plans to furnish operating funds.

Discussion was held on a proposed parking meter plan, but no action was taken. Mayor Fitch reported on surveys for the program, saying companies will furnish meters for about $60, and will take 50 per cent of the revenue until the equipment is paid off. He urged the meters as a source of needed village revenue.

Council authorized repairs to the Village Hall, including topping of the chimney by Dallas Bishop and painting of the eaves by Chief Lewis. Lewis was granted permission to umpire Little League games once or twice a week if he can be contacted in event of emergency.

Council also agreed to try long-service electric bulbs in the Village Hall, as proposed by a bulb salesman.

Gerald Finnie, minister of the Church of Christ, was advised the village will provide labor for oiling the street near his home if he furnishes the materials.

Mayor Fitch said a meeting will be held sometimes next week with a representative of the Madison Engineering Co. to duscuss the proposed sewage disposal plant and the current stage of planning.

The solicitor was asked to determine legal means by which funds could be set aside for maintenance of the road at the village dump.

Fitch announced a free public safety car check will be conducted Thursday and Friday nights on Washington St., sponsored by the Ruritan Club.

Finnie gave prayer.

Fire In Service Shop Eludes Explanation

After a three-hour check Monday, firemen remained without a clue to the cause of a fire in the service shop of the Sears Roebuck & Co. in Diamond Alley.

Chief Charles Bryan said firemen talked to the store's appliance repairman and employes in an effort to learn the cause of the blaze but they were unable to offer any explanation.

The storeroom was locked when the fire was discovered and employes used a key to open the building and then used extinguishers until firemen arrived.

Damage to both the building and the contents was slight, firemen said, estimating the total loss at less than $300.

Salvation Army Drive Opened By City Clerk

W. Edward Adkins, general chairman of the Salvation Army building fund campaign, announced today that $22,000 has been raised toward the goal of $115,410.

The industrial gifts and national companies divisions still are to report and many other divisions have just begun the campaign, he said.

The report shows: Schools, almost $1,000; commercial, over $2,000, professional, $3,100; special gifts, $6,650; Salvation Army Soldiery, $3,250, and Advisory Board, $2,350.

Suit Settled For $7,000

LISBON — The village and the Delse Co., doing business as the Del Construction Co., reached an out-of-court settlement for $7,000 Monday after prospective jurors had been called for trial of the case.

The Cleveland firm sued the village for $39,000 six years ago for extra work required in completing the sewer system for the new sewage disposal plant.

The firm offered the settlement yesterday and acceptance was recommended by counsel for the village, Solicitor Joseph Baronzzi and Atty. William Moore.

They said the sum was justified because of certain items the firm contributed over and above the contract, including slag, paving of Washington St. and replacement of curbs and other items that could not be avoided as the work progressed and all of which were outside the terms of the contract.

Council was called to determine if it wished to settle or take chances with a jury trial. Had the full amount been awarded, the village would have had to submit a levy or bond issue as only $7,000 remained in the fund for the project.

The jurors were dismissed by Judge Joel H. Sharp.

3 Teen-Agers Killed In Auto-Truck Crash

ZANESVILLE, Ohio (AP) — Three teen-agers, one the mother of two, were thrown from their car and killed Monday after the auto struck an oncoming auto transport truck on U.S. 22 about six miles southwest of here.

Killed were the driver of the car, Mrs. Lahoma F. Merola, 17, of Zanesville; her brother, James W. Spence, 14, of Rt. 1, Sego, and their cousin, Rosalie Wilson, 17, of Philo.

Officers said the youths had driven Mrs. Merola's mother to Sego and were returning to Zanesville.

The truck driver, Edd O. Davis, 30, of Muldraugh, Ky., was uninjured.

Girl Receives $30 Award At Youth's Camp

A Newell area girl won a $30 camp scholarship at the annual Hancock County Youth Conservation Camp Friday and Saturday at Tomlinson Run State Park in Pughtown.

Miss Leah Adams, 14, daughter of Mr. and Mrs. Frederick Adams of Washington School Rd., won the scholarship to Junior Nature Camp at Oglebay Park in Wheeling Aug. 12-18 for making the top score in a quiz on "Know Your Birds."

Miss Adams, a freshman at Wells High School, was sponsored by the Pleasantview Homemaker's Club of Washington School Rd.

Runners-up in the quiz on bird lore, which featured the weekend camp, were Sandra Martin of Weirton R. D. 1, second, and Joe Lawton of near Chester, third. They are alternates to the Junior Nature Camp.

There were 89 campers at the event, compared to 91 last year, according to Oliver Johnson, county agriculture agent.

The quiz on birds followed "bird walks" through the park Saturday morning. Johnson reported each group of youngsters spotted the red-eyed vireo, which he said is the most common bird east of the Mississippi, but not known by one person in 25.

James Arehart of Pughtown was camp director. There also was a Civil Defense demonstration.

Textile Workers End 6-Day Wildcat Strike

TOLEDO, Ohio (AP)—Members of Local 224, United Textile Workers of America, have voted to end their six-day wildcat walkout at the Textileather plant of the General Tire & Rubber Co. Grievances will be submitted to arbitration.

Some 850 employes were idled by the strike, which came in protest over the firing of a union steward. The end of the walkout came at a membership meeting Monday night.

Driver Jailed In Old Charge

A Newell man who pleaded guilty today in Municipal Court to a 10-month-old charge of driving while intoxicated was given a fine of 200 and costs, a 10-day City Jail sentence and a six-month suspension of his operator's permit.

Earl W. Daugherty, 49, of 505 Grant St. was sentenced on a charge filed Aug. 29, 1961, as an aftermath of a collision between his auto and a tractor-trailer at the East Liverpool end of the Chester Bridge.

Police took Daugherty into custody Thursday night on Dresden Ave. and he had been in jail since, unable to raise a $500 appearance bond. As a result, Judge Samuel M. Chertoff gave him credit for six days against the 10-day term.

Arraigned Friday, Daugherty asked a continuance in order to obtain counsel. So the judge set the bond and continued his case until today. However, he appeared this morning without an attorney.

Following the crash in which he was cited, Daugherty was admitted to City Hospital with a fractured arm and other injuries. Latter, he was transferred to a Pittsburgh hospital.

Council Sets Water Study At Salineville

SALINEVILLE — Further control over use of fire hydrants for flushing streets and filling swimming pools is to be studied by Council following complaints of effects on water pressure at a meeting Monday night.

Councilman John Beadnell reported water pressure in three hill areas is reduced when the hydrants are opened, and sediment collects in the lines and faucets in the hill homes as a result.

Barbara Held, Jack Lucas Marry In Rites At Midland

The Midland First Presbyterian Church was the scene of the marriage of Miss Barbara Held, daughter of Mr. and Mrs. James Held of Ohioville, and Jack William Lucas, son of Frank Lucas of Midland, June 3 at 2:30 o'clock.

The double ring ceremony was performed by the Rev. Robert Kulzer of Williamsport before an altar decorated with arrangements of pink and white gladioli and peonies, ferns and palms.

The nuptial music was played by Mrs. Kulzer. Charles Brown of Meadowbrook Estates was vocalist.

The bride, given in marriage by her father, was attired in a floor-length gown of nylon styled with a square scalloped neckline of lace and long tapered sleeves. Her bouffant skirt was fashioned with a front apron - effect trimmed with lace and iridescent sequins. A tiara of iridescent sequins held her four-tiered veil in place.

She carried a white Bible topped with an arrangement of white rosebuds and stephanotis. Her only jewelry was a crystal pendant. She observed the customs including a sixpence in her shoe which was brought from England by a friend.

Miss Ann Tepsic of Carnegie, niece of the bridegroom, was maid of honor. She wore a light blue ballerina length dacron sheath gown featuring a boat neckline and three-quarter length sleeves. The detachable dacron overskirt had a back bow ending in long streamers. Her headpiece was a circular band with matching veil.

The bridesmaids were Miss Helen Bochese of Apollo, cousin of the bride, and Victoria Yukich of Midland. They wore gowns identical to that of the maid of honor. All the attendants carried colonial bouquets of pink carnations and pink rosebuds and wore pearl earrings, pendants and white gloves, gifts of the bride.

The bride's mother wore a light blue lace dress with white accessories and a white gardenia corsage.

Hollywood's Star System Hit After Film's Canceled

HOLLYWOOD (AP) — Hollywood's star system came in for sharp criticism today following 20th Century-Fox's decision to give up on, "Something's Got to Give."

Executive Vice President Peter Levathes announced cancellation of the film Monday night. The development was preceded by the sacking of Marilyn Monroe on Friday and co-star Dean Martin's subsequent refusal to work without her.

Levathes was terse in his announcement, saying only that the move was reluctantly made.

But the boss of another studio comented: "The star system has got way out of hand. We've let the inmates run the asylum and they've practically destroyed it."

Members of the crew assigned to the Monroe-Martin vehicle said they hoped to run an ad in the trade papers headed: "Thanks, Dean and Marilyn, for putting us out of work."

Miss Johnson, who is 35-22-35, sang and danced and played the piano. She came to Cleveland a year ago from Washington Court House.

Hollywood's Star System Hit After Film's Canceled

HOLLYWOOD (AP) — Hollywood's star system came in for sharp criticism today following 20th Century-Fox's decision to give up on, "Something's Got to Give."

Executive Vice President Peter Levathes announced cancellation of the film Monday night. The development was preceded by the sacking of Marilyn Monroe on Friday and co-star Dean Martin's subsequent refusal to work without her.

Levathes was terse in his announcement, saying only that the move was reluctantly made.

But the boss of another studio comented: "The star system has got way out of hand. We've let the inmates run the asylum and they've practically destroyed it."

Members of the crew assigned to the Monroe-Martin vehicle said they hoped to run an ad in the trade papers headed: "Thanks, Dean and Marilyn, for putting us out of work."

Marlow Russell is president.

Boy Scouts Take Homemade Raft Cruise On Creek

Eight members of Boy Scout Troop 76 of the Calcutta United Presbyterian Church made a raft trip down Beaver Creek from Fredericktown to Grimms Bridge Saturday.

The youths traveled on rafts they had made from inner tubes and boards. They also made their own paddles.

They were accompanied by Jack Knight and Garry Knight, members of the Boy Scout Troop at Negley.

They halted at noon for lunch. They caught fish and cooked them. In making the trip, the youths passed the nature portion of their second class training. Troop members making the trip were James Cross, Carl Campbell, Joe Wright, Bob Morris, Bob Beaver, Mike Packman, Bill Torrence and Phil Campbell.

Adult leaders making the trip were Bill Packman, scoutmaster; Jim Cross, assistant scoutmaster; Ed Campbell, outdoor activities committeeman; the Rev. Thomas Clyde, Roy Collins and Mike Campbell.

Principal Given Tributes At End Of Long Career

Miss Isa Anderson, principal of Wellsville McKinley School, who has retired after 36 years of teaching, was honored three times in the past week.

At the end of the year party Friday, she was presented gifts by pupils of the building. Pupils of her fourth grade gave her gifts Thursday. A white angel food cake and a cake inscribed with "Happy Retirement," baked by the mothers, marked the occasion.

Faculty members and students gave her a gift and cards from each room signed by each students were presented to Miss Anderson Wednesday.

Miss Anderson, who served 27 years as principal, also has received an honor award for over 25 years' service from the Teachers Association with the national, state and local seals.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Why do you judge everyone by yourself? Just because YOU don't want people to drop in to visit, why assume everyone shares your point of view?

We live close to Seattle. When we heard of plans for the Fair we were thrilled. It meant we would have company. In former years we battled the heat and long distances to spend time with old friends. This year we plan to stay at home and wait for people to come to US.

We have sent invitations to everyone and anyone we feel might be able to make the trip. We may not have a room for one and all but we will surely have a bed and plenty to eat.

Please print our names in the paper in case we missed somebody. We love company and would love to have scads of visitors this summer. ——.

-:-

Dear Big-Hearted Folks: I wouldn't dream of printing even your initials. Do you know that approximately 35 million people read this column every day:

Let's set the record straight. I am not opposed to ALL company. I object only to the uninvited variety.

You sent invitations to everyone you could think of? Well, these people, then, are invited guests. And there's a world of difference between an invited guest and a passing pedestrian who knows how to ring a doorbell.

Displaced By Son

Dear Ann: I was happy to see you deal with a subject which has been considered taboo. I refer to the mother who shared a bedroom with her 15-year-old son.

We have a similar problem in our family. I've never discussed this with anyone because I'm ashamed to admit that my husband and I have not shared a bedroom for the last six years.

Our 15-year-old son insists on sleeping with his father. They have a large bedroom with twin beds.

My husband is fed up with this arrangement and feels that the boy should have his own room and that he and I should have our bedroom back. Whenever he brings up the subject the boy becomes upset and says he wants things left as they are.

What can we do about this? — OHIO MOTHER.

-:-

Dear Ohio: You and your husband can get into the driver's seat where you belong. TELL the boy he's going to have his own room tomorrow. Then see that he has it.

Married people are supposed to sleep with each other and not with their children.

A Brickbat

Dear Ann: My husband and I enjoy your column immensely but you have an annoying habit we wish you'd drop.

Why must you call people "Buster," "Bub," "Buttercup" "Toots"? Recently you called a woman "Lamb Chop."

We like your advice but these flip little names you attach to readers are a bit too much. Since many of your readers are older than you we respectfully suggest that you modify your language. It would make your column far more dignified. — JUST FOLKS.

-:-

Dear Folks: Thank you for the criticism. The next letter is from a reader who also has another opinion on the subject.

A Bouquet

Dear Ann: I am a clergyman who likes your column because you are wise but not all-knowing. You are a moralist but not self-righteous. You are forthright but never crude.

Most of all I like your manner of expression. Who but Ann Landers could quote the scriptures in one paragraph and sign off with, "Watch it, Petunia, you've got a one-track mind and the traffic is light."

Don't ever change. — AVID WISCONSIN READER.

Ann Landers will ge glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Newlywed Irondale Pair Establish Bermuda Home

Following a motor tour through Pennsylvania and West Virginia mountains, Airman 1C and Mrs. Edward Scott Patton, newlyweds, are residing in St. Georges, Bermuda.

Mrs. Patton, the former Linda Kay Russell, is the daughter of Mr. and Mrs. Clyde J. Russell of Irondale. Her husband is the son of Mr. and Mrs. Raymond E. Patton, also of Irondale.

The open church wedding was performed May 27 at 6 o'clock in the Irondale Methodist Church by the Rev. H. Dean McElroy before and altar decorated with palms and candles. Miss Nadene Barnes played a half-hour of nuptual music before the ceremony.

Given in marriage by her father, the bride appeared in a white gown of taffeta styled with fitted beaded bodice, boat neckline and long pointed sleeves. The dome-shaped skirt ended in a chapel train. Her bouffant silk illusion veil was held in place by a pearl and sequin - studded crown.

The bridal bouquet was an arrangement of white carnations and rosebuds, centered with an orchid. Her only jewelry was pearl earrings, a gift of the bridegroom. She observed the traditional wedding customs and wore a six-pence in her shoe.

Mrs. Suzanne Anderson of Granby, Conn., sister of the bride, was matron of honor. Bride maids were Joan Russell, sister of the bride, and Diane Patton, sister of the bridegroom.

The matron of honor was attired in a turquoise gown styled with scoop neckline, short sleeves and fitted cummerband. Her full skirt featured a bow trim on the waist in the back. Her headpiece was a matching circlet crown. She carried a colonial bouquet of white carnations, edged to match her gown.

MRS. EDWARD PATTON
She's Serviceman's Bride.

The bridesmaids were attired in blush pink gowns identical to that of the maid of honor and their headpieces matched their gowns. They carried colonial bouquets of white carnations edged in pink.

Charles T. Hoobler was best man and ushers were Jeffrey Wardeska and Curtis Rose. Douglas Patton, brother of the bridegroom, was ring-bearer.

A reception was held in the church social rooms. Guests were from Connecticut, Cleveland, Akron, Youngstown, Aliquippa, Lisbon, Steubenville, Toronto, Chevy Chase, Md., and Salineville.

The bride is a 1962 graduate of Stanton High School and her husband is a 1951 graduate of the same high school. He attended Kent State University and now is serving in the Air Force at Kindley Field, Bermuda.

New Pastors Named For 3 Area Pulpits

Three Hancock County churches were assigned new ministers at the five-day annual meeting of the West Virginia Conference of the Methodist Church which ended Sunday in Buckhannon.

The Rev. Ralph H. Hederick, who has served two churches in Wheeling, was assigned as new minister of the Newell church to fill a vacancy created by the assignment earlier of the Rev. Ellsworth D. Crispens to Dunbar, Pa.

The Rev. Herman Ross was named a supply pastor in New Cumberland and the Rev. J. Q. Geiger Jr. was named as minister of the Weirton Christ church.

The conference also reappointed Talmage Mallory as district superintendent.

Twelve Northern Panhandle the West Virginia Conference from the Western Pennsylvania area. They include those churches in Hancock and Brooke Counties.

The new minister of the Newell church is expected to begin duties Sunday.

34 At Newell School To Receive Diplomas

The 34-member Senior Class of Wells High School will receive diplomas in annual commencement exercises tonight at 8 in the school in Newell.

Student speakers will include Karen Simmons, Thelma Mehaffey, Carole Wurzel and Janet Robison. Cassandra Wells will give the invocation.

Principal E. Russell Slack will present the class, and diplomas will be awarded by J. Fred Allison, member of the Hancock County Board of Education.

The auxiliary will hold "open house" at the American Legion Post 114 home for parents and graduates following the commencement program.

MATCHES ARE MAGIC!

Yes, Mom and Dad, in the eyes of your child, matches *are* magic!

Turn back your mind a few years. Do you remember how brave and scary you felt when you took matches from the holder beside the stove and lit the dry grass in the vacant lot?

But the real scare came when the fire got too big and you tried to stamp it out, but couldn't? Then you knew that the soot on your clothes and the burns on your legs would give you away.

But how about the fire itself?

Every year, children playing with matches start hundreds of fires that cost thousands of dollars and untold pain and damage besides.

Smokey says this needless waste can be stopped. Won't you PLEASE:

1. Keep matches away from your little ones.
2. Teach your older children to be careful with every fire.
3. Show them the damage that fires can do.

Remember- only YOU can
PREVENT FOREST FIRES!

South Carolina Goes To Polls In Primary Vote

COLUMBIA, S.C. (AP) — The battle between South Carolina's political giants reached the ballot box stage today with Democratic primary voters choosing between incumbent U.S. Sen. Olin D. Johnson and challenger Gov. Ernest F. Hollings.

Primary voters are also—in effect—electing a governor from among five candidates and deciding contests for five other lesser state offices. Few political experts were willing to predict the outcome of the Senate and governor race.

Republicans are not holding a primary, but in convention nominated W. D. Workman Jr., Columbia syndicated newspaper columnist, for the U.S. Senate, and a former Democrat, State Rep. Floyde Spence of Lexington, for Congress from the 2nd District.

Donald Russell, a former assistant U.S. secretary of state under James F. Brynes and Lt. Gov. Burnet R. Maybank, son of the late U.S. Sen. Burnet Maybank, were regarded as the strongest candidates in the five-way race for governor.

There was opposition in the Democratic primary for two of the state's six congressmen—Rep. Robert T. Ashmore of the 4th District and Rep. John L. McMillan of the 6th. Five Democrats sought to be nominated to the 2nd District seat, to be vacated in January by the widow of Rep. John J. Riley.

Ohioview Church Women To Meet

The Women of the Church of the Ohio View Lutheran Church will meet June 19 at 8:15 p.m. in the Fellowship Hall and Mrs. Joseph Fiediga will present the program and Mrs. Eleanor Wagoner devotions.

The Senior Luther League of the church will meet Sunday at 7 p.m. in the hall.

Sacraments of Holy Communion will be observed Sunday at the 8:45 and 11 a.m. services. A special dowry offering for the new Lutheran Church in American merger will be received.

Mrs. Laco Shreve, director of the Daily Vacation Bible School, announced that 112 pupils were enrolled Monday at the church. Mrs. James N. Servey and Mrs. John Little were accepted as new teachers. The theme of the school is "Let's Learn About God." The school is held daily from 9:30 to 11:30, Monday through Friday.

Rev. Servey and lay delegate John Waddell Jr. are attending the Pittsburgh Synod convention at Thiel College, Greenville, for three days. They are expected back Wednesday evening.

Chester License Sale Receipts Hit $22,000

Chester City Clerk Roy Cashdollar announced today Chester city driver's licenses and business and professional licenses went on sale today at City Hall for the fiscal year beginning July 1.

He said the business and professional licenses carry a 10 per cent penalty if not paid by July 10. The driver's licenses may be obtained by mailing a check or money order and including a self-addressed stamped envelope. The fee is $2.

Familiar Chime In Pay Phones To Be Silent Soon

NEW YORK (AP) — One more familiar sound of modern living is headed for oblivion.

In place of the chime that sounds when you drop a coin into the pay telephone will be—silence on the caller's end of the line, at least.

The disappearance of chimes will take place over a period of several years. A new model of the pay phone is being tested in the Norfolk, Va. vicinity. When tests are complete and changes made, the new phones will begin to appear across the country.

The American Telephone and Telegraph Co. expects to use the new models in replacing worn or damaged phones and also in new installations.

At first the new model will be a two-tone gray with chrome finishings. Instead of separate slots for nickels, dimes and quarters, there will be only one in the upper left hand corner of the instrument. A lever instead of a push-button will release bent coins.

Jury Tries $10,000 Suit On 'Wirey' Hash

LISBON — Testimony is expected to be completed today before a jury in Common Pleas Court in the $10,000 personal damage suit of Raymond Reese, 226 W. Washington St., against Hillyers IGA Foodliner. He claims a beef hash lunch served him Nov. 30, 1960, contained a piece of wire that caused permanent scar tissue in his throat.

Judge Raymond S. Buzzard swore in the following jury Monday:

Helen D. Williams, Georgiana Roush, Martha Simms, Harold D. Campbell, Janice Kolhmann, Ora Peterlin and Myrtle Plant of East Liverpool; John Hilliars, Mary Whitehill, Freda Stokesberry and Raymond Coppock of Salem and Ruth Daiger of Lisbon. Gail Hill of New Waterford is alternate.

Leftist Terry Takes Over Lead In Peru's Vote

LIMA, Peru (AP)—Leftist Fernando Belaunde Terry forged out front today in most unofficial counts of Peru's presidential election but the three front runners remained close together. The final decision may be up to Congress.

Belaunde, 50, claimed victory even before the complete returns were tabulated after one of the most turbulent campaigns in the history of this Andean nation.

With seven candidates in the field, the top man must get 30 per cent of the vote plus one vote for election. Otherwise Congress chooses the president. Belaunde's vote in most tabulations was hovering around the 33 per cent mark.

Belaunde's two leading opponents—ex-dictator Manuel Odria, 66, and anti-Comunist leftist Victor Raul Haya de la Torre, 67—were not conceding.

Wellsville Woman Attends Church Event

Mrs. William Morrow of 18th St., Wellsville, is representing the Wellsville Evangelical United Brethren Church at the 12th annual session of Ohio East Conference now in progress at Linwood Park, near Vermillion.

This is the fourth consecutive year she has been a delegate. She is a member of the committee on missions.

The theme of the conference, which opened Sunday and will continue through Wednesday, is "Our Unity In Ecumenical Relations."

The Ohio East Conference is headed by Bishop Paul M. Herrick of the Central Area.

Please print our names in the paper in case we missed somebody. We love company and would love to have scads of visitors this summer. ——.

-:-

Dear Big-Hearted Folks: I wouldn't dream of printing even your initials. Do you know that approximately 35 million people read this column every day:

Let's set the record straight. I am not opposed to ALL company. I object only to the uninvited variety.

You sent invitations to everyone you could think of? Well, these people, then, are invited guests. And there's a world of difference between an invited guest and a passing pedestrian who knows how to ring a doorbell.

Displaced By Son

Dear Ann: I was happy to see you deal with a subject which has been considered taboo. I refer to the mother who shared a bedroom with her 15-year-old son.

We have a similar problem in our family. I've never discussed this with anyone because I'm ashamed to admit that my husband and I have not shared a bedroom for the last six years.

Our 15-year-old son insists on sleeping with his father. They have a large bedroom with twin beds.

My husband is fed up with this arrangement and feels that the boy should have his own room and that he and I should have our bedroom back. Whenever he brings up the subject the boy becomes upset and says he wants things left as they are.

What can we do about this? — OHIO MOTHER.

-:-

Dear Ohio: You and your husband can get into the driver's seat where you belong. TELL the boy he's going to have his own room tomorrow. Then see that he has it.

Married people are supposed to sleep with each other and not with their children.

A Brickbat

Dear Ann: My husband and I enjoy your column immensely but you have an annoying habit we wish you'd drop.

Why must you call people "Buster," "Bub," "Buttercup" "Toots"? Recently you called a woman "Lamb Chop."

We like your advice but these flip little names you attach to readers are a bit too much. Since many of your readers are older than you we respectfully suggest that you modify your language. It would make your column far more dignified. — JUST FOLKS.

-:-

Dear Folks: Thank you for the criticism. The next letter is from a reader who also has another opinion on the subject.

A Bouquet

Dear Ann: I am a clergyman who likes your column because you are wise but not all-knowing. You are a moralist but not self-righteous. You are forthright but never crude.

Most of all I like your manner of expression. Who but Ann Landers could quote the scriptures in one paragraph and sign off with, "Watch it, Petunia, you've got a one-track mind and the traffic is light."

Don't ever change. — AVID WISCONSIN READER.

Ann Landers will ge glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Newlywed Irondale Pair Establish Bermuda Home

Following a motor tour through Pennsylvania and West Virginia mountains, Airman 1C and Mrs. Edward Scott Patton, newlyweds, are residing in St. Georges, Bermuda.

Mrs. Patton, the former Linda Kay Russell, is the daughter of Mr. and Mrs. Clyde J. Russell of Irondale. Her husband is the son of Mr. and Mrs. Raymond E. Patton, also of Irondale.

The open church wedding was performed May 27 at 6 o'clock in the Irondale Methodist Church by the Rev. H. Dean McElroy before and altar decorated with palms and candles. Miss Nadene Barnes played a half-hour of nuptual music before the ceremony.

Given in marriage by her father, the bride appeared in a white gown of taffeta styled with fitted beaded bodice, boat neckline and long pointed sleeves. The dome-shaped skirt ended in a chapel train. Her bouffant silk illusion veil was held in place by a pearl and sequin - studded crown.

The bridal bouquet was an arrangement of white carnations and rosebuds, centered with an orchid. Her only jewelry was pearl earrings, a gift of the bridegroom. She observed the traditional wedding customs and wore a six-pence in her shoe.

Mrs. Suzanne Anderson of Granby, Conn., sister of the bride, was matron of honor. Bride maids were Joan Russell, sister of the bride, and Diane Patton, sister of the bridegroom.

The matron of honor was attired in a turquoise gown styled with scoop neckline, short sleeves and fitted cummerband. Her full skirt featured a bow trim on the waist in the back. Her headpiece was a matching circlet crown. She carried a colonial bouquet of white carnations, edged to match her gown.

MRS. EDWARD PATTON
She's Serviceman's Bride.

The bridesmaids were attired in blush pink gowns identical to that of the maid of honor and their headpieces matched their gowns. They carried colonial bouquets of white carnations edged in pink.

Charles T. Hoobler was best man and ushers were Jeffrey Wardeska and Curtis Rose. Douglas Patton, brother of the bridegroom, was ring-bearer.

A reception was held in the church social rooms. Guests were from Connecticut, Cleveland, Akron, Youngstown, Aliquippa, Lisbon, Steubenville, Toronto, Chevy Chase, Md., and Salineville.

The bride is a 1962 graduate of Stanton High School and her husband is a 1951 graduate of the same high school. He attended Kent State University and now is serving in the Air Force at Kindley Field, Bermuda.

New Pastors Named For 3 Area Pulpits

Three Hancock County churches were assigned new ministers at the five-day annual meeting of the West Virginia Conference of the Methodist Church which ended Sunday in Buckhannon.

The Rev. Ralph H. Hederick, who has served two churches in Wheeling, was assigned as new minister of the Newell church to fill a vacancy created by the assignment earlier of the Rev. Ellsworth D. Crispens to Dunbar, Pa.

The Rev. Herman Ross was named a supply pastor in New Cumberland and the Rev. J. Q. Geiger Jr. was named as minister of the Weirton Christ church.

The conference also reappointed Talmage Mallory as district superintendent.

Twelve Northern Panhandle the West Virginia Conference from the Western Pennsylvania area. They include those churches in Hancock and Brooke Counties.

The new minister of the Newell church is expected to begin duties Sunday.

34 At Newell School To Receive Diplomas

The 34-member Senior Class of Wells High School will receive diplomas in annual commencement exercises tonight at 8 in the school in Newell.

Student speakers will include Karen Simmons, Thelma Mehaffey, Carole Wurzel and Janet Robison. Cassandra Wells will give the invocation.

Principal E. Russell Slack will present the class, and diplomas will be awarded by J. Fred Allison, member of the Hancock County Board of Education.

The auxiliary will hold "open house" at the American Legion Post 114 home for parents and graduates following the commencement program.

Clerk Resigns Post

NEW CUMBERLAND — Miss Anna McNeil, 1013 3rd Ave., has resigned as a clerk in the Hancock County Courthouse after over 20 years service. She is moving to Phoenix, Ariz.

Rusk Due Honorary Degree At Oxford U.

WASHINGTON (AP) — Secretary of State Dean Rusk will receive an honorary doctor's degree from England's Oxford University, diplomatic sources reported Monday.

Rusk will receive his honorary title when he visits Britain later this month on a 10-day tour of Western Europe. As a Rhodes scholar, he received a master's degree from Oxford's St. John's College.

MATCHES ARE MAGIC!

Yes, Mom and Dad, in the eyes of your child, matches *are* magic!

Turn back your mind a few years. Do you remember how brave and scary you felt when you took matches from the holder beside the stove and lit the dry grass in the vacant lot?

But the real scare came when the fire got too big and you tried to stamp it out, but couldn't? Then you knew that the soot on your clothes and the burns on your legs would give you away.

But how about the fire itself?

Every year, children playing with matches start hundreds of fires that cost thousands of dollars and untold pain and damage besides.

Smokey says this needless waste can be stopped. Won't you PLEASE:

1. Keep matches away from your little ones.
2. Teach your older children to be careful with every fire.
3. Show them the damage that fires can do.

Remember- only YOU can
PREVENT FOREST FIRES!

South Carolina Goes To Polls In Primary Vote

COLUMBIA, S.C. (AP) — The battle between South Carolina's political giants reached the ballot box stage today with Democratic primary voters choosing between incumbent U.S. Sen. Olin D. Johnson and challenger Gov. Ernest F. Hollings.

Primary voters are also—in effect—electing a governor from among five candidates and deciding contests for five other lesser state offices. Few political experts were willing to predict the outcome of the Senate and governor race.

Republicans are not holding a primary, but in convention nominated W. D. Workman Jr., Columbia syndicated newspaper columnist, for the U.S. Senate, and a former Democrat, State Rep. Floyde Spence of Lexington, for Congress from the 2nd District.

Donald Russell, a former assistant U.S. secretary of state under James F. Brynes and Lt. Gov. Burnet R. Maybank, son of the late U.S. Sen. Burnet Maybank, were regarded as the strongest candidates in the five-way race for governor.

There was opposition in the Democratic primary for two of the state's six congressmen—Rep. Robert T. Ashmore of the 4th District and Rep. John L. McMillan of the 6th. Five Democrats sought to be nominated to the 2nd District seat, to be vacated in January by the widow of Rep. John J. Riley.

Ohioview Church Women To Meet

The Women of the Church of the Ohio View Lutheran Church will meet June 19 at 8:15 p.m. in the Fellowship Hall and Mrs. Joseph Fiediga will present the program and Mrs. Eleanor Wagoner devotions.

The Senior Luther League of the church will meet Sunday at 7 p.m. in the hall.

Sacraments of Holy Communion will be observed Sunday at the 8:45 and 11 a.m. services. A special dowry offering for the new Lutheran Church in American merger will be received.

Mrs. Laco Shreve, director of the Daily Vacation Bible School, announced that 112 pupils were enrolled Monday at the church. Mrs. James N. Servey and Mrs. John Little were accepted as new teachers. The theme of the school is "Let's Learn About God." The school is held daily from 9:30 to 11:30, Monday through Friday.

Rev. Servey and lay delegate John Waddell Jr. are attending the Pittsburgh Synod convention at Thiel College, Greenville, for three days. They are expected back Wednesday evening.

Chester License Sale Receipts Hit $22,000

Chester City Clerk Roy Cashdollar announced today Chester city driver's licenses and business and professional licenses went on sale today at City Hall for the fiscal year beginning July 1.

He said the business and professional licenses carry a 10 per cent penalty if not paid by July 10. The driver's licenses may be obtained by mailing a check or money order and including a self-addressed stamped envelope. The fee is $2.

Familiar Chime In Pay Phones To Be Silent Soon

NEW YORK (AP) — One more familiar sound of modern living is headed for oblivion.

In place of the chime that sounds when you drop a coin into the pay telephone will be—silence on the caller's end of the line, at least.

The disappearance of chimes will take place over a period of several years. A new model of the pay phone is being tested in the Norfolk, Va. vicinity. When tests are complete and changes made, the new phones will begin to appear across the country.

The American Telephone and Telegraph Co. expects to use the new models in replacing worn or damaged phones and also in new installations.

At first the new model will be a two-tone gray with chrome finishings. Instead of separate slots for nickels, dimes and quarters, there will be only one in the upper left hand corner of the instrument. A lever instead of a push-button will release bent coins.

Jury Tries $10,000 Suit On 'Wirey' Hash

LISBON — Testimony is expected to be completed today before a jury in Common Pleas Court in the $10,000 personal damage suit of Raymond Reese, 226 W. Washington St., against Hillyers IGA Foodliner. He claims a beef hash lunch served him Nov. 30, 1960, contained a piece of wire that caused permanent scar tissue in his throat.

Judge Raymond S. Buzzard swore in the following jury Monday:

Helen D. Williams, Georgiana Roush, Martha Simms, Harold D. Campbell, Janice Kolhmann, Ora Peterlin and Myrtle Plant of East Liverpool; John Hilliars, Mary Whitehill, Freda Stokesberry and Raymond Coppock of Salem and Ruth Daiger of Lisbon. Gail Hill of New Waterford is alternate.

Leftist Terry Takes Over Lead In Peru's Vote

LIMA, Peru (AP)—Leftist Fernando Belaunde Terry forged out front today in most unofficial counts of Peru's presidential election but the three front runners remained close together. The final decision may be up to Congress.

Belaunde, 50, claimed victory even before the complete returns were tabulated after one of the most turbulent campaigns in the history of this Andean nation.

With seven candidates in the field, the top man must get 30 per cent of the vote plus one vote for election. Otherwise Congress chooses the president. Belaunde's vote in most tabulations was hovering around the 33 per cent mark.

Belaunde's two leading opponents—ex-dictator Manuel Odria, 66, and anti-Comunist leftist Victor Raul Haya de la Torre, 67—were not conceding.

Wellsville Woman Attends Church Event

Mrs. William Morrow of 18th St., Wellsville, is representing the Wellsville Evangelical United Brethren Church at the 12th annual session of Ohio East Conference now in progress at Linwood Park, near Vermillion.

Out Of The Air

By ALAN GILL

TV Detective Sparked By Residuals

When America went to war in December 1941 a good many lives were -- to say the least — disrupted. Among those to feel the full impact of the event were the ferret-eyed, lumpy-nosed, snarly-lipped men who played all the gangster roles in Hollywood movies.

Alan Gill

"The war sure put us out of business," Horace McMahon was saying over lunch the other day, as he ticked off the names of his confreres in crime.

"Allen Jenkins — he still gets parts. Frank Jenks is gone. (Sigh.) Sheldon Reynolds a producer." (Sigh.) On and on the underworld litany went.

-:-

MR. McMAHON, as you know, has (sigh) gone over to the right side of the law and is now in his third season as the tough-minded, soft-hearted Lt. Mike Parker of ABC's marathon crime series, "Naked City."

"What kind of police officer are you?" he was asked.

Mr. McMahon's darkly puckered eyes glared over the little half-moon glasses — they sit far down on his cauliflower nose — and uttered the following: "I'll tell you what kind of lieutenant I am. I book 'em, I pin the rap on 'em, and then I let 'em go."

"Are you having a good time doing the series?" he was asked.

"Residuals," he said mysteriously, flicking a cigarette ash down his lapel.

"Isn't three years a long, long time?"

"Residuals," he repeated.

-:-

WHEN WORLD WAR II prompted Mr. McMahon to put away his panama hat, his toothpick and his shoulder holster, he took to enteraining troops at camps and bases and he's still at it, making the rounds of veterans hospitals across the country, mostly telling yarns of TV cops and robbers.

Being a convivial man, he tells the same stories at the various organizations to which he belongs: the Police Square Club of Connecticut, the Sports Lodge of B'nai Brith, the Catholic Actors Guild, the Knights of Columbus; "everything but the John Birch Society."

-:-

WHEN HE FIRST tried out for the "Naked City" part — "Boy, was I lousy! I hand't gotten the script changes. The poolroom set had been changed to an alley set because they couldn't get the poolroom. Besides it was a matinee day at 'Say, Darling' and I was tired and — well, I was OFF.

"John McIntire got the part. When John left a couple of years ago, my name came up and everybody hollered 'No!' Well, I got it, but believe me, it was over the dead bodies of all the people who caught me the first time out."

But long before "Naked City" and long after the movie gangster and USO years, McMahon returned to Broadway and wore his first silver shield. The role was that of Lt. Monoghan in Sidney Kingsley's "Detective Story."

-:-

"SIDNEY," he recalled, "wrote the part for a heavy-set old man, but the heavy - set old man they had rehearsing in it wasn't right, so they fastened on me.

"At the final curtain, you remember, Sidney had Ralph Bellamy, the hero, dying of gunshot wounds and reciting the 'Hail Mary.' 'Sidney,' I told him, 'it's the wrong prayer.' 'What's the right one, then?' I told him the 'Act of Contrition.' 'Let's hear it.' So I told him. 'You sure?' he said.

"So I went over to St. Malachy's to Msgr. O'Reilly, who was still living then, and I came back with the prayer all written out and gave it to Sidney and told him it came straight from the monsignor.

-:-

"AT THE REHEARSAL a couple of days later, Sidney slipped it in and there was Ralph goin' down saying the 'Act.' Howard Lindsay, who was coproducing the show, came runnin' down the aisle saying, 'That's great, a wonderful piece of writing. Who wrote it?' 'Some monk somewhere, how'd I know?' I told him.

"And you know, that was a terrific curtain!"

Sidney Kinglsey has a new play coming out next season, I mentioned.

"Sidney wants me in it," McMahon said.

"Will you do it?"

He peered over the slivers of glass and said, "Residuals, remember?"

Police Quiz Man, 52, In Fatal Shooting

CAMBRIDGE, Ohio (AP) — Police here are questioning a 52-year-old Guernsey County man about the sudden fatal shooting Monday night o one man and the wounding of another.

Held is Garnett Bailey, who was arrested at his home near here about an hour after Robert Eaton of Cambridge was shot in the head in a neighborhood tavern.

Police said the bullet passed through Eaton's head and struck Harold Seaton, 62, of Near Cambridge, a by-stander.

Cause of the outbreak has not been determined. However, witnesses said one man suddenly stood up and yelled, "Is there a man in the house?"

Eaton arose and said he was. Those were the last words he spoke. The first man pulled a gun, shot Eaton and fled from the tavern, witnesses said.

Church Camp Aides Chosen

Seven counselors have been named to assist the Rev. Robert Thompson of Smithfield, director, this week at the Senior High camping session at Beaver Creek United Presbyterian Camp at Grimms Bridge. Thirty - three young people have registered.

The counselors include the Rev. Mark Allen of Toronto, the Rev. Moss Rutan of Mingo Junction, Carl Ruthem of Smithfield, Francis Poe of Bloomingdale and Mrs. William H. Smith, Miss Cathy Baumgarner and Miss Lysbeth J. Arner, all of East Liverpool.

Bible study, on a conference level, will include three subjects, "How To Read the Bible," "Basic Christian Beliefs" and "Risk of Being a Presbyterian."

Tom Haney, a student at Westminster College at New Wilmington, and Carolyn Penn of Muskingum College at New Concord, are swimming director and craft director, respectively, for the summer camp sessions.

The camp is sponsored by the Mahoning and Steubenville Presbyteries.

Purse Snatcher Winds Up 'Short Changed'

CINCINNATI (AP) — This was one thief who didn't quite know what he was doing when he tried to victimize an elderly Cincinnati woman Monday night. Mrs. Anna Klumper, 85, said a youth grabbed her purse containing $952 and fled.

But the thief took out her change purse—containing only a few dollars in coins — and threw the larger purse away. The purse was found with $590 intact and returned by police to the woman.

Keep In Trim

By IDA JEAN KAIN

Overweight Child Dislikes Exercise

A 9-year-old in Portland, Oregon, is well on her way to gaining fame by losing weight. Her success with budgeting calories has already helped two other youngsters to tackle their weight problem. Now comes a letter from a mother 3,000 miles away from Kay. Inspired by our model's example, she writes:

Ida Jean Kain

"My daughter and I read with interest your article about roly-poly Kay who has now slimmed down. My daughter is age 11 and has gone from normal weight up to 110 in the past year and a half. She has a definite problem due to the fact she loves to eat and hates any type of exercise.

"She is a straight A student and chooses to spend her time reading or working on school projects.

—:—

"RECENTLY I find she is changing from a well adjusted girl to a child who cries over nothing. I long to help her. I can remember back to the time when I was an overweight child. I had many unhappy days and I only hope I can help my daughter before she has to suffer from remarks of others.

"I believe I have her cooperation and that is half the battle. I would love to hear from you. I only hope that I have something happy to report in a few months as Kay's mother did."

Cheers! Indeed the battle is half won for this youngster! At 11, she is in her fast growing years. This means that she will shoot up in height which will allow her to be ideal weight at a somewhat higher figure.

In fact, almost everything is in her favor. Vacation is coming up which frees her from study and allows time for physical activity. Play activity is as important as the diet.

True, this pre - teen shies away from exercise — but probably more from embarrassment in competing with other children than from lack of interest. In order to excel, she has studied hard and made a fine school record.

But active play is essential and summertime practically coaxes a child out of doors. If she is reluctant to compete with others, why not set up some game equipment in her own backyard, where she can have a workout at any time of day without inhibitions from shyness or lack of know-how?

Enocurage her to acquire skill at games and she will come out of herself and be happy. On the weight score, she can easily take off 15 to 18 pounds this summer and, by fall, be slim enough to want to join a dance or other exercise group with youngsters her own age.

—:—

HER GREATEST asset is the mother with the understanding heart — this child is not alone with a problem. She has a partner who fought and won such a battle some years ago.

Summer is the time when eating for slim, good health is a natural. With all the delicious fresh fruits and vegetables, made to order for low calorie meals, there is no need for monotony in the menus and every reason for success in slimming.

Out Of The Air

By ALAN GILL

TV Detective Sparked By Residuals

When America went to war in December 1941 a good many lives were -- to say the least — disrupted. Among those to feel the full impact of the event were the ferret-eyed, lumpy-nosed, snarly-lipped men who played all the gangster roles in Hollywood movies.

Alan Gill

"The war sure put us out of business," Horace McMahon was saying over lunch the other day, as he ticked off the names of his confreres in crime.

"Allen Jenkins — he still gets parts. Frank Jenks is gone. (Sigh.) Sheldon Reynolds a producer." (Sigh.) On and on the underworld litany went.

-:-

MR. McMAHON, as you know, has (sigh) gone over to the right side of the law and is now in his third season as the tough-minded, soft-hearted Lt. Mike Parker of ABC's marathon crime series, "Naked City."

"What kind of police officer are you?" he was asked.

Mr. McMahon's darkly puckered eyes glared over the little half-moon glasses — they sit far down on his cauliflower nose — and uttered the following: "I'll tell you what kind of lieutenant I am. I book 'em, I pin the rap on 'em, and then I let 'em go."

"Are you having a good time doing the series?" he was asked.

"Residuals," he said mysteriously, flicking a cigarette ash down his lapel.

"Isn't three years a long, long time?"

"Residuals," he repeated.

-:-

WHEN WORLD WAR II prompted Mr. McMahon to put away his panama hat, his toothpick and his shoulder holster, he took to enteraining troops at camps and bases and he's still at it, making the rounds of veterans hospitals across the country, mostly telling yarns of TV cops and robbers.

Being a convivial man, he tells the same stories at the various organizations to which he belongs: the Police Square Club of Connecticut, the Sports Lodge of B'nai Brith, the Catholic Actors Guild, the Knights of Columbus; "everything but the John Birch Society."

-:-

WHEN HE FIRST tried out for the "Naked City" part — "Boy, was I lousy! I hand't gotten the script changes. The poolroom set had been changed to an alley set because they couldn't get the poolroom. Besides it was a matinee day at 'Say, Darling' and I was tired and — well, I was OFF.

"John McIntire got the part. When John left a couple of years ago, my name came up and everybody hollered 'No!' Well, I got it, but believe me, it was over the dead bodies of all the people who caught me the first time out."

But long before "Naked City" and long after the movie gangster and USO years, McMahon returned to Broadway and wore his first silver shield. The role was that of Lt. Monoghan in Sidney Kingsley's "Detective Story."

-:-

"SIDNEY," he recalled, "wrote the part for a heavy-set old man, but the heavy - set old man they had rehearsing in it wasn't right, so they fastened on me.

"At the final curtain, you remember, Sidney had Ralph Bellamy, the hero, dying of gunshot wounds and reciting the 'Hail Mary.' 'Sidney,' I told him, 'it's the wrong prayer.' 'What's the right one, then?' I told him the 'Act of Contrition.' 'Let's hear it.' So I told him. 'You sure?' he said.

"So I went over to St. Malachy's to Msgr. O'Reilly, who was still living then, and I came back with the prayer all written out and gave it to Sidney and told him it came straight from the monsignor.

-:-

"AT THE REHEARSAL a couple of days later, Sidney slipped it in and there was Ralph goin' down saying the 'Act.' Howard Lindsay, who was coproducing the show, came runnin' down the aisle saying, 'That's great, a wonderful piece of writing. Who wrote it?' 'Some monk somewhere, how'd I know?' I told him.

"And you know, that was a terrific curtain!"

Sidney Kinglsey has a new play coming out next season, I mentioned.

"Sidney wants me in it," McMahon said.

"Will you do it?"

He peered over the slivers of glass and said, "Residuals, remember?"

Police Quiz Man, 52, In Fatal Shooting

CAMBRIDGE, Ohio (AP) — Police here are questioning a 52-year-old Guernsey County man about the sudden fatal shooting Monday night o one man and the wounding of another.

Held is Garnett Bailey, who was arrested at his home near here about an hour after Robert Eaton of Cambridge was shot in the head in a neighborhood tavern.

Police said the bullet passed through Eaton's head and struck Harold Seaton, 62, of Near Cambridge, a by-stander.

Cause of the outbreak has not been determined. However, witnesses said one man suddenly stood up and yelled, "Is there a man in the house?"

Eaton arose and said he was. Those were the last words he spoke. The first man pulled a gun, shot Eaton and fled from the tavern, witnesses said.

Church Camp Aides Chosen

Seven counselors have been named to assist the Rev. Robert Thompson of Smithfield, director, this week at the Senior High camping session at Beaver Creek United Presbyterian Camp at Grimms Bridge. Thirty - three young people have registered.

The counselors include the Rev. Mark Allen of Toronto, the Rev. Moss Rutan of Mingo Junction, Carl Ruthem of Smithfield, Francis Poe of Bloomingdale and Mrs. William H. Smith, Miss Cathy Baumgarner and Miss Lysbeth J. Arner, all of East Liverpool.

Bible study, on a conference level, will include three subjects, "How To Read the Bible," "Basic Christian Beliefs" and "Risk of Being a Presbyterian."

Tom Haney, a student at Westminster College at New Wilmington, and Carolyn Penn of Muskingum College at New Concord, are swimming director and craft director, respectively, for the summer camp sessions.

The camp is sponsored by the Mahoning and Steubenville Presbyteries.

Purse Snatcher Winds Up 'Short Changed'

CINCINNATI (AP) — This was one thief who didn't quite know what he was doing when he tried to victimize an elderly Cincinnati woman Monday night. Mrs. Anna Klumper, 85, said a youth grabbed her purse containing $952 and fled.

But the thief took out her change purse—containing only a few dollars in coins — and threw the larger purse away. The purse was found with $590 intact and returned by police to the woman.

Springfield Family Cited At Convention

SPRINGFIELD, Ohio (AP) — Springfield's Mr. and Mrs. Peter Campas and family have been honored as family of the year in the Ohio district of the American-Hellenic Educational Progressive Association (AHEPA).

The district convention, closing today with election of officers, has been in session here since Saturday.

The Greek-American organization's auxiliary, the Daughters of Penelope, elected Ohio district officers Monday. Sig Loukos of Lima was chosen governor, replacing Mrs. Mary DeMartin of Youngstown. Mrs. DeMartin was named to serve as advisor in the state office of the Maids of Athens, daughter group of the auxiliary.

Other Daughters of Penelope officers will be Toula Dallas of Cleveland, lieutenant governor; Mrs. Mary Houtis of Dayton, secretary; Sophie Kelley of Canton, treasurer, and Mrs. Sandra Samakis of Columbus, marshal.

Keep In Trim

By IDA JEAN KAIN

Overweight Child Dislikes Exercise

A 9-year-old in Portland, Oregon, is well on her way to gaining fame by losing weight. Her success with budgeting calories has already helped two other youngsters to tackle their weight problem. Now comes a letter from a mother 3,000 miles away from Kay. Inspired by our model's example, she writes:

Ida Jean Kain

"My daughter and I read with interest your article about roly-poly Kay who has now slimmed down. My daughter is age 11 and has gone from normal weight up to 110 in the past year and a half. She has a definite problem due to the fact she loves to eat and hates any type of exercise.

"She is a straight A student and chooses to spend her time reading or working on school projects.

—:—

"RECENTLY I find she is changing from a well adjusted girl to a child who cries over nothing. I long to help her. I can remember back to the time when I was an overweight child. I had many unhappy days and I only hope I can help my daughter before she has to suffer from remarks of others.

"I believe I have her cooperation and that is half the battle. I would love to hear from you. I only hope that I have something happy to report in a few months as Kay's mother did."

Cheers! Indeed the battle is half won for this youngster! At 11, she is in her fast growing years. This means that she will shoot up in height which will allow her to be ideal weight at a somewhat higher figure.

In fact, almost everything is in her favor. Vacation is coming up which frees her from study and allows time for physical activity. Play activity is as important as the diet.

True, this pre - teen shies away from exercise — but probably more from embarrassment in competing with other children than from lack of interest. In order to excel, she has studied hard and made a fine school record.

But active play is essential and summertime practically coaxes a child out of doors. If she is reluctant to compete with others, why not set up some game equipment in her own backyard, where she can have a workout at any time of day without inhibitions from shyness or lack of know-how?

Enocurage her to acquire skill at games and she will come out of herself and be happy. On the weight score, she can easily take off 15 to 18 pounds this summer and, by fall, be slim enough to want to join a dance or other exercise group with youngsters her own age.

—:—

HER GREATEST asset is the mother with the understanding heart — this child is not alone with a problem. She has a partner who fought and won such a battle some years ago.

Summer is the time when eating for slim, good health is a natural. With all the delicious fresh fruits and vegetables, made to order for low calorie meals, there is no need for monotony in the menus and every reason for success in slimming.

The Sports Bench

Slow Pitch Softball . . .

Slow pitch softball, a game which may bring some of the older players in the area out of retirement, is being introduced in East Liverpool.

Bob Hedmond and Jim Harris, supervisors at Thompson Park, are attempting to form a slow pitch league. No entry fee is required and anyone interested in entering a team should contact Hedmond at FU 5-5032 or Harris at FU 6-4002.

Slow pitch is exactly what the name implies. The ball must be thrown slow, almost arcing over the plate. Instead of nine players, 10 are used in a game.

The games will be played at the Thompson Park diamond formerly known at the Dixonville Field.

Anyone For Tennis? . . .

PLANS TO organize a tennis club will be discussed at a meeting of local enthusiasts tonight at 7:30 in the community meeting room of the Potters Savings & Loan Co.

Laurin Stacey, temporary chairman, reports the purpose of the club will be to aid in promoting the sport in East Liverpool. Parents of youngsters interested in tennis are asked to attend.

The Lions Club's two highly-successful invitational tennis tournaments have left little doubt in anyone's mind that organization is needed here to develop the younger players for future competition.

Twins Lead In Double Plays . . .

WE'LL give you one guess as to what team is leading the American League in double plays?

Here's a clue. An East Liverpool lad is playing second base for that team.

It's the Minnesota Twins and the statistics speak well for Bernie Allen, their second baseman. Including Friday's game with Chicago, the Twins had reeled off 61 double plays, with the majority handled by Allen and shortstop Zolio Versalles.

The Twins are only one percentage point behind Chicago's .983 mark in fielding, but the muscular Twins are No. 1 in team hitting with a percentage of .265.

This 'N That In Sports . . .

BACK home for the summer vacation is Ken Russell, a former quarterback at Midland High.

Ken, who will be a junior at the University of Florida, probably will be the No. 1 safety man on the Florida eleven. That's where Russell was used in the spring practice this year. He also will see some action at offensive quarterback, a spot where he sparkled in high school, especially on the long aerials.

—:—

IT DIDN'T take Dave Myer long to establish himself as a top hurler in Indiana.

Myer, a former Beaver Local High star and a standout in the Little League and Pony League here several years ago, has been named to the first team of the Western Indiana Conference.

Myer, pitching for Brazil High School, helped his team to a third-place finish and was the only Brazil player to be named to a first-team berth in the conference. He moved to Indiana last year.

—:—

THE LIONS—the Canton Lincoln Lions—and the Tigers—short for Massillon High—will square off this football season in a game that replaces the traditional Massillon-Canton McKinley game.

Lou Venditti's team will meet Massillon on Nov. 17 at Massillon in a Saturday afternoon contest.

The long series between Massillon and McKinley had to be shelved for 1962 since the Bulldogs were suspended from scholastic football for one year by the OHSAA.

—:—

RIGHTHANDER Jim Dickey, the former East Liverpool High and Ohio Wesleyan pitching ace, came up with one of his performances in the 7th Army League recently in Frankfurt, Germany.

Hurling for the Spearhead nine of the 3rd Armored Division, Dickey tossed a five hitter and retired the first 14 batters in order before being nicked for a single with two out in the fifth inning.

Dickey has a league record of 2-1.

—:—

'JUMPIN' Joe Richards, the former Washington & Jefferson star from Aliquippa, who was head basketball coach at Flushing High School in Belmont County last season, has accepted a new post at Garaway, a consolidated high school in Tuscarawas County.

Brawl Marks Yanks' Farewell From 1st

Bean Balls Fly; Twins Go To Top

By MIKE RATHET
Associated Press Sports Writer

Bean balls?

Who, me?

That was the general tone of the comment Monday night after the incidents that took place during the fourth inning of Baltimore's 5-3 victory over the New York Yankees and precipitated a free-for-all in which Yankee Manager Ralph Houk tried to swing at Orioles' field boss Billy Hitchcock.

Leading off the fourth, Orioles' rookie outfielder John (Boog) Powell was hit in the head by a Bud Daley fast ball, slumped to the ground, but remained conscious. He was carried off the field on a stretcher and taken to a hospital where his injury was diagnosed as contusions of the head.

There wasn't much reaction until the first pitch from Baltimore starter Robin Roberts in the last half of the inning sailed over Roger Maris' head. The Yankee slugger started toward the mound, bat in hand and a fierce look on his face.

Maris was restrained by Orioles' catcher Hobie Landrith as players from both teams raced onto the field. Houk and Hitchcock wound up in a heated argument that ended with umpire Charley Berry holding Houk as the Yanks' skipper attempted to go after Hitchcock.

Daley had nothing to say. He left before the game was over.

When it was over, the Yankees were in a tie for second place with the Cleveland Indians, who moved up by belting Boston 10-0 in the only other game played. The Yankee loss permitted idle Minnesota to move into the top spot, a half-game ahead of the runners-up.

The victory for Roberts (1-2), cut by the Yankees earlier in the year, was his first in more than a year—since he last won for Philadelphia's National League Phillies, June 8, 1961—and his first ever as an American Leaguer. He allowed seven hits and three runs in 7 1-3 innings before Steve Barber and Hoyt Wilhelm finished up. Daley (2-1) was the loser.

Willie Kirkland tagged a three-run homer for the Indians in the fourth inning and put them ahead to stay. He later added a two-run double in the seventh for five runs batted in. Bubba Phillips also connected for the winners in support of Jim Perry (5-3), who limited the Red Sox to seven hits. Earl Wilson (3-2) lost it.

The Indians-Red Sox game did not pass without an incident.

Before Kirkland connected for his homer, Wilson was charged with a balk that forced in a run. The Red Sox claimed Cleveland's Tito Francona, running at first base, hollered "Hold it Earl," causing the pitcher to stumble on the mound.

Baseball's rules state such deceptive talk is illegal. But umpires John Flaherty and Ed Runge said they had not heard it.

Stu Belts 2 In Pirates' 6-1 Win

Phils Slow St. Louis, 8-5

By MIKE RATHET
Associated Press Sports Writer

Down on paper as a soft touch, Philadelphia's spoiler Phillies have ripped up the form sheet by throwing another roadblock at one of the National League's pennant hopefuls and adding his entry to their streak-snapping log:

June 11—Beat St. Louis 8-5, snapping Cardinals seven-game winning streak.

Monday night's entry was the fourth in a series.

On May 17—The third-place Cincinnati Reds had a six-game victory streak. The Phils won 6-5.

On May 31—The first-place San Francisco Giants had a seven-game string. The Phils won 5-2.

On June 2—The Los Angeles Dodgers, tied for first place, had a 13-game skein. The Phils won 7-0.

That's the way it's been for the Phils, who don't seem to be going places in that NL pennant scramble could have quite a bit to say about who does.

The victory over the Cardinals dropped St. Louis into fifth place behind the Pittsburgh Pirates, who moved up with a 6-1 triumph over the Chicago Cubs. In the only other games played, the New York Mets defeated Houston 3-1. San Francisco and Cincinnati were rained out.

Home runs by Don Demeter and John Callison powered the Phils to their triumph over the Cards and paced a 12-hit atack that enabled Philadelphia to beat former teammate Curt Simmons (6-3) for the first time in nine tries. Demeter hit his eighth homer with a man on in the fifth inning to put the Phils ahead to stay 4-3. Callison's three-run pinch-hit homer in the seventh brought home the deciding runs. The winner was reliever Jack Hamilton (4-5).

Dick Stuart hit two home runs for the Pirates—a first inning inside-the-part job with one on and a three-run shot in the sixth. The victory went to Joe Gibbon, winning his first since a trip to the minors cured his ailing arm.

The Mets beat the Colts for the first time in the rivalry between he two new NL clubs. Al Jackson (3-7) limited the Colts to seven his. The Mets got six against Dick Farrell (4-6) to put it away.

The Review Sports

YANKEE MANAGER Ralph Houk (No. 1 extreme left) hauls off to sock Orioles' manager Billy Hitchcock (No. 2) during the free-for-all in the fourth inning of their night game Monday at Yankee Stadium. The melee started when a pitch from Orioles' starter Robin Roberts sailed over the head of Roger Maris after Yankee pitcher Bud Daley beaned Orioles' John (Boog) Powell in the top of the fourth inning. All four umpires were unable to restore order although three policemen eventually did. Both managers were tossed out of the game. (UPI Telephoto)

Six Pitches 2nd 3-Hitter

Righthander Ed Six turned in his second straight 3-hitter and his Post 374 teammates went on a hitting rampage in scoring a 13-1 victory over Brilliant Sunday at the East Liverpool Colt Field.

Gary Berhar led the hitting attack for the locals with a home run which sailed over the right-field fence.

Ron Ensinger belted a triple and single in the one-sided contest.

Post 374 plays at Steubenville Friday.

Johnny Sellers, leading jockey in 1961, plans to ride over the New Jersey race tracks this summer.

Littler Gains More Support

Arnie Suffers Gashed Finger As Open Nears

By DON WEISS
Associated Press Sports Writer

OAKMONT, Pa. (AP) — Back to back championships in the National Open Golf Tournament for Gene Littler?

Support was mushrooming today for golf's quiet man in the wake of Littler's brilliant play this year and more woe for tournament favorite Arnold Palmer, who severely gashed a finger on his right hand in a freak accident just when he was confident he had shaken a cold that kept him sub par physically for nearly two weeks.

"Littler's my pick," said two-time former Open champion Gary Middlecoff as he and the oher early arrivals relaxed after a practice round at the 6,894-yard Oakmont Country Club course where the 62nd U.S. Open championship begins on Thursday.

"You don't have to be a big hitter to score on this course," said the Memphis dentist. "You have to be able to drive straight and putt well on these slick greens. Littler's playing beautifully, has been all year. Unless he has a big letdown after winning that big one in New Jersey Sunday (the $100,000 Golf Classic at Clinton, where Littler nailed the $25,000 first prize), he can do it."

A year ago, the soft-spoken Californian quietly tamed another fabled course like this one—the Oakland Hills Country Club at Birmingham, Mich.—for his first Open title. It, too, was a course that demanded great accuracy off the tee and a sure putting touch.

Gary Player, the little South African, and veteran Jackie Burke are others who like Littler's chances to become the first defending champion o repeat since Ben Hogan in 1950-51.

k A doctor took six stitches in

A doctor took six stitches in Palmer's third finger on his right hand to close the wound he suffered while he was putting luggage in the trunk of his car lae Sunday night at the nearby Latrobe, Pa., airport. The gash went all the way to the bone alongside the knuckle.

"It didn't hurt much," the Masters champion said after a practice round late Monday. Palmer seemed considerably relieved that he could hit so well despite the heavy bandage.

"If it doesn't hurt any more than this," he said, "it won't be bad at all. We experimented with a couple different kinds of bandages and found one that lets me get the right feel of the club."

Littler 2nd In Earnings On Golf Tour

DUNEDIN, Fla. (AP) — Gene Littler, who will defend his title this week in the U.S. Open, has moved into a strong second position among professional golfing's top money winners.

The $25,000 Littler won last weekend in the $100,000 tournament at Clifton, N.J., gave him total winnings for the year of $53,704, according to Professional Golfers' Association headquarters.

Arnold Palmer still is in first place with a total of $60,311, even though he won only $460 in the New Jersey tournament. Bill Casper Jr., won $950 to give him a total of $42,158 and third place among the top 10.

Jack Nicklaus, who won the $10,000 second prize, vaulted from eighth place to fourth with total winnings of $28,198. Rounding out the top 10 are: Gary Player $22,688, Phil Rodgers $22,330, Bobby Nichols $20,975, Dow Finsterwald $20,296, Doug Sanders $19,421, and Bruce Crampton $17,273.

Jordan Captures Club Golf Event

Jim Jordan walked off with honors by scoring 28 points in Sunday's selective nine-hole golf event at the East Liverpool Country Club.

Tied for second with 29 were Art Lynch and Bill Pickin. Dr. R. J. Kinsey totaled 30 and George Bloomgren and J. T. Thompson scored 31 each.

Dick Heddleston's 31 took the second division.

Jim Laughlin and Thompson shared honors finishing 4 up in Saturday's match play against par. J. R. Porter was 3 up, F. J. Cloran 2 up and H. M. Crossley and Jim Jordan 1 up.

L. W. Smith with 8 up won the second division while W. W. Irwin was 6 up and Heddleston 3 up.

Florists Nip Dentists In Real Pitching Duel

Jim Johnson was the pitching and batting hero for the Riverview Florists who nipped the Dental Society, 2-1, Monday in one of the better played contests of the Colt League season.

Under league rules a pitcher isn't permitted to hurl more than seven frames. Johnson hurled a one-hitter for his seven innings, then remained in the game as the catcher.

He hadn't come up with a hit himself this season, but got both of his team's two safeties Monday and his second hit drove in the winning run to break up the 1-1 tie.

Bill Miller, who relieved Johnson, received credit for the victory while the game was a tough one for Dick Roach of the Dentists to lose since he also hurled one-hit baseball for seven innings.

Tom Kraft collected the only hit for the Dentists.

Two outstanding plays were turned in when Agnew made a fine play on a ground ball hit to deep shortstop and Densmore turned in an outstanding catch on a foul ball in the sixth inning.

Newell Wallops League Foe, 29-0

Jimmy Durham pitched a two-hitter and went three-for-three at the plate as the Newell Juniors walloped Shippingport 29-0 in a South Side Hot Stove contest Monday.

The winners collected 18 hits including a home run and triple by Mick Franczek, a triple by Gary McNicol and two hits by Dave Anderson.

Johnson, the losing hurler, gave up 12 walks.

In the first 14 games played by the Milwaukee Braves, Joe Adcock and Mack Jones fanned 13 times each.

Slow pitch softball, a game which may bring some of the older players in the area out of retirement, is being introduced in East Liverpool.

Bob Hedmond and Jim Harris, supervisors at Thompson Park, are attempting to form a slow pitch league. No entry fee is required and anyone interested in entering a team should contact Hedmond at FU 5-5032 or Harris at FU 6-4002.

Slow pitch is exactly what the name implies. The ball must be thrown slow, almost arcing over the plate. Instead of nine players, 10 are used in a game.

The games will be played at the Thompson Park diamond formerly known at the Dixonville Field.

Anyone For Tennis? . . .

PLANS TO organize a tennis club will be discussed at a meeting of local enthusiasts tonight at 7:30 in the community meeting room of the Potters Savings & Loan Co.

Laurin Stacey, temporary chairman, reports the purpose of the club will be to aid in promoting the sport in East Liverpool. Parents of youngsters interested in tennis are asked to attend.

The Lions Club's two highly-successful invitational tennis tournaments have left little doubt in anyone's mind that organization is needed here to develop the younger players for future competition.

Twins Lead In Double Plays . . .

WE'LL give you one guess as to what team is leading the American League in double plays?

Here's a clue. An East Liverpool lad is playing second base for that team.

It's the Minnesota Twins and the statistics speak well for Bernie Allen, their second baseman. Including Friday's game with Chicago, the Twins had reeled off 61 double plays, with the majority handled by Allen and shortstop Zolio Versalles.

The Twins are only one percentage point behind Chicago's .983 mark in fielding, but the muscular Twins are No. 1 in team hitting with a percentage of .265.

This 'N That In Sports . . .

BACK home for the summer vacation is Ken Russell, a former quarterback at Midland High.

Ken, who will be a junior at the University of Florida, probably will be the No. 1 safety man on the Florida eleven. That's where Russell was used in the spring practice this year. He also will see some action at offensive quarterback, a spot where he sparkled in high school, especially on the long aerials.

IT DIDN'T take Dave Myer long to establish himself as a top hurler in Indiana.

Myer, a former Beaver Local High star and a standout in the Little League and Pony League here several years ago, has been named to the first team of the Western Indiana Conference.

Myer, pitching for Brazil High School, helped his team to a third-place finish and was the only Brazil player to be named to a first-team berth in the conference. He moved to Indiana last year.

THE LIONS—the Canton Lincoln Lions—and the Tigers—short for Massillon High—will square off this football season in a game that replaces the traditional Massillon-Canton McKinley game.

Lou Venditti's team will meet Massillon on Nov. 17 at Massillon in a Saturday afternoon contest.

The long series between Massillon and McKinley had to be shelved for 1962 since the Bulldogs were suspended from scholastic football for one year by the OHSAA.

—:—

RIGHTHANDER Jim Dickey, the former East Liverpool High and Ohio Wesleyan pitching ace, came up with one of his performances in the 7th Army League recently in Frankfurt, Germany.

Hurling for the Spearhead nine of the 3rd Armored Division, Dickey tossed a five hitter and retired the first 14 batters in order before being nicked for a single with two out in the fifth inning.

Dickey has a league record of 2-1.

'JUMPIN' Joe Richards, the former Washington & Jefferson star from Aliquippa, who was head basketball coach at Flushing High School in Belmont County last season, has accepted a new post at Garaway, a consolidated high school in Tuscarawas County.

Bean Balls Fly; Twins Go To Top

By MIKE RATHET
Associated Press Sports Writer

Bean balls?

Who, me?

That was the general tone of the comment Monday night after the incidents that took place during the fourth inning of Baltimore's 5-3 victory over the New York Yankees and precipitated a free-for-all in which Yankee Manager Ralph Houk tried to swing at Orioles' field boss Billy Hitchcock.

Leading off the fourth, Orioles' rookie outfielder John (Boog) Powell was hit in the head by a Bud Daley fast ball, slumped to the ground, but remained conscious. He was carried off the field on a stretcher and taken to a hospital where his injury was diagnosed as contusions of the head.

There wasn't much reaction until the first pitch from Baltimore starter Robin Roberts in the last half of the inning sailed over Roger Maris' head. The Yankee slugger started toward the mound, bat in hand and a fierce look on his face.

Maris was restrained by Orioles' catcher Hobie Landrith as players from both teams raced onto the field. Houk and Hitchcock wound up in a heated argument that ended with umpire Charley Berry holding Houk as the Yanks' skipper attempted to go after Hitchcock.

Daley had nothing to say. He left before the game was over.

When it was over, the Yankees were in a tie for second place with the Cleveland Indians, who moved up by belting Boston 10-0 in the only other game played. The Yankee loss permitted idle Minnesota to move into the top spot, a half-game ahead of the runners-up.

The victory for Roberts (1-2), cut by the Yankees earlier in the year, was his first in more than a year—since he last won for Philadelphia's National League Phillies, June 8, 1961—and his first ever as an American Leaguer. He allowed seven hits and three runs in 7 1-3 innings before Steve Barber and Hoyt Wilhelm finished up. Daley (2-1) was the loser.

Willie Kirkland tagged a three-run homer for the Indians in the fourth inning and put them ahead to stay. He later added a two-run double in the seventh for five runs batted in. Bubba Phillips also connected for the winners in support of Jim Perry (5-3), who limited the Red Sox to seven hits. Earl Wilson (3-2) lost it.

The Indians-Red Sox game did not pass without an incident.

Before Kirkland connected for his homer, Wilson was charged with a balk that forced in a run. The Red Sox claimed Cleveland's Tito Francona, running at first base, hollered "Hold it Earl," causing the pitcher to stumble on the mound.

Baseball's rules state such deceptive talk is illegal. But umpires John Flaherty and Ed Runge said they had not heard it.

Stu Belts 2 In Pirates' 6-1 Win

By MIKE RATHET
Associated Press Sports Writer

Down on paper as a soft touch, Philadelphia's spoiler Phillies have ripped up the form sheet by throwing another roadblock at one of the National League's pennant hopefuls and adding his entry to their streak-snapping log:

June 11—Beat St. Louis 8-5, snapping Cardinals seven-game winning streak.

Monday night's entry was the fourth in a series.

On May 17—The third-place Cincinnati Reds had a six-game victory streak. The Phils won 6-5.

On May 31—The first-place San Francisco Giants had a seven-game string. The Phils won 5-2.

On June 2—The Los Angeles Dodgers, tied for first place, had a 13-game skein. The Phils won 7-0.

That's the way it's been for the Phils, who don't seem to be going places in that NL pennant scramble could have quite a bit to say about who does.

The victory over the Cardinals dropped St. Louis into fifth place behind the Pittsburgh Pirates, who moved up with a 6-1 triumph over the Chicago Cubs. In the only other games played, the New York Mets defeated Houston 3-1. San Francisco and Cincinnati were rained out.

Home runs by Don Demeter and John Callison powered the Phils to their triumph over the Cards and paced a 12-hit atack that enabled Philadelphia to beat former teammate Curt Simmons (6-3) for the first time in nine tries. Demeter hit his eighth homer with a man on in the fifth inning to put the Phils ahead to stay 4-3. Callison's three-run pinch-hit homer in the seventh brought home the deciding runs. The winner was reliever Jack Hamilton (4-5).

Dick Stuart hit two home runs for the Pirates—a first inning inside-the-part job with one on and a three-run shot in the sixth. The victory went to Joe Gibbon, winning his first since a trip to the minors cured his ailing arm.

The Mets beat the Colts for the first time in the rivalry between he two new NL clubs. Al Jackson (3-7) limited the Colts to seven his. The Mets got six against Dick Farrell (4-6) to put it away.

Six Pitches 2nd 3-Hitter

Righthander Ed Six turned in his second straight 3-hitter and his Post 374 teammates went on a hitting rampage in scoring a 13-1 victory over Brilliant Sunday at the East Liverpool Colt Field.

Gary Berhar led the hitting attack for the locals with a home run which sailed over the right-field fence.

Ron Ensinger belted a triple and single in the one-sided contest.

Post 374 plays at Steubenville Friday.

Johnny Sellers, leading jockey in 1961, plans to ride over the New Jersey race tracks this summer.

YANKEE MANAGER Ralph Houk (No. 1 extreme left) hauls off to sock Orioles' manager Billy Hitchcock (No. 2) during the free-for-all in the fourth inning of their night game Monday at Yankee Stadium. The melee started when a pitch from Orioles' starter Robin Roberts sailed over the head of Roger Maris after Yankee pitcher Bud Daley beaned Orioles' John (Boog) Powell in the top of the fourth inning. All four umpires were unable to restore order although three policemen eventually did. Both managers were tossed out of the game. (UPI Telephoto)

Littler Gains More Support

Arnie Suffers Gashed Finger As Open Nears

By DON WEISS
Associated Press Sports Writer

OAKMONT, Pa. (AP) — Back to back championships in the National Open Golf Tournament for Gene Littler?

Support was mushrooming today for golf's quiet man in the wake of Littler's brilliant play this year and more woe for tournament favorite Arnold Palmer, who severely gashed a finger on his right hand in a freak accident just when he was confident he had shaken a cold that kept him sub par physically for nearly two weeks.

"Littler's my pick," said two-time former Open champion Gary Middlecoff as he and the oher early arrivals relaxed after a practice round at the 6,894-yard Oakmont Country Club course where the 62nd U.S. Open championship begins on Thursday.

"You don't have to be a big hitter to score on this course," said the Memphis dentist. "You have to be able to drive straight and putt well on these slick greens. Littler's playing beautifully, has been all year. Unless he has a big letdown after winning that big one in New Jersey Sunday (the $100,000 Golf Classic at Clinton, where Littler nailed the $25,000 first prize), he can do it."

A year ago, the soft-spoken Californian quietly tamed another fabled course like this one—the Oakland Hills Country Club at Birmingham, Mich.—for his first Open title. It, too, was a course that demanded great accuracy off the tee and a sure putting touch.

Gary Player, the little South African, and veteran Jackie Burke are others who like Littler's chances to become the first defending champion o repeat since Ben Hogan in 1950-51.

k A doctor took six stitches in

A doctor took six stitches in Palmer's third finger on his right hand to close the wound he suffered while he was putting luggage in the trunk of his car lae Sunday night at the nearby Latrobe, Pa., airport. The gash went all the way to the bone alongside the knuckle.

"It didn't hurt much," the Masters champion said after a practice round late Monday. Palmer seemed considerably relieved that he could hit so well despite the heavy bandage.

"If it doesn't hurt any more than this," he said, "it won't be bad at all. We experimented with a couple different kinds of bandages and found one that lets me get the right feel of the club."

Littler 2nd In Earnings On Golf Tour

DUNEDIN, Fla. (AP) — Gene Littler, who will defend his title this week in the U.S. Open, has moved into a strong second position among professional golfing's top money winners.

The $25,000 Littler won last weekend in the $100,000 tournament at Clifton, N.J., gave him total winnings for the year of $53,704, according to Professional Golfers' Association headquarters.

Arnold Palmer still is in first place with a total of $60,311, even though he won only $460 in the New Jersey tournament. Bill Casper Jr., won $950 to give him a total of $42,158 and third place among the top 10.

Jack Nicklaus, who won the $10,000 second prize, vaulted from eighth place to fourth with total winnings of $28,198. Rounding out the top 10 are: Gary Player $22,688, Phil Rodgers $22,330, Bobby Nichols $20,975, Dow Finsterwald $20,296, Doug Sanders $19,421, and Bruce Crampton $17,273.

Jordan Captures Club Golf Event

Jim Jordan walked off with honors by scoring 28 points in Sunday's selective nine-hole golf event at the East Liverpool Country Club.

Tied for second with 29 were Art Lynch and Bill Pickin. Dr. R. J. Kinsey totaled 30 and George Bloomgren and J. T. Thompson scored 31 each.

Dick Heddleston's 31 took the second division.

Jim Laughlin and Thompson shared honors finishing 4 up in Saturday's match play against par. J. R. Porter was 3 up, F. J. Cloran 2 up and H. M. Crossley and Jim Jordan 1 up.

L. W. Smith with 8 up won the second division while W. W. Irwin was 6 up and Heddleston 3 up.

Florists Nip Dentists In Real Pitching Duel

Jim Johnson was the pitching and batting hero for the Riverview Florists who nipped the Dental Society, 2-1, Monday in one of the better played contests of the Colt League season.

Under league rules a pitcher isn't permitted to hurl more than seven frames. Johnson hurled a one-hitter for his seven innings, then remained in the game as the catcher.

He hadn't come up with a hit himself this season, but got both of his team's two safeties Monday and his second hit drove in the winning run to break up the 1-1 tie.

Bill Miller, who relieved Johnson, received credit for the victory while the game was a tough one for Dick Roach of the Dentists to lose since he also hurled one-hit baseball for seven innings.

Tom Kraft collected the only hit for the Dentists.

Two outstanding plays were turned in when Agnew made a fine play on a ground ball hit to deep shortstop and Densmore turned in an outstanding catch on a foul ball in the sixth inning.

Reports On Oriole-Yank Brawl Are Conflicting

NEW YORK (AP)—The reports on the conflict were conflicting.

New York Yankee Manager Ralph Houk said Baltimore Manager Billy Hitchcock said his (Houk's) men were throwing at his (Hitchcock's) men. Hitchcock said he said no such thing.

Roger Maris said he was mad at Baltimore catcher Hobie Landrith, but he wouldn't say why.

Robin Roberts wouldn't say anything.

And there was little love lost today among the Yankees and the Orioles after a beaning of Baltimore rookie outfielder John (Boog) Powell. That led to a Roberts pitch that sailed over Maris' head, and then a swirling melee on the Yankee Stadium diamond that the cops had to quell.

Powell apparently wasn't hurt seriously. He was taken to a hospital where Xrays were negative, and it was anticipated that he would rejoin his team in Boston tonight.

Powell was hit on the head by a pitch by Bud Daley in the fourth inning of a game which the Orioles eventually won 5-3. He was taken off on a stretcher.

When Maris stepped to the plate in the Yankee hal of the inning the first pitch by Roberts sailed over his head to the screen. Roger advanced toward the mound, bat in hand, to discuss the situation. Landrith, who kept his mask on, rushed out and intercepted him halfway, along with plate umpire Charley Berry.

Houk joined the ensuing conference, then Hitchcock, then almost everybody, except Roberts, who surveyed it all in solitary splendor on the mound.

Houk suddenly erupted with rage, and it finally took the police to get him off the field. He and Hitchcock were thrown out.

Maris then hit a soft ly to right.

"Hitchcock shouted at me: 'You threw at my man,' said Houk. "That's when I blew my top. I knew Daley wouldn't throw at him."

"I said no such thing," Hitchcock said. "I said, 'my man's in the hospital.'

"Besides, they've been throwing at my men all during the series. Just look up how many of my men have hit the dirt. I also told Daley he had better control than that."

Daley, pulled for a pinch hitter after five innings, left the premises early. His catcher, Elston Howard, said Daley did no throw at Powell. "Why should we? He's an out, man," Howard said.

Y-Church League Contests Marked By High Scoring

Oakland Free Methodist, Glenmoor U. P. and Orchard Grove came up with victories in high scoring games which marked the YMCA-Church League Monday.

Oakland belted 21 hits to subdue 2nd Church of Christ, 15-8. N. Chafins led the attack with four hits while R. Mort and R. Waite had three each. D. Barton was the winning hurler. C. McDevitt led the losers with two safeties.

Home runs by Gale Williams and John Weaver carried Glenmoor to a 12-9 win over St. Aloysius. Floyd Jones was the winning hurler while McGowan was the loser.

A pair of home runs by Bob Logston were the big blows in Orchard Grove's 19-5 win over Penn Ave.

Yesterday's Stars

Pitching — Jim Perry, Indians, limited Boston to seven hits in 10-0 victory that moved Cleveland into tie for second place in American League.

Batting — Dick Stuart, Pirates, hit two homers—one inside-the-park, that drove in five runs in 6-1 triumph over Chicago's Cubs.

Rollins Takes Over Top Spot In AL Hitting

NEW YORK (AP)—At the start of the 1962 spring training baseball season, the Minnesota Twins had five candidates for the third base job, Harmon Killebrew, George Banks, Johnny Goryl, Bill Tuttle and Rich Rollins.

Rollins hit at a .500 clip last week, collecting 14 hits in 28 times at bat and lifting his mark 21 points to .356. He took over the top spot from Kansas City's Manny Jimenez, who slumped 21 points to .341. Al Kaline of Detroit, out with a broken collarbone, is third with .336.

In the National League, Felipe Alou of San Francisco jumped into the lead on the strength of an eight point pickup to .348 while Stan Musial, veteran St. Louis star, zoomed into the runner-up position at .347. Musial has hit safely in his last 12 games during which he has collected 20 hits in 44 times at bat and increased his average 47 points.

Willie Mays of San Francisco continues to set the National League pace in homers with 21 while Tommy Davis of the Los Angeles Dodgers has the most runs batted in, 64. The figures include Sunday's games.

Jim Gentile o Baltimore, leads the American League in homers with 16. Norm Cash of Detroit and Leon Wagner, Los Angeles Angels, have 15. Floyd Robinson of the Chicago White Sox and Wagner share the RBI lead with 44.

Litten's Rip Woodbine In 16-4 Contest

Litten's pounded Woodbine into a 16-4 defeat marking the fourth straight loss for the Laundrymen in the Pony League Monday at Dopler Field.

Litten's led off by scoring three runs in the first inning then netted six more in the second.

Jeff Hall, the winning pitcher, allowed only four hits and collected three hits at the plate to help his own cause. Golden also had three hits for the winners. Sanford was the losing hurler.

Milliron's Rally Ties Veteran Nine

Behind 12-6, Millirons rallied to tie Veteran Plate Glass, 13-13, and that's the way it stood when the Little League contest was called because of darkness at the end of seven innings Monday. The contest will be replayed.

Bob Bartram pounded two home runs for Millirons while Bob Bickar had a home run and single for the Vets.

In a National Division game, Chester Legion, behind the three-hit pitching of Finley, blanked McBurney's, 4-0. Finley fanned 13 batters. Humphrey paced the Chester nine with two singles while Don Smith tripled for the losers.

3 Teams Tied For Lead In City Softball

New Cumberland was finally beaten in the City Softball League to throw the standings into a three-way tie.

Patterson - Wetzel scored a 9-3 victory over New Cumberland Monday. This leaves Patterson-Wetzel, New Cumberland and the Owls Club deadlocked for first with 5-1 marks.

Bob Williams hurled a three-hitter for the Cleaners and Spahn had a perfect night at the plate with four hits. Rich Jackson collected three safeties and Joe Surace blasted a home run for the winners.

T. S. & T., Rogers Continues Pace In Minor League

T.S.&T. and Rogers Drive-In, the current leaders in the Little-Minor League, continued their pace Monday.

T.S.&T. downed First National, 8-3, on a two-hitter by Seevers who recorded 11 strikeouts. Reynolds, the losing hurler, fanned 13.

Rogers went on a scoring rampage by walloping Knowles, 27-11. The winners collected 18 hits as Ricky Watson picked up the mound victory. Kupensky and Adkins each clouted two doubles and a single.

Art Averell hurled Potters Bank to its first victory of the season with a four-hitter in a 13-4 victory over Cornell's. Webber's triple was the big blow in the eight-hit attack for the winners.

Record $1.7 Million Offered In Title Bout

NEW YORK (AP)—The Teleprompter Corp, Monday night made a bid of $1,700,000—the highest in history—for the ancillary rights of the Floyd Patterson-Sonny Liston world heavyweight championship bout Sept. 22 in Chicago.

Promoter Tom Bolan said two other companies had made bids that did not match Teleprompter's. The company also handled the third Patterson-Ingemar Johansson bout. The price for that one was $800,000.

Bolan, president of Championship Sports, the promoters, said there was a possibility his group might handle the ancillary rights themselves. The rights include radio, television and movies.

Maris, Mantle Far Off '61 Homer Pace

NEW YORK (AP)—Roger Maris and Mickey Mantle are being hounded by the same hoodoo that handcuffed all previous 50-homer hitters with the exception of the one and only Babe Ruth.

Prior to 1961, when Maris socked 61 home runs and his Yankee teammates, Mickey Mantle, hit 54, just eight sluggers whacked 50 or more homers in a single season.

Maris has hit only 10 home runs in his team's first 52 games this year. He had 18 through the same number of games last year. At this pace, he will wind up with 31. Mantle, sidelined for the past three weeks with a leg injury, has hit only seven home runs.

Arraignment Slated On Fraud Charges

CLEVELAND (AP)—Mrs. Dorothy W. Reid, 32, of Ashtabula awaits arraignment before a federal judge on charges of embezzling $10,900 from the Commercial Bank of Ashtabula where she was a teller until two weeks ago.

She also is charged with making false entries totaling more than $23,000 to cover shortages caused when she took money from her cash drawer at the bank, according to E. E. Hargett, FBI chief in Cleveland.

Mrs. Reid surrendered Monday at the Cleveland FBI office.

Hargett said further investigation might bring the entire shortage chargeable to Mrs. Reid to $25,000 or more.

Night Clubs And Bar Girls Probe Targets

WASHINGTON (AP)—An investigation involving night clubs, bar girls, and exotic dancers gets under way today in the somber setting of a Senate committee room.

The inquiry is expected to deal with complaints that members of the American Guild of Variety Artists, many of them girls working in night clubs reputedly run by racketeers, have been exploited.

The probe is being conducted by the Senate Investigations subcommittee headed by Sen. John L. McClellan, D-Ark.

Known widely as AGVA, the guild is an AFL-CIO affiliated union. It represents about 13,000 entertainers working in night clubs, cabarets, restaurants, burlesque houses, circuses and some hotels.

The subcommittee announced that Penny Singleton, the actress who portrayed "Blondie" on television and in the movies, would be an early witness, and would be sharply critical of the protection AGVA gives its members in many big towns. She is a former guild president.

Dick Jones, of Philadelphia, also a former AGVA official, is expected to give further critical testimony.

McClellan announced he expects to hear between 50 and 60 witnesses in the eight to 10 days of hearings. He has listed Philadelphia, Chicago, New York, Baltimore, Miami and Tampa as among cities in which the union's operations are under scrutiny.

Professor Is Cited

ATHENS, Ohio (AP)—Ohio University's distinguished professor award for this year goes to Dr. John E. Edwards. A citation accompanying the award cites Dr. Edwards as a fine research physicist, teacher and counselor. He will receive a six month leave of absence and $1,500.

2 District Youths Sign In Marines

Two more high school graduates have enlisted in the Marine Corps under the 120-day delay program and the "Buddy program."

They are: Charles E. Malone, son of Mr. and Mrs. Clifford Malone, 924 Commerce St., and Harold L. Tice, son of Mrs. Mary Kuta, 1007 Main St., both Wellsville.

They picked Aug. 24 as the date to depart for training at Parris Island, S. C. They will receive 80-days' recruit training and another four weeks advanced training at Camp Lejeune, N. C.

Upon completion of training, they will be given 20-day leaves prior to being assigned to a military occupational specialty or to a new duty station.

Hearing Is Proposed To Settle Argument

JACKSON, Ohio (AP) — State Democratic Chairman William Coleman has proposed a state committee hearing to settle a Jackson County hassle over two different slates of officers elected at separate meetings.

The Democratic Committee here submitted both slates of officers for certification. One slate is headed by the present county chairman, Ike Walton of Wellston. The other is headed by a farmer, Vancil Lesser. Lesser has the backing of long-time county Democratic chairman Harold Rowe of Coalton.

No date has been set for the meeting.

To Face Surgery

CINCINNATI (AP) — James P. Taylor, a racetrack groom at River Downs, was to undergo lung surgery today for a bullet wound in an unexplained shooting outside an East Side cafe. Taylor, of Urbancrest, a Columbus suburb, said he was wounded by an unidentified man who fired from a convertible as Taylor stepped outside the cafe early Monday.

Reports On Oriole-Yank Brawl Are Conflicting

NEW YORK (AP)—The reports on the conflict were conflicting.

New York Yankee Manager Ralph Houk said Baltimore Manager Billy Hitchcock said his (Houk's) men were throwing at his (Hitchcock's) men. Hitchcock said he said no such thing.

Roger Maris said he was mad at Baltimore catcher Hobie Landrith, but he wouldn't say why.

Robin Roberts wouldn't say anything.

And there was little love lost today among the Yankees and the Orioles after a beaning of Baltimore rookie outfielder John (Boog) Powell. That led to a Roberts pitch that sailed over Maris' head, and then a swirling melee on the Yankee Stadium diamond that the cops had to quell.

Powell apparently wasn't hurt seriously. He was taken to a hospital where Xrays were negative, and it was anticipated that he would rejoin his team in Boston tonight.

Powell was hit on the head by a pitch by Bud Daley in the fourth inning of a game which the Orioles eventually won 5-3. He was taken off on a stretcher.

When Maris stepped to the plate in the Yankee hal of the inning the first pitch by Roberts sailed over his head to the screen. Roger advanced toward the mound, bat in hand, to discuss the situation. Landrith, who kept his mask on, rushed out and intercepted him halfway, along with plate umpire Charley Berry.

Houk joined the ensuing conference, then Hitchcock, then almost everybody, except Roberts, who surveyed it all in solitary splendor on the mound.

Houk suddenly erupted with rage, and it finally took the police to get him off the field. He and Hitchcock were thrown out.

Maris then hit a soft ly to right.

"Hitchcock shouted at me: 'You threw at my man,' said Houk. "That's when I blew my top. I knew Daley wouldn't throw at him."

"I said no such thing," Hitchcock said. "I said, 'my man's in the hospital.'

"Besides, they've been throwing at my men all during the series. Just look up how many of my men have hit the dirt. I also told Daley he had better control than that."

Daley, pulled for a pinch hitter after five innings, left the premises early. His catcher, Elston Howard, said Daley did no throw at Powell. "Why should we? He's an out, man," Howard said.

Y-Church League Contests Marked By High Scoring

Oakland Free Methodist, Glenmoor U. P. and Orchard Grove came up with victories in high scoring games which marked the YMCA-Church League Monday.

Oakland belted 21 hits to subdue 2nd Church of Christ, 15-8. N. Chafins led the attack with four hits while R. Mort and R. Waite had three each. D. Barton was the winning hurler. C. McDevitt led the losers with two safeties.

Home runs by Gale Williams and John Weaver carried Glenmoor to a 12-9 win over St. Aloysius. Floyd Jones was the winning hurler while McGowan was the loser.

A pair of home runs by Bob Logston were the big blows in Orchard Grove's 19-5 win over Penn Ave.

Yesterday's Stars

Pitching — Jim Perry, Indians, limited Boston to seven hits in 10-0 victory that moved Cleveland into tie for second place in American League.

Batting — Dick Stuart, Pirates, hit two homers—one inside-the-park, that drove in five runs in 6-1 triumph over Chicago's Cubs.

Rollins Takes Over Top Spot In AL Hitting

NEW YORK (AP)—At the start of the 1962 spring training baseball season, the Minnesota Twins had five candidates for the third base job, Harmon Killebrew, George Banks, Johnny Goryl, Bill Tuttle and Rich Rollins.

Rollins hit at a .500 clip last week, collecting 14 hits in 28 times at bat and lifting his mark 21 points to .356. He took over the top spot from Kansas City's Manny Jimenez, who slumped 21 points to .341. Al Kaline of Detroit, out with a broken collarbone, is third with .336.

In the National League, Felipe Alou of San Francisco jumped into the lead on the strength of an eight point pickup to .348 while Stan Musial, veteran St. Louis star, zoomed into the runner-up position at .347. Musial has hit safely in his last 12 games during which he has collected 20 hits in 44 times at bat and increased his average 47 points.

Willie Mays of San Francisco continues to set the National League pace in homers with 21 while Tommy Davis of the Los Angeles Dodgers has the most runs batted in, 64. The figures include Sunday's games.

Jim Gentile o Baltimore, leads the American League in homers with 16. Norm Cash of Detroit and Leon Wagner, Los Angeles Angels, have 15. Floyd Robinson of the Chicago White Sox and Wagner share the RBI lead with 44.

Litten's Rip Woodbine In 16-4 Contest

Litten's pounded Woodbine into a 16-4 defeat marking the fourth straight loss for the Laundrymen in the Pony League Monday at Dopler Field.

Litten's led off by scoring three runs in the first inning then netted six more in the second.

Jeff Hall, the winning pitcher, allowed only four hits and collected three hits at the plate to help his own cause. Golden also had three hits for the winners. Sanford was the losing hurler.

Milliron's Rally Ties Veteran Nine

Behind 12-6, Millirons rallied to tie Veteran Plate Glass, 13-13, and that's the way it stood when the Little League contest was called because of darkness at the end of seven innings Monday. The contest will be replayed.

Bob Bartram pounded two home runs for Millirons while Bob Bickar had a home run and single for the Vets.

In a National Division game, Chester Legion, behind the three-hit pitching of Finley, blanked McBurney's, 4-0. Finley fanned 13 batters. Humphrey paced the Chester nine with two singles while Don Smith tripled for the losers.

3 Teams Tied For Lead In City Softball

New Cumberland was finally beaten in the City Softball League to throw the standings into a three-way tie.

Patterson - Wetzel scored a 9-3 victory over New Cumberland Monday. This leaves Patterson-Wetzel, New Cumberland and the Owls Club deadlocked for first with 5-1 marks.

Bob Williams hurled a three-hitter for the Cleaners and Spahn had a perfect night at the plate with four hits. Rich Jackson collected three safeties and Joe Surace blasted a home run for the winners.

T. S. & T., Rogers Continues Pace In Minor League

T.S.&T. and Rogers Drive-In, the current leaders in the Little-Minor League, continued their pace Monday.

T.S.&T. downed First National, 8-3, on a two-hitter by Seevers who recorded 11 strikeouts. Reynolds, the losing hurler, fanned 13.

Rogers went on a scoring rampage by walloping Knowles, 27-11. The winners collected 18 hits as Ricky Watson picked up the mound victory. Kupensky and Adkins each clouted two doubles and a single.

Art Averell hurled Potters Bank to its first victory of the season with a four-hitter in a 13-4 victory over Cornell's. Webber's triple was the big blow in the eight-hit attack for the winners.

Record $1.7 Million Offered In Title Bout

NEW YORK (AP)—The Teleprompter Corp, Monday night made a bid of $1,700,000—the highest in history—for the ancillary rights of the Floyd Patterson-Sonny Liston world heavyweight championship bout Sept. 22 in Chicago.

Promoter Tom Bolan said two other companies had made bids that did not match Teleprompter's. The company also handled the third Patterson-Ingemar Johansson bout. The price for that one was $800,000.

Bolan, president of Championship Sports, the promoters, said there was a possibility his group might handle the ancillary rights themselves. The rights include radio, television and movies.

Maris, Mantle Far Off '61 Homer Pace

NEW YORK (AP)—Roger Maris and Mickey Mantle are being hounded by the same hoodoo that handcuffed all previous 50-homer hitters with the exception of the one and only Babe Ruth.

Prior to 1961, when Maris socked 61 home runs and his Yankee teammates, Mickey Mantle, hit 54, just eight sluggers whacked 50 or more homers in a single season.

Maris has hit only 10 home runs in his team's first 52 games this year. He had 18 through the same number of games last year. At this pace, he will wind up with 31. Mantle, sidelined for the past three weeks with a leg injury, has hit only seven home runs.

Arraignment Slated On Fraud Charges

CLEVELAND (AP)—Mrs. Dorothy W. Reid, 32, of Ashtabula awaits arraignment before a federal judge on charges of embezzling $10,900 from the Commercial Bank of Ashtabula where she was a teller until two weeks ago.

She also is charged with making false entries totaling more than $23,000 to cover shortages caused when she took money from her cash drawer at the bank, according to E. E. Hargett, FBI chief in Cleveland.

Mrs. Reid surrendered Monday at the Cleveland FBI office.

Hargett said further investigation might bring the entire shortage chargeable to Mrs. Reid to $25,000 or more.

Night Clubs And Bar Girls Probe Targets

WASHINGTON (AP)—An investigation involving night clubs, bar girls, and exotic dancers gets under way today in the somber setting of a Senate committee room.

The inquiry is expected to deal with complaints that members of the American Guild of Variety Artists, many of them girls working in night clubs reputedly run by racketeers, have been exploited.

The probe is being conducted by the Senate Investigations subcommittee headed by Sen. John L. McClellan, D-Ark.

Known widely as AGVA, the guild is an AFL-CIO affiliated union. It represents about 13,000 entertainers working in night clubs, cabarets, restaurants, burlesque houses, circuses and some hotels.

The subcommittee announced that Penny Singleton, the actress who portrayed "Blondie" on television and in the movies, would be an early witness, and would be sharply critical of the protection AGVA gives its members in many big towns. She is a former guild president.

Dick Jones, of Philadelphia, also a former AGVA official, is expected to give further critical testimony.

McClellan announced he expects to hear between 50 and 60 witnesses in the eight to 10 days of hearings. He has listed Philadelphia, Chicago, New York, Baltimore, Miami and Tampa as among cities in which the union's operations are under scrutiny.

Professor Is Cited

ATHENS, Ohio (AP)—Ohio University's distinguished professor award for this year goes to Dr. John E. Edwards. A citation accompanying the award cites Dr. Edwards as a fine research physicist, teacher and counselor. He will receive a six month leave of absence and $1,500.

2 District Youths Sign In Marines

Two more high school graduates have enlisted in the Marine Corps under the 120-day delay program and the "Buddy program."

They are: Charles E. Malone, son of Mr. and Mrs. Clifford Malone, 924 Commerce St., and Harold L. Tice, son of Mrs. Mary Kuta, 1007 Main St., both Wellsville.

They picked Aug. 24 as the date to depart for training at Parris Island, S. C. They will receive 80-days' recruit training and another four weeks advanced training at Camp Lejeune, N. C.

Upon completion of training, they will be given 20-day leaves prior to being assigned to a military occupational specialty or to a new duty station.

Hearing Is Proposed To Settle Argument

JACKSON, Ohio (AP) — State Democratic Chairman William Coleman has proposed a state committee hearing to settle a Jackson County hassle over two different slates of officers elected at separate meetings.

The Democratic Committee here submitted both slates of officers for certification. One slate is headed by the present county chairman, Ike Walton of Wellston. The other is headed by a farmer, Vancil Lesser. Lesser has the backing of long-time county Democratic chairman Harold Rowe of Coalton.

No date has been set for the meeting.

To Face Surgery

CINCINNATI (AP) — James P. Taylor, a racetrack groom at River Downs, was to undergo lung surgery today for a bullet wound in an unexplained shooting outside an East Side cafe. Taylor, of Urbancrest, a Columbus suburb, said he was wounded by an unidentified man who fired from a convertible as Taylor stepped outside the cafe early Monday.

LEGAL NOTICES

LEGAL NOTICE
(Rev. Code 2703.17)

RALPH MULLEN, whose place of residence is unknown and cannot be reasonably ascertained, will take notice that on the 17th day of May, 1962, the plaintiff, THE POTTERS SAVINGS & LOAN COMPANY, filed its petition against him and others, in the Court of Common Pleas of Columbiana County, Ohio, the same being cause No. 47837 in said Court, for the foreclosure of mortgage of certain real estate and in said petition described, to-wit:

Situated in the City of East Liverpool, County of Columbiana and State of Ohio, and known as and being the South part of Lot number Seven Hundred Sixty-seven (767) in Eliza M. Rigby's Addition to said City of East Liverpool, and described as follows: Beginning at the Southwest corner of said Lot, and running thence Northwardly along the West side of said Lot Sixty (60) feet; thence Eastwardly parallel with Prospect Street Forty (40) feet to the East side of said Lot; thence Southward along the East side of said Lot Sixty (60) feet to Prospect Street; thence Westward along Prospect Street Forty (40) feet to the place of beginning.

Said premises are also known as 425 Prospect Street, East Liverpool, Ohio.

Defendants, GEORGE MULLEN, FANCHON I. MULLEN CHRONISTER and FRANCES JOSEPHINE MULLEN, who is now deceased, acquired the foregoing real estate by Deed, recorded in Volume 757, Page 484, Columbiana County, Ohio, Deed records.

The prayer of said petition is for the sale of said real estate and for other equitable relief. Said defendant is required to answer said petition on or before the 30th day of June, 1962, or judgment will be taken against him.

NOTICE FOR BIDS

Sealed bids will be received at the Office of the Director of Public Service-Safety of the City of East Liverpool on Friday, June 22, 1962, at twelve o'clock noon (E. D. S. T.) for a three year contract of lease to the City of four (4) motor vehicles, suitable for use as police cruisers which shall be according to specifications on file in the office of the Director.

Each bid must contain the full names of every person or company interested in the same and be accompanied by a certified check on some solvent bank in the amount of 5% of the total bid, payable to the Treasurer of the City of East Liverpool, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured. Should any bid be rejected, such check will be forthwith returned to the bidder, and should any bid be accepted, such check will be returned upon the proper execution and securing of the contract.

"Cruiser Lease" should be marked on the outside of the envelope containing bids.

The right is reserved to reject any or all bids.

LEGAL NOTICES

LEGAL NOTICE
(Rev. Code 2703.17)

RALPH MULLEN, whose place of residence is unknown and cannot be reasonably ascertained, will take notice that on the 17th day of May, 1962, the plaintiff, THE POTTERS SAVINGS & LOAN COMPANY, filed its petition against him and others, in the Court of Common Pleas of Columbiana County, Ohio, the same being cause No. 47837 in said Court, for the foreclosure of mortgage of certain real estate and in said petition described, to-wit:

Situated in the City of East Liverpool, County of Columbiana and State of Ohio, and known as and being the South part of Lot number Seven Hundred Sixty-seven (767) in Eliza M. Rigby's Addition to said City of East Liverpool, and described as follows: Beginning at the Southwest corner of said Lot, and running thence Northwardly along the West side of said Lot Sixty (60) feet; thence Eastwardly parallel with Prospect Street Forty (40) feet to the East side of said Lot; thence Southward along the East side of said Lot Sixty (60) feet to Prospect Street; thence Westward along Prospect Street Forty (40) feet to the place of beginning.

Said premises are also known as 425 Prospect Street, East Liverpool, Ohio.

Defendants, GEORGE MULLEN, FANCHON I. MULLEN CHRONISTER and FRANCES JOSEPHINE MULLEN, who is now deceased, acquired the foregoing real estate by Deed, recorded in Volume 757, Page 484, Columbiana County, Ohio, Deed records.

The prayer of said petition is for the sale of said real estate and for other equitable relief. Said defendant is required to answer said petition on or before the 30th day of June, 1962, or judgment will be taken against him.

NOTICE FOR BIDS

Sealed bids will be received at the Office of the Director of Public Service-Safety of the City of East Liverpool on Friday, June 22, 1962, at twelve o'clock noon (E. D. S. T.) for a three year contract of lease to the City of four (4) motor vehicles, suitable for use as police cruisers which shall be according to specifications on file in the office of the Director.

Each bid must contain the full names of every person or company interested in the same and be accompanied by a certified check on some solvent bank in the amount of 5% of the total bid, payable to the Treasurer of the City of East Liverpool, as a guaranty that if the bid is accepted, a contract will be entered into and its performance properly secured. Should any bid be rejected, such check will be forthwith returned to the bidder, and should any bid be accepted, such check will be returned upon the proper execution and securing of the contract.

"Cruiser Lease" should be marked on the outside of the envelope containing bids.

The right is reserved to reject any or all bids.

Y & O ROAD AT GLENMOOR: This Cape Cod home is pretty as a picture and this impression doesn't stop with just the outside. The home is 7 years old but you would never know it from it's A-1 condition. Lot size 75x600; home size: 5 rooms and bath, plus unfinished upstairs. Full basement, basement garage, carpet, drapes. Buyer takes all for $15,800.

Very nice 3 bedroom, one story home on Garner Avenue, with all the conveniences near, shopping, school, and bus service. Completely air conditioned, gas hot air furnace, garage, and priced at just $12,500.

THE BUSINESS

A 5 room home plus large store room; formerly, dba, "Hillcrest Market." There are excellent living quarters plus a large lot near the school and nearly all equipment to open a confectionary or grocery store goes with this property. Full basement with garage, and someone can open a small business, and have a home all for $6,900.

JACKMAN STREET: A very excellent 5 room two story farm home that is better than you'd expect for $6,200. Nice large lot, city water and sewer, and well cared for.

One and one half story brick 3 bedroom home on Maple Drive in CALCUTTA with a large corner lot, full basement, attached garage, gas furnace, modern kitchen, and in excellent condition, just 7 years old. $17,500.

Right in the CENTER of GLENMOOR, less than a block from the school house and bus line. We have a beautiful 3 bedroom home on a perfectly level 80x230 lot. Home has just been completely remodeled, replastered, and is sure to impress you. New gas furnace, good well, excellent condition throughout. Double detached garage, and a full 6 rooms with a bath and a ½ at this location. It's well worth $12,500.

70 feet of frontage on DRESDEN AVENUE, between 7th and 8th Streets known as Smith Grocery Store, will be an excellent location for many businesses. Lot runs through to Jackson Square and there are 4 income properties over and above the store room. Total price $16,500. Owner quitting business.

How Can I?

Q. How can a stamp collector remove stamps from envelopes neatly and with a minimum danger of tearing?

A. Try applying some lighter fluid to the inside of the envelope under the stamp, and this will soak through and make your stamp easier to pull off. If the envelope happens to be of heavy paper, roughen the surface first with an eraser before swabbing on the fluid.

Q. How can I make a neater job of punching a new hole into a leather belt?

A. By using a heated needle for punching the hole, and holding the belt firmly on a wooden board while you are boring through it.

Q. How can I facilitate the job of mending chinaware or glass items?

A. If you'll use some modeling clay to hold your chipped pieces together while the mending cement is hardening and doing its work, you'll be making your job easier and more effective.

Q. What is a good way to bind the cut edges of carpets and prevent their fraying?

A. With rubber cement. First trim the nap from about ⅛-inch of the edge of the carpet, and coat the trimmed edge and the underside for ½-inch or so with ordinary rubber cement. Two applications may be necessary.

Q. How can I protect leather from mildew?

A. You can do this for two to three months by sponging it with a one per cent solution of paramitrophenol in alcohol (or one per cent thymol in alcohol). These can be procured at drugstores. Before using, test a small inconspicuous place first to make sure the color will not be affected. Use a good wax dressing on shoes, and give the soles a thin coating of floor wax.

Junior Editors Quiz on OLD SAYINGS

QUESTION: How did the saying "roll out the red carpet originate?

★ ★ ★

ANSWER: In our picture, we are inside the walls of a medieval town on a great holiday. The king of a friendly country has come to pay a visit. The king whose town this is welcomes the stranger, the inhabitants are shouting and cheering, even the fighting men on the high battlements are waving their weapons in greeting. But the most important thing to notice is that a carpet is being unrolled over which the distinguished visitor will walk. Think of this carpet as being bright red and you will understand that "rolling out the red carpet" means "giving someone a royal welcome." In the old days carpets were great luxuries and it was a great honor to have one carried out and laid down before the visitor so that his foot should not touch the common pavement. Over the years of history, the color red has acquired, among other meanings, those of happiness, joy, leadership, life, power and valor. So it is easy to understand why red would pay the most honor to a welcome visitor.

★ ★ ★

FOR YOU TO DO: Many familiar expressions include colors. "Painting the town red" is one of them. "Feeling blue" is another. How many of these phrases can you think of? Think of the colors yellow, green and pink, for a start.

I have had many complaints. From druggists, manufacturers, buyers, housewives and storekeepers. After talking with them, it seems the only real complaint is that people just do not read instructions.

Lady, this friend of yours — Joe Blow — was born for one purpose. To help you. Manufacturers put directions on a product for a purpose. So that you will read it and know how to use it.

The manufacturer doesn't write directions for himself. He knows how to use his product! Even if you have used something for years . . . read the instructions on the bottle next time you buy something. Formulas, directions and all instructions change from time to time.

Each manufacturer is always trying to improve his product. When he does, his formula will probably call for new directions.

Just because you have been adding one cup of water to something for years doesn't mean that the next bottle you buy won't call for three cups of water.

Ladies, take the few minutes necessary to read all the fine print on anything; whether it be an insurance policy, time payment plan or a new shampoo!

I feel that you will meet Mr. Blow in this column from time to time. Don't get disgusted because he takes up space. He is a very good friend.

An extra man is always good to have around. Let's have him in for a cup of coffee once in a while. Okay?

Trustees Study Fredericktown's Parking Problem

Parking congestion at Fredericktown on weekends was discussed by the St. Clair Township trustees at a meeting Monday night, and constables were advised to take action to insure clear traffic lanes in event of fire or other emergency.

Residents of Fredericktown have reported cars of picnickers, swimmers and fishermen block the streets there at times, and fire trucks and ambulances would be unable to reach emergency sites.

Trustees are also to confer with East Liverpool officials concerning complaints of dust on the road leading to the Colt Ball Field and the city dump site.

The road oiling program, which covered 37,000 feet of roadway, was completed Friday by the Snyder Co. of Hanoverton, Harold Williams, chairman, reported.

Trustees authorized cleaning of a ditch along Corneil Ave. in Glenmoor.

Presentation Of Awards Marks Newell Class Day

Presentation of nine major awards highlighted annual Class Day exercises of Wells High School Monday afternoon in the school in Newell.

The Bausch - Lomb Science Award was presented Miss Carole Wurzel by Principal E. Russell Slack for achievements in physics and chemistry.

She also received a scholarship award from the Newell Women's Club. The presentation was made by Mrs. Carol Cameron.

An award to an outstanding science student was given Miss Nancy Swan by Mrs. Janet Houk. A mathematics award was given Miss Janet Robison as the outstanding mathematics student by Mrs. Cameron.

Miss Jean Bailey received the Crisco award for achievement in home economics, with Mrs. Houk making the presentation.

Three honorary awards were presented by the principal to students named by a majority vote of the faculty.

The Babe Ruth Sportsmanship award was given Susan McKenna and Michael Staley. Ronald Coen and Elizabeth Hupp won the Danforth Foundation award, and Miss Robison, the Harold D. Gregory Memorial award.

Coen received an Estral scholarship from the Order of Eastern Star for training at a religious institute. Mrs. Richard Haynes made the presentation.

Miss Robison, valedictorian, and Miss Wurzel, salutatorian, both seniors, were presented pins. Staley presented scholarship pins to 13 members of the National Honor Society. He is president.

The Women's Club also recognized Miss Marilyn Mills for achievement in the Vogue sewing contest. Miss Susan McKenna was recognized as recipient of a scholarship to the Lewis, Wineberger & Hill Academy of Cosmetology. Rick Webb, son of Mr. and Mrs. Alfred Webb of Kenilworth, and Joe Hall, son of Dr. and Mrs. J. E. Hall, were recognized for attending West Virginia Boys' State.

Staley was recognized as the recipient of an athletic scholarship to Bethany College.

Miss Hupp was recognized as the recipient of a scholarship from the Hancock County 40 & 8 Society to train as a nurse at City Hospital.

John L. Clark, director, presented awards to the Wells High Band members. Mrs. Mae Hupp, president of Newell Band Parents, presented awards to senior band members.

Athletic awards were given by Peter Horoszko, football coach. Mrs. Houk presented cheerleading awards.

Gary Daugherty spoke on the Senior Class challenge as president, while the response and acceptance were made by Edward Weirsbicki, president of the Junior Class.

Daugherty announced that a new public address system had been purchased for the school auditorium by the Senior Class, the National Honor Society and the Student Council.

The Junior Class "move-up" was supervised by the principal. The Senior Class history was read by Miss Hupp, the class prophecy by Anita Powell, and the legacy by Miss Swan. Seniors also were in charge of the alma mater, benediction and the recessional.

Clark directed the band in several selections. Daugherty gave the invocation and made introductions. Mrs. Jean George is Senior Class sponsor.

Word Sounds Confusing To Twins

Of twins, 10-years-old, a Missouri mother writes: "They have great difficulty in reading and spelling. It seemed they were doing reasonably well until third grade. They often substitute words such as 'large' for 'great'. I know they need training in phonics, for they cannot tell what letter a word starts with from hearing it pronounced." It is pretty safe to assume that these children have been taught to read by the word method, often called the look-and-say method. Indeed, the large majority of children in America are so taught.

Dr. Garry Meyers

—:—

ACCORDINGLY, THE primer the child uses has only one or two new words to a page. The words he has already memorized are used over and over again, while the new one is slipped in among them. Thus at the end of the first grade he may have remembered fewer than two hundred new words.

But, by the third grade, what he is supposed to read may have so many new words that he's overwhelmed by them, unless he has learned to attack these new words from their letters and basic sounds. Some children, reading pretty well from a primer or first reader, may not even know many of their ABC's, let alone the sounds of them.

I advised the mother of these twins not to criticize their teacher's ways. Then I told her:

Just help these youngsters to learn their letters, a few a day, and help them identify the sounds of each letter, beginning with consonants. Most of these have only one sound each.

You don't need special training in phonics to do this.

—:—

FOR INSTANCE name some objects about the home beginning with "d" sound and have them name more. Then print or write these words and have each child pronounced them. You may think of other ways, even better ones.

Later, you might group a number of words which start with a sound made by two letters like "pl" in plow, plant, plane or "ch" as in chair, chain, chick. Too, these children will like to name words which rhyme with one you name and see how these words look as you type or print them.

By and by, as you hear one of them read, help him get the main sounds of a new word as he comes to it.

I've a special bulletin, "Home Fun with Phonics", in which I offer a number of suggestions any parent might use in helping a child get the main sounds of a new word as he looks carefully at it.

This bulletin and "Home Helps in Spelling" may be had by sending a self-addressed stamped envelope to me in care of The Review.

Weirton Steel Oks State Order On Road Weight

CHARLESTON (AP) — Weirton Steel Co. approval was voiced yesterday to a State Road Commission order changing gross weight restrictions on two key highways in the Weirton area.

Road Commissioner Burl A. Sawyers was told by F. J. Wallister, traffic manager of the company, that "your action has been of great help to maintain Weirton Steel as a healthy, growing state industry."

Wallister said that Weirton Steel shipped 49,075 truckloads of products weighing 2,051,335,000 pounds last year and added that this year showed indications of being even bigger.

"Had it not been for the relief granted over the two highways," Walliser said, "we would not have been able to handle the volume we did."

Sawyers entered an order last July 19 permitting weights in excess of the normal 70,000 pounds per truck using W. Va. 2 and U.S. 22.

Yellow Curbs Painted In Wellsville Project

The painting of yellow curbs throughout Wellsville got underway today.

Safety - Service Director Fred Baldasare also said that parking meter lines will be painted.

The street sweeping program is continuing. To be covered tonight are Clark Ave. from 15th to 17th Sts., 15th St. from Main St. to Buckeye Ave., Main St. from 17th to 18th, and 18th from Main to Clark Ave. and Aten Ave. from Commerce St. to the city limits.

The crew also are painting fire plugs. Forty-one of the 128 have been painted. The fire alarm boxes will be painted the latter part of the week, Baldasare said.

He said playground equipment at the various city lots will be installed today.

When the smudge has softened, scrape most of the residue off and then use a rag dipped in the above and rub the remains of the masking tape. I use rubber gloves when doing this.

Trustees Study Fredericktown's Parking Problem

Parking congestion at Fredericktown on weekends was discussed by the St. Clair Township trustees at a meeting Monday night, and constables were advised to take action to insure clear traffic lanes in event of fire or other emergency.

Residents of Fredericktown have reported cars of picnickers, swimmers and fishermen block the streets there at times, and fire trucks and ambulances would be unable to reach emergency sites.

Trustees are also to confer with East Liverpool officials concerning complaints of dust on the road leading to the Colt Ball Field and the city dump site.

The road oiling program, which covered 37,000 feet of roadway, was completed Friday by the Snyder Co. of Hanoverton, Harold Williams, chairman, reported.

Trustees authorized cleaning of a ditch along Cornell Ave. in Glenmoor.

Presentation Of Awards Marks Newell Class Day

Presentation of nine major awards highlighted annual Class Day exercises of Wells High School Monday afternoon in the school in Newell.

The Bausch - Lomb Science Award was presented Miss Carole Wurzel by Principal E. Russell Slack for achievements in physics and chemistry.

She also received a scholarship award from the Newell Women's Club. The presentation was made by Mrs. Carol Cameron.

An award to an outstanding science student was given Miss Nancy Swan by Mrs. Janet Houk. A mathematics award was given Miss Janet Robison as the outstanding mathematics student by Mrs. Cameron.

Miss Jean Bailey received the Crisco award for achievement in home economics, with Mrs. Houk making the presentation.

Three honorary awards were presented by the principal to students named by a majority vote of the faculty.

The Babe Ruth Sportsmanship award was given Susan McKenna and Michael Staley. Ronald Coen and Elizabeth Hupp won the Danforth Foundation award, and Miss Robison, the Harold D. Gregory Memorial award.

Coen received an Estral scholarship from the Order of Eastern Star for training at a religious institute. Mrs. Richard Haynes made the presentation.

Miss Robison, valedictorian, and Miss Wurzel, salutatorian, both seniors, were presented pins. Staley presented scholarship pins to 13 members of the National Honor Society. He is president.

The Women's Club also recognized Miss Marilyn Mills for achievement in the Vogue sewing contest. Miss Susan McKenna was recognized as recipient of a scholarship to the Lewis, Wineberger & Hill Academy of Cosmetology. Rick Webb, son of Mr. and Mrs. Alfred Webb of Kenilworth, and Joe Hall, son of Dr. and Mrs. J. E. Hall, were recognized for attending West Virginia Boys' State.

Staley was recognized as the recipient of an athletic scholarship to Bethany College.

Miss Hupp was recognized as the recipient of a scholarship from the Hancock County 40 & 8 Society to train as a nurse at City Hospital.

John L. Clark, director, presented awards to the Wells High Band members. Mrs. Mae Hupp, president of Newell Band Parents, presented awards to senior band members.

Athletic awards were given by Peter Horoszko, football coach. Mrs. Houk presented cheerleading awards.

Gary Daugherty spoke on the Senior Class challenge as president, while the response and acceptance were made by Edward Weirsbicki, president of the Junior Class.

Daugherty announced that a new public address system had been purchased for the school auditorium by the Senior Class, the National Honor Society and the Student Council.

The Junior Class "move-up" was supervised by the principal. The Senior Class history was read by Miss Hupp, the class prophecy by Anita Powell, and the legacy by Miss Swan. Seniors also were in charge of the alma mater, benediction and the recessional.

Clark directed the band in several selections. Daugherty gave the invocation and made introductions. Mrs. Jean George is Senior Class sponsor.

Word Sounds Confusing To Twins

Of twins, 10-years-old, a Missouri mother writes: "They have great difficulty in reading and spelling. It seemed they were doing reasonably well until third grade. They often substitute words such as 'large' for 'great'. I know they need training in phonics, for they cannot tell what letter a word starts with from hearing it pronounced." It is pretty safe to assume that these children have been taught to read by the word method, often called the look-and-say method. Indeed, the large majority of children in America are so taught.

Dr. Garry Meyers

—:—

ACCORDINGLY, THE primer the child uses has only one or two new words to a page. The words he has already memorized are used over and over again, while the new one is slipped in among them. Thus at the end of the first grade he may have remembered fewer than two hundred new words.

But, by the third grade, what he is supposed to read may have so many new words that he's overwhelmed by them, unless he has learned to attack these new words from their letters and basic sounds. Some children, reading pretty well from a primer or first reader, may not even know many of their ABC's, let alone the sounds of them.

I advised the mother of these twins not to criticize their teacher's ways. Then I told her:

Just help these youngsters to learn their letters, a few a day, and help them identify the sounds of each letter, beginning with consonants. Most of these have only one sound each.

You don't need special training in phonics to do this.

—:—

FOR INSTANCE name some objects about the home beginning with "d" sound and have them name more. Then print or write these words and have each child pronounced them. You may think of other ways, even better ones.

Later, you might group a number of words which start with a sound made by two letters like "pl" in plow, plant, plane or "ch" as in chair, chain, chick. Too, these children will like to name words which rhyme with one you name and see how these words look as you type or print them.

By and by, as you hear one of them read, help him get the main sounds of a new word as he comes to it.

I've a special bulletin, "Home Fun with Phonics", in which I offer a number of suggestions any parent might use in helping a child get the main sounds of a new word as he looks carefully at it.

This bulletin and "Home Helps in Spelling" may be had by sending a self-addressed stamped envelope to me in care of The Review.

Weirton Steel Oks State Order On Road Weight

CHARLESTON (AP) — Weirton Steel Co. approval was voiced yesterday to a State Road Commission order changing gross weight restrictions on two key highways in the Weirton area.

Road Commissioner Burl A. Sawyers was told by F. J. Wallister, traffic manager of the company, that "your action has been of great help to maintain Weirton Steel as a healthy, growing state industry."

Wallister said that Weirton Steel shipped 49,075 truckloads of products weighing 2,051,335,000 pounds last year and added that this year showed indications of being even bigger.

"Had it not been for the relief granted over the two highways," Walliser said, "we would not have been able to handle the volume we did."

Sawyers entered an order last July 19 permitting weights in excess of the normal 70,000 pounds per truck using W. Va. 2 and U.S. 22.

Yellow Curbs Painted In Wellsville Project

The painting of yellow curbs throughout Wellsville got underway today.

Safety - Service Director Fred Baldasare also said that parking meter lines will be painted.

The street sweeping program is continuing. To be covered tonight are Clark Ave. from 15th to 17th Sts., 15th St. from Main St. to Buckeye Ave., Main St. from 17th to 18th, and 18th from Main to Clark Ave. and Aten Ave. from Commerce St. to the city limits.

The crew also are painting fire plugs. Forty-one of the 128 have been painted. The fire alarm boxes will be painted the latter part of the week, Baldasare said.

He said playground equipment at the various city lots will be installed today.

C. Of C. Development Group Plans Projects

Twelve members of the civic and community development committee of the Chamber of Commerce met Monday afternoon in the Chamber office to discuss proposed projects for the fall.

The committee plans to continue meeting throughout the summer on the projects it will present to the Chamber's Board of Trustees for approval. J. Norman Nicely, chairman, presided.
